MacLaren's, Gordons Hold Clan Memorial

MONTAGUE—Despite threatening clouds a large number of descendants of the MacLaren and Gordon Scottish pioneers gathered at historic Brunel Island cemetery for their memorial service at 3 o'clock Sunday afternoon.

The service was held annually in memory of those pioneers who landed on Prince Edward Island in 1803. It affords an opportunity for many relatives from distant parts of P. E. Island to come together and renew old friendships and memories.

Among those present were some from different parts of the island, including Mrs. Nellie MacLaren-Gordon from North Vancouver, B. C.

President Glen MacLaren, accompanied by Mrs. John MacLaren, called on Rev. F. Aiken, Hamilton, Ont., to lead in prayer.

The hymn "Faith of our Fathers" was sung by Douglas Gordon placed a memorial wreath on the monument and read a regular salute was observed, followed by a prayer.

Heavy rain started shortly after causing the people to seek shelter. They had to forego the usual friendly conversation which is a regular feature of the gathering.

Rev. D. M. Sinclair closed the service with prayer and benediction in Gaelic.

and touched on the situation in Prince Edward Island. "It is important to your children and to your children's children that they get to the critical level above high school. Young people do not go very far without college courses," the speaker said.

"You have to go outside for your doctors and dentists (education) and I understand that some institutions are becoming more and more difficult to enter."

EDUCATION RECOGNITION
Quoting Chief Justice Earl Warren of the U.S. Supreme Court the speaker said "Education is perhaps the most important function of state and local governments. Compulsory school attendance laws and the great expenditures for education in our democratic society."

"It is the very foundation of good citizenship and the education of any child may reasonably be expected to succeed in life if he is denied the opportunity of an education."

Dr. Orne pointed out the growing tendency to consolidate college libraries in some states in order to avoid overlapping in some fields and certain fields are spent each year in academic libraries.

"As much as 50 per cent of the college budget each year in some places is assigned to this purpose."

"Community colleges are being developed and arranged so that the normal schools are as feeders. I am very much aware of your latest developments in schools in this province and at St. Dunstan's University."

SUGGESTS GRANT
The speaker suggested the possibility of securing recognition from the federal government for a library grant, citing the example of the National School of Agriculture in Mexico for its National School of Agriculture.

Dr. Orne, whose wife's mother came from Montague, has been conducting a summer visit or along with his wife to that town for the past 18 years. Born in St. Paul, Minnesota, Dr. Orne began library work in 1928 and became a fellow of the library of Congress in 1941 and became professor of modern languages, doing research work at Washington as an assignment to the United Nations.

LEADING THE CHILDREN
The parade was led by Dr. M. L. Bonnell, M.I.A., who expressed the thanks of the Murray River Centennial Committee to those who took part in the parade and to all those who helped to make the event a success.

Centennial Day Proves Popular
MURRAY RIVER — Centennial Day here proved popular for both young and old. The activities got under way at 10 a.m. with a mammoth parade including many floats, old-fashioned wagons and wagons, bands and majorettes.

The morning program included the judging of the pets and doll carriages which had participated in the parade. First prize for cats went to Donna Saunders, first prize for dogs to Cindy MacKinnon and first prize for doll carriages to Linda Bonnell.

AFTERNOON EVENTS
During the afternoon boat races were held on the Murray River which proved popular as there were many fast and close races. The winner of the free-for-all went to Mr. William Miller who was presented with a sterling cup. Mr. Miller, along with the winners of the other classes, was presented several prizes. Also taking place during the afternoon were the sporting events for the young set.

The ladies of Murray River served a ham supper from 3 to 7, along with hot dogs during afternoon and evening.

At 7 p.m. the prizes were presented to the winners of the pets, doll carriages and sporting events, followed by a Centennial Dress Costume Contest in which many young and old participated by dressing as the people 100 years ago.

A group from Charlottetown then entertained for an hour with music and singing, followed by an open air dance with the music being supplied by Preston Jackson, Floyd Strickland, Harper Lecco and Edwin Beck.

VACATION AT STANHOPE
Mr. and Mrs. Leslie Doyle of Moncton, formerly of Charlottetown, and their son Darryl from Montreal are vacationing at Stanhope.

SON IN HOSPITAL
Leon Younker, son of Mrs. Douglas Younker, Prince Street, Charlottetown is a patient in the P.E.I. Hospital where he underwent surgery Friday morning.

NARROW ESCAPE
James Alexander MacLaren of Hampton narrowly escaped to yesterday morning when his 1963 car was in a collision with the Borden-bound CNR train at the intersection of Allan Street and Mount Edward Road. The car was flipped onto its roof and badly damaged. The train was delayed about 25 minutes before proceeding to Borden.

BOAT RACES
Eight cylinder class: 1. William Miller, 2. Preston Higginbotham, 3. Hiram Miller, all of Murray River.
Six cylinder class: 1. George Miller, Murray Harbor North; 2. Sterling Norris, Surgeons; 3. Blaine Nicolle, Murray River; 4. Fred MacLaren, St. William; 5. Blaine Nicolle, 3. Preston Higginbotham, all of Murray River.

from the BEST KITCHEN
Butter, 'Em Up
Hot or cold, plain or toasted, open face or covered up to two or three slices... there's extra scope for sandwiches in summer. And any sandwich worthy of the name includes plenty of butter... not only because of the distinctive flavor it contributes, but also because it serves as a moisture-keeper, so to speak, between the bread and filling.

A Chili Idea
For a new sandwich treat, add chili sauce to uncooked or 'dry' cottage cheese. Blend the mixture, then add crisp crumbled bacon bits for extra flavor.

Infallible Recipe to Preserve Children
We'd like to share this "recipe" from a favorite magazine... Take 1 large grassy field, 10 dozen children, 2 or 3 dogs, a pinch of brook, and some pebbles. Mix the children and dogs well together and put them in the field, string constant. Pour the brook over the pebbles, scatter the field with flowers, spread over all a deep blue sky and bats in the hot sun. When brown, remove and set away to cool in a bathtub!

Buttermilk Coleslaw
Adding a little buttermilk to mayonnaise for coleslaw gives a fresh tang to the dressing for this perfect kind of hot weather salad. Good on green tons too.

Instant "Vichyssoise"
You can make a pretty good French soup with a little milk to frozen or canned cream of potato soup, as the label directs, then adding a generous amount of dairy sour cream. Chill deeply, then at serving time beat until smooth, serve in chilled glasses and garnish with chopped chives. Pass a variety of chives and crackers—a sensational summer lunch!
