## The Residence Life Committee Invites You To Go Deep Sea Fishing

On Sunday, October 21st

The van leaves the residences at 12:30 pm and is bound for beautiful Beach Point, P.E.I.

We only have room for 15 people, so sign-up early at the Coordinator of Residence Programs office in Marian Hall (go in the middle door of Marian, turn left, then turn left again at the end of the hall). The sign-up sheet will be outside the Coordinator's door.

See ya there and Don't Forget Your Graval!!!!
