The Great British Quarterlies, and Blackwood's Magazine!

LEONARD SCOTT & CO. New York, continue to Re-publish the following British Periodicals, viz.:

1. The London Quarterly Review (Conservative.)
2. The Edinburgh Review (Whig.)
3. The North British Review (Free Church.)
4. The Westminster Review (Liberal.)
5. Blackwood's Edinburgh Magazine (Tory.)

The present critical state of European affairs renders these publications unusually interesting. They occupy a middle ground between the hastily written news items, crude speculations and flying rumours of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are made for the receipt of early sheets from the British Publishers, by which we are able to place *all* our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

	Per an.
For any one of the four Reviews	$3 00
For any two of the four Reviews,	5 00
For any three of the four Reviews,	7 00
For all four of the Reviews,	8 00
For Blackwood's Magazine,	3 00
For Blackwood and three Reviews,	9 00
For Blackwood and the four Reviews,	10 00

Payments to be made in all cases in advance.

They can be received by Mail at a very small additional postage.

Notice to Travellers.

IT has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers. Explosions will take place, bridges will be left open, and cars run off the track as usual.

It is well enough for the public and legislators to caution companies to "beware," and "take heed," yet these casualties will occur, which result in severe contusions, broken limbs, burns, bruises, &c.

The Mexican Mustang Liniment,

Upon such occasions, is invaluable! The wonderful effects of its soothing and healing properties have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.

Frequent tests have proven it to be efficacious in curing Rheumatism, Piles, Scrofulous diseases, Cancers, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c. Also Spavin, Ring-bone, Scratches, Cracked Heels, Chafes, Galls, &c., on *Horses and other animals.* It is external in its application, and we GUARANTEE it to cure PERMANENTLY in every case for which we recommend it.

Many Physicians use it because they can depend upon it—so can their patients.

Farmers and Livery-stable Keepers.

Say they WILL have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to travellers upon highways and by-ways *use the Mustang Liniment!* It has become so thoroughly introduced throughout the United States, British Possessions, and West Indies, that it is almost impossible to step off the cars at any Station without beholding the gay banner of the "Mustangs."

The prices are as follows:—25 cents, 50 cents, and $1 per bottle; the 50 cent being three times as large as the 25 cent size, and the $1 size nearly three times as large as the 50 cent size, so that the large bottles are cheapest.

A child in Congress-Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhœa after being given over by the attending Physician.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:

Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy, —and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

Hunter's Balsam. It is not often that we *can* say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, two have used and tested their merits. But in regard to Hunter's Balsam, put up by our fellow citizen, Jeremiah Curtis, Esq. we have the testimony of many of our own citizens and those of neighbour ing towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been procured by fraud. INDIAN DISPEPSIA PILLS,

For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Dizziness, Heart Burning, Pain in the Side, Lung and Liver Complaints.

DYSPEPSIA AND IDIGESTION,

With Costiveness, Acidity of the Stomach, Heart Burning, Bilious Complaints,—producing Headache, Pain in the side, Loss of Appetite, and general Debility,—can be remedied, removed, and entirely cured, by the use of the *Indian Dispepsia Pills.* These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate duties, with regularity.

COSTIVENESS.

Habitual Costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also, in all Bilious Diseases, attended with Pain in the Side and Right Shoulder Blade, with a dull, sallow countenance. In all Diarrheas,, Ague and iFever, Bilious Fever and sick headache, they are an valuable Remedy.n

They will be found the best Family Physic in the world, purifying the blood, restoring the appetite, and leaving the stomach and bowels in a healthy state. Price 25 cents per box.

For purifying the Blood' we do not believe these Pills have their equal in the world.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health, after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy, I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
(Signed) H. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other pr oprietary medicine before the public. As a proof of their efficacy in Liver and Bilious complaints, I may mention the following case: A lady of this town, with whom I am personally acquainted for years, was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
(Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried everything that was recommended, and was attended by one of the most eminent surgeons in this town, but obtained no relief whatever; and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint. a

I am, Sir, your obliged Servant,
(Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist Goole, dated February 15th, 1853.

To Professor HOLLOWAY,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by ynor valuable medicines. Captain Jackson, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as if were from his skin, so that a daily change of apparel became necessary; notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague	Dropsy	Inflammation
Asthma	Dysentery	Jaundice
Bilious Complaints	Erysipelas	Liver Complaints
Blotches on the skin	Female Irregularities	Lumbago
Bowel Complaints	Fevers of all kinds	Piles

Consumption	Head-ache	Scrofula, or King's Evil
Debiliity	Indigestion	Tumours

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following:—and refer further enquiry to my American Almanac, which the agent below named, will always be pleased to furnish free, wherein are full particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug. 4, 1853.

J. C. AYER. Dear Sir,—My little son four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him, pronounced him a dead child. Having used your CHERRY PECTORAL in California, in the winter of 1850, for a severe attack of Bronchitis, with entire succes, I was induced to try it on my little boy. I gave him a tea-spoon-full every three hours, commencing in the morning, and by ten o'clock at night, I found a decided change for the better, and after three days use he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent.—For all affections of the Throat and Lungs, I believe it the best medicine extant. A feeling of the deepest gratitude, prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,
J. D. POWELL, Supt. Trans., L. R.R.

Rock Hill, (Somerset Co.,) N. J., July 21, 1852.

Dr. J. C. AYER,—Since your medicine has become known here, it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it, is not too much for the good it has done, I take pleasure in selling it, because I know that I am giving my customers the worth of their money. and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect,
JOHN C. WHITLOCK.

Almost any number of certificates can be sent you, if you wish it.

Windsor, C. W., June 26, 1852.

J. C. AYER. Sir; This may certify that I have used your CHERRY PECTORAL for upwards of one year; and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCULLIN, Attorney at Law.

Wilksbarre, Pa., September 28, 1850.

DR. J. C. AYER, My dear Sir,—Your medicine is much approved of by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians.

I am your friend,
CHAS. STREATER, M. D.
