

A Severe Blow for Many Towns. MICHIGAN, OHIO AND TENNESSEE THE PRINCIPAL STATES THAT SUFFER.

AKRON, Ohio, Dec. 24.—A fierce tornado struck the new syndicate town of Barberton, five miles south of this city, at half-past three this afternoon. The only building destroyed was the new shoe shop of the Creedmore Cartridge Company, where seven workmen were hurled from the building and thrown into heaps of timber and brick. One of these men was killed and six injured. The damage to the house is estimated at \$25,000.

AZALIA, Ohio, Dec. 24.—At 1.30 this afternoon fire was discovered in the roof of J. Martin's home, on the west side of this town, and in a few moments, aided by a strong wind, the flames spread over the town. The wind was blowing a gale from the northwest and carried burning shingles over the town. There were no facilities for checking the flames and the fire had to exhaust itself. Two stores and eighteen buildings were totally destroyed. There was very little insurance.

SALT STE. MARIE, Mich., Dec. 24.—A terrible northwest blizzard, accompanied by snow, has been raging in this section since 9 o'clock last night, the wind reaching a velocity of 60 miles per hour. The roof of the McEver Hotel was blown off and there were several other minor mishaps.

DETROIT, Dec. 24.—A terrific wind has been blowing here all day, ranging from forty-eight to sixty miles an hour, and doing considerable damage. The ferryboats at times experienced great difficulty in crossing the river. A shed running the whole length of the market place blew down this afternoon, injuring three persons quite severely. Three horses were killed by the collapse and four more so badly injured that they had to be shot. At Muskegon six fire alarms were turned in before noon, and the high wind caused great danger of the fire spreading. At one time it looked as though the heart of the city would be wiped out.

KNOXVILLE, Dec. 24.—There was a decided earthquake shock here this morning about 6 o'clock. Persons from the surrounding country report that the shock was so severe that houses were shaken and dishes rattled. In the city many persons were aroused from their sleep and much startled by the shock.

Testimonial From Duluth, Minnesota.

DEAR Mrs. Ross,—Having tested your "MAGIC HEALER," I wish to express my gratitude to you by this testimonial, which you can use, if you think it will assist you in selling it. Having cut my hand severely with a chisel, the corner of the chisel having entered the palm of my hand, making a long and deep cut, I applied your "MAGIC HEALER" at once, and after three applications I was able to go to work, and in three days the cut was healed up. Yours truly, ALONZO H. LAVERS.
