point, it is thought, so that gate receipts would not drop off in mid-season. Moreover, with all teams playing in the same loop, it will give each a better opportunity to study the strong and weak points of its opponents, so that when the playoffs take place each team will be familiarized with the play of the other. It is also possible that there will be a four team semi-final, before the championship of the county is decided.

A meeting is to be called in the near future by Major J. A. MacDonald, president of the league, to determine the consensus of opinion on this new league, which, should it materialize, will provide a first rate hockey season for hockey-minded local fans.
