

SPECIAL NOTICES.

Holloway's Ointment and Pills - Bilious Diarrhoea. - This disease always creates doubt and anxiety, whether it comes alone, or as the attendant on fever or other ailments. From diarrhoea fatal results are daily registered; which Holloway's preparations would have speedily and successfully combated...

Burnett's Toilet Preparations. - Our readers are aware of the superiority of Burnett's Toilet Preparations. These preparations need not to be tried by pronounced incomparables. - [New York Daily Register.]

THE OXYGENATED BITTERS. For years advanced science has been taxed and the skill of the physician exhausted in the hope of discovering a remedy to cure that most distressing of all diseases - Dyspepsia, as well as its long train of evils under various names.

The Oxygenated Bitters. Such is its remarkable power and peculiarity, that cases, which for years have baffled the most potent medicine and the highest profession at all, yield to this remedy as ready as if the disease were but a day's standing. For all diseases of the Stomach and Digestive Organs, and for General Debility it is equally salutary and certain.

Typhoid Fever, Dyspepsia, and Debility. The following letter from Mrs. Holloway's Ointment Pills and worthy citizen of Lake Village, is but the testimony of thousands of like sufferers: -

Lake Village, N. H. Nov. 4, 1859. Messrs. S. W. Fowler & Co., Boston. - Eight years since I was attacked with Typhoid Fever, which left my digestive organs in a very feeble condition. I was totally unable to perform labor; I could eat but the lightest and most simple food without causing distress; and the various medicines which I had taken produced no favorable alteration in my condition...

Prepared by SEW W. FOWLER & CO., Boston, and for sale by W. H. WATSON (General Agent), T. DESBRISAY and M. W. SKINNER, Charlotte, N. C., and by Druggists generally.

Timely Warning. Every mother should be prepared to act in the capacity of both nurse and physician to her children; she can, if she will discharge these duties much better than any one else can employ. If she does not, she ought to know that there is a medicine prepared by an old and experienced physician, which has stood the test of many, many years, and is the most perfect thing on earth for children's teething; it also cures Wind Colic, Diarrhoea, and is sure to regulate the bowels of the mother, and every mother, do not let your own prejudice, or the prejudices of others, stand in the way of the relief that will be sure - yes, absolutely sure - to follow the use of MRS. WINSLOW'S Soothing Syrup. It is sold everywhere, at 25 cents a bottle, and is the only medicine that can be RELIEVED BY BROWN'S BRONCHIAL TROCHES, or COUGH LOZENGES.

A simple and elegant combination for COUGHS, &c. Dr. G. F. BIDDLE, Boston. Have proved it early serviceable for HOARSENESS, &c. Her. HENRY WARD BEECHER. I recommend their use to PUBLIC SCHOOLS, &c. Rev. E. H. CHAPIN, New York. Effected in removing Hoarseness and Irritation of the Throat, so common with SPEAKERS and SINGERS. Prof. M. STACY JOHNSTON, LeGrange, Ga. Teacher of Music, Southern Normal College.

"Two or three times I have been attacked by BRONCHITIS so as to make me fear that I should be compelled to leave my duties for a week, or three weeks of the Throat. But from a moderate use of the 'Trochee' I now find myself able to preach nightly, for weeks together, without the slightest inconvenience." Rev. E. B. RYCKMAN, A. B., Montreal, Wesleyan Minister.

AYER'S SARSAPARILLA. Is a concentrated extract of Para-Sarsaparilla, or combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Stricture complaints, and that one which will accomplish their cure most speedily and with the least expense to the afflicted citizen. How completely this compound will do it, is best proved by the following complaints: - SCROFULA and SCROFULOUS COMPLAINTS, Eruptions and Eruptive Diseases, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, STYLLAS AND TROCHILS, BRUISES, MALARIAL FEVER, DYSPEPSIA, INDIGESTION, NEURALGIA OR THE DOLGHEUR, DEBILITY, DYSURIA AND ISCHURIA, RHEUMATISM, RASH OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great preservative of health, when taken in the spring, to expel the cold humors which gather in the blood at that season of the year. By its timely application of them many rankling disorders are averted in the bud. Multitudes can, by the use of this remedy, spare themselves from the confinement of the hospital and the agonies of the bed, which the system will strive to rid itself of, unless it be assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, enjoy your better health, and live longer, for cleansing the blood - keep the blood healthy, and all is well; but with this purgation of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is deranged or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often contain deleterious poisons. All parties who have been disappointed in the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall restore the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

CURE IS AT HAND! HOLLOWAY'S OINTMENT.

Scorbutic Eruptions, as sore Heads and Scrofulous Swellings. If this wonderful Ointment be well rubbed into the parts affected, it will speedily and effectually cure them. It acts not by repression, but by expulsion. It enters the system as salt enters meat, and operates not locally only, but constitutionally purifying the whole system...

The Kidneys, Stone and Gravel. In these complaints, the patient almost always seeks a relief, providing it will penetrate and give almost immediate relief, while the Pills would be taken according to the printed directions, when the most extraordinary cures are effected.

The Action of the Heart. Dropsy. This last named disease is commonly preceded by irregular action of the heart, and difficult respiration; which symptoms are always severe, and every effort to relieve the patient, unless proper means of cure are resorted to, in Holloway's Ointment and Pills the dropsical patient will ever find relief; the present relief derived from the use of these remedies during the 24 hours, and perseverance in the steady application of the famous Ointment, invariably results in a cure. They set with such energy in the circulation and retrograde system, that the dropsical fluid vanishes and the sufferer finds all the oppressive symptoms daily decline, till natural health returns.

Gout and Rheumatism. May be cured with the greatest certainty if large quantities of the Ointment be well worked over the complaining parts, and the perspiration duly got into the system. Take as many Pills nightly as will act two or three times during the 24 hours; where the use of coffee and all stimulants. When these complaints are leaving the system, the violence of the complaint frequently seems to increase.

Indigestion of Youth. Scarcely a day passes without a child being cured if twice or three a day, keeping them covered with linen rag spread with the same.

Both the Ointment and Pills should be used in the following cases: Bad Legs, Scrofulous Swellings, Sore Throats, Head Breasts, Chloric Gout, Ring-bone, Burns, Chapped Hands, Glandular Swellings, Bunions, Corns (Soft), Lamello, Sore-heads, Itch of the Face, Contracted and Stiff Joints, Ulcers, Wounds, Elephantiasis, Sore Nipples, &c. &c. Sold at the Dispensary, HOLLYWAY'S, 211, Strand (near Temple Bar), London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: - 1s 1/4, 2s 3/4, 4s 6d, 11s, 22s, and 43s each Pot. "The price of each Pot being for taking the larger sizes. N. B. - Directions for the guidance of patients in every disorder are affixed to each Pot.

October 9, 1860. ADVICE GRATIS! To Purify the Blood. These Pills have been placed at the disposal of mankind at the head of all remedies for removing obnoxious poisons from the blood, and cleansing all the tissues of the body. They save thousands yearly from the fatal effects of a variety of diseases, such as dysentery, diarrhoea, constipation, liver complaints, &c. are, in fact, attended by a variety of witnesses. Excessive weakness and debility, the warnings of decreasing organic energy and vital decay, are not red and re-actuated from the circulation of the blood, and the system, by the restorative and exhilarating influence of this medicine.

Female Complaints. All disorders of the sex, and diseases in general, are owing to the life and health of woman, and are, in every case, or single, may be rationally and quickly cured without risk to either by the use of these Pills, taken according to printed directions.

Indigestion with languor and want of energy. When taking these Pills, the Holloway's Ointment should be rubbed into the pit of the stomach, and over the liver, on the right side under the ribs, and you will at once experience a buoyancy of the better in your digestion, spirit, appetite, strength, and energy. The improvement, though it may be gradual, will be thorough and lasting.

DROPSY. The efficacy of Holloway's Pills in dropsy is extraordinary. They act with such peculiar effect upon the system, that the fluids arising from this distention are speedily carried off, and prevented from their further accumulation. The sufferer regains a buoyancy of spirits and rejoices in a completely renovated constitution; but it is indispensable necessary that the Ointment should be most effectually rubbed into the sores and swellings.

Stomach, Liver, Kidneys, and Bowels. Those who suffer from bile and liver complaints, should try the effects of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, and give him an appetite, giving a healthy action to the liver; if bile attacks be allowed to continue serious casualties may arise, and the sufferer be consigned to a bed of sickness. In all disorders of the kidneys, the Ointment should be well rubbed into the small of the back, once or twice a day - and the Pills acting in unison, will cure any complaints arising from these organs.

Puffy, - Shortness of Breath with Weakness. Very few symptoms, which if not corrected, may lead to some serious disorders of the heart, or other vital organs. Extremely of solids, take six Pills nightly for some little time; take plenty of fresh air, moderate exercise, and the limbs and members will be quickly restored to health and vigor. Try this but for three days only, and the result will be marvellous.

Complaints incident to Children. All complaints of children, if soon cured if care be taken to purify their blood, correct the action of the liver, and cleanse the stomach and bowels - a few doses of these famous Pills will immediately relieve the distress, and the limbs and members will be allowed them to eat of things which they know will be injurious to themselves.

Holloway's Pills are the best remedy known in the world for the following diseases: - Ague, Dysentery, Liver complaints, Bilious Complaints, Erysipelas, Lumbago, Itch of the Face, Ring-bone, Rheumatism, Ulcers, Constipation, Gout, Scrofula, or King's Evil, Worms, all kinds of the Bowels, Head-ache, King's Evil, Consumption, Indigestion, Sore Throats, Dropsy, Jaundice, Secondary Syphilis, &c. &c. Sold at the Establishments of Professor Holloway, 211, Strand (near Temple Bar), London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: - 1s 1/4, 2s 3/4, 4s 6d, 11s, 22s, and 43s each Pot. There is a considerable saving by taking the larger sized Box. N. B. - Directions for the guidance of patients in every disorder are affixed to each Box.
