SAY, DO YOU REMEMBER WHEN —

The above well known gentlemen of Montague whose ages total 321 years were photographed earlier this week as they were sitting enjoying the passing scene and the afternoon sun. If this bench, situated in front of the Maritime Electric building, Main Street, Montague, could speak, what an interesting story it could tell. Some of the remarks while being photoed were: your camera will never stand it; you better get this in paper before something happens to one of us; how is so and so now; Who is that man; Where did they move to; I saw so and so this summer, this first visit to Montague in 40 years. These gentlemen are brim full of history of Montague and like to spin a yarn of the old days of Montague Bridge. They are left to right, W.D. Johnston, 83; R.K. Clements, 77; W.F. Steele, 77; and Archibald Hamilton, 84. All are enjoying good health.

THIS WEEK AT SDU

Record Student Enrollment Jams University Facilities

By CHARLEY McMILLAN

St. Dunstan's opened its doors Monday to the largest student body in its 109 year history. The student body is so large in fact that nearly 200 students will reside in Charlottetown homes.

The freshmen, the largest class on campus with 225 students, were the first to register. All during the week, the frosh were treated to various activities by the senior class. These included a "Meet the Faculty" night Wednesday, horseback riding, a wiener roast Thursday and a variety show and get acquainted dance Friday.

Besides the entertainment, the Seniors provided transportation assisted in the scheduling of courses, and the acquiring of accommodation for students in town.

As a part of the initiation for the new arrivals, the Freshettes challenged the Freshmen to a scavenger hunt. The list of articles to be obtained were drawn up by a few imaginative seniors.

According to the rules— the losers were to scrub the steps of Marion Hall or Dalton Hall with toothbrushes— according to the winners. Among the 50 items that had to be found in three hours were: the signature of Premier Shaw (who was in conference at that time); a cheque for $280 from our Bursar; a cheque for one cent from the treasurer of the Alumni. Father MacIntyre (He was asked two minutes before a class), a live pigeon and a field mouse; a meal at the Bishops Palace (courtesy of Sister Mary Claire); some paint off the old Hillsboro Bridge; four doctors signatures at the Charlottetown Clinic; and the signature of the principal of Queen Charlotte High School. Surprisingly enough, all of the above and many more were obtained except the live pigeon. The teams ended tied but the girls had their last item in first so a battalion of embarrassed Freshman cleaned the steps of Marion Hall.

FOOTBALL PRACTICES

For the past two weeks, 30 men have been working out under the supervision of Ed Hilton head football coach of the SDU football team.

The first game of the year is scheduled for next Friday when the Saints travel to Shearwater. Of their seven games this season, only three will be played at home. Their road games are: October 5 (St. Mary's); October 26 (Acadia) and November 9 (St. F.X.). The first home game is with U.N.B. on Saturday, October 12, with Mount A coming the following week. Stadacona finished the schedule on November 7.

There will be almost an entirely new lineup this year since there are only four players back from last year. As yet there has been only one injured player, the captain and assistant coach Lennie Ellis. He has been hampered by an injury picked up last year.

GARRITY TO COACH

Frank Garrity will coach the Junior Varsity team this year. The Jaycees are supposed to start practices on Monday or Tuesday. This year the high school will have a fully equipped team for the first time. Parker Lund and Ian MacDonald will look after the coaching chores on this team. It is hoped that the students who play high school ball and perhaps a year of Jayvee will be in a much better position to play with the Varsity.

Charlie Ryan's Juvenile Leglonaires travel to Chatham today to meet a Grand Falls team for the N.B.-P.E.I. championship. The Legionaires won the Island title last week in a close battle with Summerside. I mention this because seven players on that team are from St. Dunstans, three in high school and four in Freshman year. Outfielders Carl McQuaid, Freddie MacDonald and Cyril MacDonald represent the high school while Walter Bradley, Mike Kelly, Jim Duffy and Alan Connolly are the veterans on the team. If the Juveniles beat Grand Falls, they will play the Nova Scotia winner, probably next week.

However, sales in the January-July period were 1.4 per cent greater at $17,252,900, compared with $17,019,000 a year earlier.

Bread shipments declined 6 per cent in the second quarter of 1963 to 411,143,000 pounds from 413,763,000 in the same period a year ago. In the first six months of the year shipments were down .5 per cent from last year at 802,141,000 pounds.
