ANNUAL MEETING

(Continued from page 14)

ident, will be giving a full report of their activities later in the meeting, I will now only extend to them our sincere appreciation for their work.

"It is interesting to note that the Friendship Club of The Blind in Charlottetown has not only provided monthly entertainment for the blind but has introduced cribbage playing which has created much enthusiasm among club members. Through the generosity of Mr. Joseph MacDonald of the Rollaway, alleys have been provided free once a week, to ten blind bowlers who have been coached by enthusiastic members of the Charlottetown Lions Club.

"In our Prevention of Blindness Programme, 55 persons received eye service through this Institute in the form of eye examinations, glasses, eye medication and an operation compared to 10 persons in 1954-55. This unusual increase is due in large measure to an influx of cases formerly handled by the Red Cross and to the close co-operation between the public health nurses and this Institute. Another phase of this work has been the holding of two very successful essay writing contests on "Care of the Eyes" sponsored by the C.N.I.B. and the Lions Clubs of this Province. Pamphlets on eye care were provided by the C.N.I.B. and prizes were donated by the Lions Clubs.

"The treasurer will be giving a detailed report on the income and expenditures for the year but I feel that I must record in this report the fact that due to unforseen obstacles we were not quite able to reach our Campaign objective but I feel sure that our weak points can and will be overcome in our next financial drive.

"In closing may I extend thanks to the radio, the press and the many others - individuals and groups - who have made it possible by their assistance and their financial support, for us to carry out these services on behalf of the sightless people of Prince Edward Island."

AUXILIARY REPORT

A comprehensive report, outlining the social activities of the blind, was given by Mrs. S. G. Peppin, president of the Charlottetown Women's Auxiliary to the C.N.I.B. This included Easter gifts to the blind of Charlottetown, the annual picnic at Stanhope Beach and the Christmas party in December.

The treasurer's report on expenditures for the year 1955 - 56 was presented by Mr. T. D. DeBlois.

During the meeting campaign dates were set for Oct. 15 to 27 with a campaign objective of $9000.00.

Among those present were P. C. Bower, who is in charge of the Charlottetown Office and Mr. L. D. MacKay and Mr. Frank Myers who are new members of the Board.

With him in the car were Germain M. Voisine, 17, and Andrea Gavin, 17. Both are patients in hospital here.

"Not Guilty" Verdict Given In S'side Stolen Goods Case

A verdict of "not guilty" was reached by a petit jury after brief deliberation in the trial of Albert Gallant of Summerside charged with unlawful possession of stolen goods in Supreme Court, Summerside yesterday. Mr. Justice Mark R. MacGuigan presided.

The charge resulted from the theft of ale, cigarettes and a small amount of cash from the Canadian Legion Home, Summerside on the night of December 9th, 1955. Two Summerside men, Lawrence (Larry) Gallant and John (J.B.) Perry pleaded guilty to the theft in police court shortly afterward. Perry received 15 months in jail while Gallant elected the penitentiary and was given two years. The accused was later implicated when it was discovered that he was driving the taxi that transported the stolen goods to a house on Hanover Street.

Evidence yesterday revealed that the accused had no knowledge that the goods were stolen He was answering a call for a taxi and his fares turned out to be Perry and Gallant, who had hidden the stolen goods behind the Olympia Ice Cream Co. plant. According to testimony the loot was placed in the taxi by Gallant and Perry while the accused remained behind the wheel and had no knowledge as to what was the nature of the goods. Four Crown witnesses were heard including James T. Hogan, secretary-manager of the Canadian Legion; Cnst. Elmer Matheson, Summerside police force; Chief of Police Peter R. White; and Mrs. Marion Taylor, to whose home the stolen goods was taken.

The defence called three witnesses, Roy Gallant, a Summerside taxi driver; John (J.B.) Perry, who is serving fifteen months in Pince County Jail for the theft; and the accused, Albert Gallant.

D.O. Stewart, Q.C., prosecuted while J.A. MacDonald, Charlottetown, was counsel for the defence.

The petit jury was comprised of Messrs. John Scott, Summerside (foreman); Joseph Caseley, Spring Valley; Lorne MacCaull, North Bedeque; Charles McCardle, Middleton; Ralph MacCaull, Carleton Siding; Ernest Walker, Summerside Hugh John McIvor, Kinkora; Edwin Bernard, St. Eleanors; Ivan Dawson, Central Bedeque; Alonzo Holmes, Spring Valley; Thomas Duncan, Howlan; Lemuel Trenholm, Summerside.

Board of Trade Will Sponsor West Prince Swimming Event

The Alberton and West Prince Board of Trade at their regular meeting in the Alberton library last night, decided to sponsor the annual swimming event between the Montrose and Kildare Bridges as a means of publicizing the western part of Prince Edward Island. Mr. Earle Atkinson of Alberton, who originated the contest last year, was appointed chairman of a committee to make the necessary arrangements for promoting and enlarging the meet.

President of the board, J. Frank Bryan, presided at the meeting which was well attended by representatives from Ellerslie to Tignish.

In adopting the by-laws it was noted that the seal and charter of the board goes back to 1903.

Harvey Hutt reported progress to date on a resolution requesting an investigation into proposed improvements to Alberton harbour, and following the reading of correspondence on the matter, it was approved that a further resolution be drawn up urging a hydrographic survey this year.

Following a discussion of the present mail situation in Western Prince County, president Bryan was empowered to select a committee to work with the Summerside Board of Trade in investigating the present unsatisfactory situation and report at the next meeting.

Reports were heard from the educational, entertainment and tourist committees. The next meeting of the board will be held in O'Leary on Sept. 5th. at 8 p.m.

Abram's Village Workshop Favors Royal Commission

A meeting was held Friday evening last, in Abrams Village uniting the teachers from Egmont Bay, Mont Carmel and Wellington parishes, in the form of a workshop: Similiar meetings were held in several centres within the local Teachers' Federation of Summerside. The meeting was presided over by Mr. Francis C.Blanchard, principal of Abrams Village school, while Mr. Armand Arsenault acted as recorder. Thirteen teachers were present.

The main question discussed was the Royal Commission: its need, arguments for and against.

All the teachers were unanimous as to the fact at a Royal Commission be named to study all the problems regarding the educational system in P.E.I. But it was pointed out that such a commission, named by the government would serve as a political football. Like the Commission Hope, named by the Government of Ontario, the politicians can manage to prolong the preceedings of the commission over any period they wish.

Many stated that the people of this region are not aware of the need of a commission because they do not understand the problems. Therefore the problem which fronts the profession is the planning of a course of action to be taken to instruct the public of the necessity of education.

Most of the group thought that the commission should look into the whole system: finance, teacher training, administration units, curriculum.

CERTIFICATION

There seemed to be a general opinion that a certification board be appointed, responsible in the issuing of licenses, etc.

Of all our problems, said many of the group the question of public relations is the most important. We must contact the public. When the public will understand the necessity of education then the authorities will take the necessary steps to improve the situation. It was suggested that meetings be held in different regions inviting teachers to meet with the trustees of the different districts and discuss the problems.

The teachers left the meeting looking forward to future workshops. They found this a great means to help the teachers understand the problems in education.
