It seems probable that the United States
Congress will refuse the Administration's
request that permission be given for the
laying of the Vancouver-Sydney cable at
Newber Island. A member of the Senate
Committee on Foreign Affairs is reported
as saying that refusal will be given on
the ground that Great Britain would thus
secure a cable which in times of war
might be used to intercept the British
Government for military purposes. He
points out that the Canadian Pacific
would be the connecting link in the
chain. The fearsome regard which foreign
politicians always show for the Canadian
Pacific, as a military agency in the event
of war, is one of the best justifications
of Canada's policy in achieving the con-
struction of the national highway.

HOW TO TREAT A COLD.
Don't stuff a cold, as the old sage ad-
vised if you do you will have a feverish
stomach. A genuine cold is a shock re-
ceived by the million nerves which ap-
proach near the surface of the human
body, and which control the nearly seven
million pores of the skin. This shock
closes the pores of the skin, is transmitted
to the nerve centre and back to the
mucous membrane, forcing a great
amount of blood to these membrane,
creating more or less febrile action, and
consequent fever, inflammation, dryness,
watery discharge and catarrh. The shock
may have its cause from a chill, from im-
proper eating, a nervous fright and vari-
ous other causes. It is not a disease, but
a symptom of a disease, and should be
treated as such. The shock may be
prevented by the use of a preventive
remedy, which will keep the pores of the
skin open, and the mucous membrane
soft and moist. The shock may be

CAUSE AND EFFECT.
Death the Invariable Result of Neglected
Kidney Disease.
Lower Jordan Bay, N.S. Jan. 21.—The
majority of human ailments can be traced,
either directly or indirectly, to a diseased
condition of the kidneys. Kidney disease
may not be suspected for the reason that
these organs have few nerves of sensation,
and may be even in a condition of ad-
vanced disease before the true condition is
discovered. Ninety per cent. of all diseases
may be prevented by using Dodd's Kidney
Pills. Samuel Locke's case, which caused
such widespread interest throughout this
province, is a case in point. The price at
which Dodd's Kidney Pills are sold places
them within the reach of all. They may
be procured from all dealers at fifty cents
per box or six boxes for \$2.50. Take no
imitations.

Hands and ankles raw.
For years I have been a great sufferer
from itchy, swollen and sore hands.
My hands and ankles were literally raw.
The first application of Dr. Chase's Ointment
allayed the burning, itching sensa-
tion. One box and a half entirely cured
me. It is also instant relief for chilblains,

said a gentleman recently, "and have never
received so much genuine relief as I have
from your twenty-five cent box of Haw-

**What is
CASTORIA**

Castoria is Dr. Samuel Pitcher's prescription for Infants
and Children. It contains neither Opium, Morphine nor
other Narcotic substance. It is a harmless substitute
for Paregoric, Drops, Soothing Syrup, and Castor Oil.
It is Pleasant. Its guarantee is thirty years' use by
Millions of Mothers. Castoria destroys Worms and allays
feverishness. Castoria prevents vomiting, Sour Curd,
cures Diarrhoea and Wind Colic. Castoria relieves
teething troubles, cures constipation and flatulency.
Castoria assimilates the food, regulates the stomach
and bowels, giving healthy and natural sleep. Cas-
toria is the Children's Panacea—the Mother's Friend.

Castoria.
"Castoria is an excellent medicine for chil-
dren. Mothers have repeatedly told me of its
good effect upon their children."
Dr. G. C. ORSON,
Lowell, Mass.
Castoria.
"Castoria is so well adapted to children that
I recommend it as superior to any prescription
known to me."
H. A. ACHESON, M. D.,
111 St. Oxford St., Brooklyn, N. Y.
"Castoria is the best remedy for children of
which I am acquainted. I hope the day is not
far distant when mothers will consider the real
interest of their children, and use Castoria in-
stead of the various quack nostrums which cry
distracting their loved ones, by forcing opium,
morphine, soothing syrup and other hurtful
agents down their throats, thereby sending
them to premature graves."
Dr. J. F. KINCHELOE,
Conway, Ar.
"Our physicians in the children's depart-
ment have spoken highly of their experi-
ence in their outside practice with Castoria,
and although we only have among our
medical supplies what is known as regular
product, yet we are free to confess that the
merits of Castoria has won us to look with
favor upon it."

ONLY.
Only to see her, darling,
Only to hear thy voice,
Even its faintest whisper
Would make my heart rejoice,
Only once more to see thee,
And feel thy sweet caress;
Only once more to hear thee
In tender accents bless.
Only once more to whisper,
"Oh, love! be true to me;"
Only once more to hear thee
Say, "I'll be true to thee."
Only once more to clasp thy hand
And press thy lips to mine;
Only once more to feel thy heart
Is beating close to mine!
Only once more to linger
So lovingly by thy side,
But fate, with outstretched finger,
Points over the ocean wide.
Only once more, and I shall be
On the waters' side,
And send a message to thee:
To say I'll e'er be true.
F. J. Davis.

All About Phosphorus.
Phosphorus is one of the most potent
life giving principles, and is found abun-
dantly in the Norwegian Cod Liver.
Combined with hypophosphites of lime
and soda, it forms the wonderful blood
creator known in science as Miller's Emul-
sion of Cod Liver Oil, produced from the
Norwegian fish is the best preparation of
this oil in the world. Its flesh and blood
producing qualities enables the sufferer to
gain mastery over consumption and
commence a new life under higher physical
conditions. Miller's Emulsion is the great
nerve strengthener and blood maker, and
cures Coughs, Colds, Bronchitis, and
all Lung affections. In Big Bottles,
50c. and \$1; at all Drug Stores.

"I was sorry to learn that your husband
is sick," said the caller.
"Yes," was the reply. "It was really too
bad. He took such a liking to you, that
he thought of health food that he over ate himself."
—Washington Star.

With Invalids.
Yes! with invalids the appetite is op-
pressed and need cooking, that is just the
reason they improve so rapidly under
Scott's Emulsion, which is as palatable as
cream.

A remarkable cure.—J. W. Jennison,
Gilford spent between \$200 and \$300 in
consulting Doctors; tried Dixon's and all
other treatments but got no benefit. One
box of Chase's Catarrh Cure did me more
good than all other remedies, in fact I con-
sider myself cured, and with a 25 cent box
at that.
