MACARTHUR

on the striking power of U. S. forces. He denied frequently the suggestions of Democratic Senators that a widening of the war in Asia might provoke a third world war.

On the contrary, MacArthur said, letting the Communists succeed there is the surest way of inviting them to start a general war. MacArthur proposes that the U. S. blockade the whole China coast including the Soviet naval base of Port Arthur. He discounted the possibility that a blockade of Port Arthur would bring Russia nearer to war.

Trinity Church Afternoon Auxiliary

The Afternoon Auxiliary of the Women's Missionary Society of Trinity United Church, Charlottetown, held their May meeting on Thursday in the Social Hall, with the president, Mrs. G. M. Avarid presiding.

Miss Mabel Newsome was in charge of the worship period taking as her theme, "Communion with God." After singing Hymn 146, "Break Thou the bread of life," Mrs. Harold Newsome read the scripture lesson, from Mark 3:13-15 and St. John 10:1-11, and led in a beautifully consecrated prayer, remembering especially our two Island Missionaries, Miss Beryl Morson and Miss Elma Inman.

Miss Newsome, as always, thrilled her audience with such a quiet, sincere message, basing her theme, especially on the words, "Shall go in and out and find pasture," taken from the above scripture reading. She said, "We must first go in and find pasture—Communion with God—until our souls are kindled with such a flame that we, then must go out and tell others. She told of an incident, which she always remembered, while a student at The United Church Training School, Toronto, of hearing a missionary from Africa speak to them on this same verse—"I am the door." This native African missionary had learned of Jesus and came to Canada, pleading for others to give God time to enter their lives. Miss Newsome closed with prayer and Hymn 146, "Breathe on me, Breath of God."

The business period consisted of the reading of the April minutes and treasurer's report, which were approved and adopted as read. Mrs. Windsor, Community Friendship secretary, reported for her committee, 157 calls made during the month. Letters were read from three Presbyterial Secretaries, namely, Temperance and Christian Stewardship Secretary, Miss Louise Calbeck, Community Friendship Secretary, Mrs. Stanley Thompson and Supply Secretary, Mrs. Wilber Webster; also a thank you note from member.

Mrs. R. E. Mutch gave a short synopsis of the 4th chapter, "Through Partnership in Church Work," of the Study Book, "The United Church re-enters Japan." The Award announced the worship service of the June meeting would be in charge of Mrs. L. E. Bustin, Temperance and Christian Stewardship Secretary, and Mrs. Mutch.

The business period closed, the President extended a very cordial welcome to the guest speaker, Mrs. Hazen Howard, Presbyterial President. Mrs. Howard told as her subject, "Home Missions and Christian Citizenship," a subject suggested to her by Mrs. A. J. Reynolds, Maritime Branch Canadian Service President, 1951, she said in Home Mission Year in the church. The launching of so many new churches across Canada, in order that the very large number of new citizens might have a place to worship God. Mrs. Howard closed her very interesting and informative talk with the words, "Christ has no arms but our arms to do his work today," and emphasized that Home Missions and Christian Citizenship were the two arms which Christ needs so much today to cope with the world's great need.

The repeating of the Mizpah Benediction in union, brought to a close, a meeting which left all with the feeling that as Christian women, great is their opportunity and greater still our responsibility to the task their Master has left them to do.

Family Rosary Crusade Opens In Charlottetown

The Family Rosary Crusade, a prayer campaign that has successfully swept across the United States, most of Canada and England, was officially opened in the Charlottetown Diocese yesterday. It was announced in a pastoral letter prepared by His Excellency Bishop James Doyle.

The present Crusade, which will embrace the Provinces of Nova Scotia and Prince Edward Island will be carried out under the direction of its founder, Rev. Patrick Peyton of Albany, New York. Using as its slogan, "The Family That Prays Together Stays Together," the crusade is conducted so that the practice of reciting the Family Rosary and saying family prayers may be restored in every home.

Two huge rallies, one at Charlottetown, the other at Summerside will highlight the campaign. The rally at Charlottetown will be held at the Exhibition Grounds on May 30 and the Summerside rally will take place on May 22. People of all faiths have united in the Crusade with Father Peyton. While Catholics will be asked to adopt the Family Rosary, non-Catholics will be urged to adopt for their family prayer whatever prayers they deem suitable. Father Peyton will visit Charlottetown Tuesday to confer with the Provincial directors, Rev. James Kelly and Rev. David MacTavish as well as lay organizers. Irish born Father Peyton commenced the campaign nine years ago to repay a debt he felt he had incurred when he was cured of a serious disease through prayers to the Mother of God.

A newly ordained priest in Albany, New York, he received the support of his Bishop and began speaking wherever there were audiences to listen to him.

The word of his work soon spread until it reached the corners of the earth and has been acclaimed a modern day miracle. Family Rosary radio programs were launched and out of it grew the Family Theatre which has already completed four high ranking screen films, each with a host of stars. Father Peyton deems it an absolute necessity that the spiritual and moral principles that were a part of family life in the past be restored so that the forces of evil which are so apparent in many homes may be overcome.

To this end an organization of laymen will be organized in every parish to visit every Catholic home in the diocese and receive family pledges. About 2,000 men will be organized to recite the daily Family Rosary. The huge rallies will be marked by colorful pageantry and ceremony. Father Peyton along with religious and civic leaders will speak to the group during the one and one half hour ceremonies. The high for Rally attendance during the Crusade is held by Winnipeg, Manitoba, where over 60,000 turned out to hear Father Peyton.

Service For City Hospital Nurses

A large number of nurses were in attendance at services in the Charlottetown Hospital Chapel, on Sunday morning, in observance of nurses national re-dedication day. Mass was celebrated by the Rev. J. McLellan, C.Ss.R., chaplain of the Nurses Guild. Sister M. Winifred was organist, with the nurses choir singing several hymns during mass.

The altar was very beautifully decorated with flowers placed there by Miss Teresa O'Donnell, R.N., also by the McInnis family in memory of Florence.

Following mass a communion breakfast was served in the nurses dining room by the Sisters and student nurses. During the breakfast hour piano music was played by Miss Florence Callaghan, student nurse. Mrs. G. Maddigan presided and introduced the guest speaker, Rev. Father J. McLellan.

The main theme of his address was the role of the nurse in caring for very ill and incurable patients, and he pointed out how the patient should be encouraged to spiritualize his illness; and in many ways to consider it as a blessing from God, so as to gain greater merit. He quoted from the story of Father Dennis, who dedicated his life to the care of the leper colony of Molokai and who himself contracted the disease. By this close association with them, and by his example of offering their sufferings to God the terrible plight of the lepers became easier to bear.

Following Father McLellan's address Miss Bernie Haughey at the piano led the nurses in a short sing-song.

was a Sonata by Scarlotti. The continued applause brought him back to the piano to play as an encore "The Engulfed Cathedral," by Debussy.

Other features of the programme in addition to those listed in the published programme included a solo, "The Shepherds' Cradle Song," by Miss Merle Elderskin, Summerside, and a piano solo, "Vespers," by Miss Sheila McInnis, of Charlottetown.

General approval has been heard of the kindly and helpful manner in which the adjudicators carried out their work, which at times was no easy task.
