The Montreal S. S. Picnic has been postponed until Saturday.

JAS. COLEMAN, Esq., Superintendent of the P. E. I. R., left for St. John this morning.

MILL BAKERY, J. Quirk, Prince Street, [July 17, 31]

MR. ROBERT STEWART, of Henry Morgan & Co., of Montreal, is spending his holidays on the island.

EIGHTEEN cars containing a thousand pilgrims left Ottawa on the 14th inst., for the Shrine of St. Anna de Beaupre, Quebec.

By cable to L. C. Owen, brigantine Tasma, Nicholson, master, arrived at Swansea, 16th inst., from Charlottetown—passage 21 days.

A LAD named Bernard Ritchie while fishing for lobsters off a wharf at Annapolis, N. S., on the 14th inst., fell overboard and was drowned.

BARQUE Minnie Carmichael, Taylor, master, arrived at Melbourn on the 12th inst., from Hastings Mills, British Columbia—passage 65 days.

BURGULARS broke into the post offices at Lynn and Brockville, Ontario, and stole eleven registered letters and \$500 in the former and \$1,200 in the latter.

A FINE ship of 900 tons register, to be classed ten years A 1 at Lloyd's, was launched from the shipyard of Hon. William Richards, Bidford, on the 8th inst.

A DISPUTE about the ownership of the boat found by Master E. Earle, and a few appeals from city assessment were settled by the Stipendiary Magistrate this forenoon.

"QUITE A Spectacle!"—So you will exclaim when you see the grand stock of Spectacles just opened at the Diamond Bookstore. They are warranted to be the best and cheapest made.

PREVIOUS to his departure from Pisquid East School, the Trustees presented Mr. Thomas Byrne, Teacher, with a highly complimentary address to which he suitably replied.

HON. J. H. POPE, acting minister of railways and canals, and Messrs. Schreiber, Pottinger, Archibald and Wessra, are expected to visit Halifax during the present week, after which they will come to P. E. I.

DON'T forget to attend the Promenade Concert in the Drill Shed to-morrow evening. The Orchestral Club and the City Cornet Band will be in attendance. This attraction alone will be worth the price of admission—10 cents.

NOTICE—In consequence of the continued unfavorable weather, it has been necessary to further postpone the Methodist Sabbath School Picnic until Saturday next, 19th inst., at 10 o'clock. Worth's Band will accompany the children to the grounds.

A PIECE of dry bread was given to a beggar at a parson's door, in Leeds, one day last week. The man looked and said, "It is written, 'Man shall not live by bread alone; you might give us a bit of cheese with it, guv'nor, and therepnce to get a pint.'"

THE many friends of Mr. Thomas Haythorne will be glad to learn of his arrival home last evening, looking exceedingly well. Mr. Haythorne has had a very successful year at McGill, having completed his Arts Course, and his second year in medicine as well.

A WESTERN CORRESPONDENT of the Summerside Journal says:—Messrs. Hughes & Co. are arranging for a better supply of water at their gold mines. A canal is being dug from the shore and the water will be pumped through sluiceways by powerful pumps which will be put into operation shortly.

BELIVEAU ALBERTINE and OIL COMPANY.—The Beliveau Albertine and Oil Company held its annual meeting on the 8th inst. The following were elected directors: Blair Botsford, E. B. Chandler, F. W. Hales, A. E. Killam, B. R. Barnes, D. S. Harper and A. H. Chandler. The meeting subsequently adjourned to Tuesday, the 19th day of August next.

MR. JAMES A. FRASER has opened his new Drug Store in the new place just fitted up for him next door east of Morris' Book Store. We have no doubt that Mr. Fraser, with his knowledge and many years' practice in the drug business, will find a nice business grow around him here, as there are a few better places anywhere than Summerside, providing the necessary amount of energy is put into the business.—Journal.

ANOTHER ISLANDER COMING IN AHEAD.—Edgar Hunter, formerly of Alberton, recently won first place in a bicycle race at Salem, Mass. The Beverly Citizen says:—D. Edgar Hunter of Beverly, won the race between himself and F. P. Ingalls of Salem, on Tuesday, which was a hill-climbing contest, but was not decided satisfactorily on Decoration Day. It was therefore considered best to have another trial. The final and deciding contest resulting as above stated. The race took place on Nicholas street, Salem, the prize being a Butcher's Cyclometer. Hunter is now champion.

THE TURF.—We learn that Summerside driving park is now being put in first-class condition, preparatory to a two-days race to come off about end of August or early in September. A special feature will be a stallion race open to all studs in the province, a purse of \$200 to be divided between the winning horses. All the usual races will be held in due course. The above information we have on the very best authority; and we may state that those having the business in charge are men in whom every confidence can be placed and will be satisfied with nothing short of the best and most complete arrangements possible. In fixing the date, the managers desire to have the race at such time as will be most convenient for farmers to attend. Due notice will be given soon as the time is fixed upon.—Pioneer.

OS Sunday last the schooner Arizona, of Portland, Me., arrived at Souris, having on board the dead body of a boy picked up in a dory a short distance from Port Hood. The following telegram received from Mr. Paquet explains where the boy came from:—

HARBOR BOUCHE, July 15.

Mr. Paquet, Souris: Two boys went adrift in an old dory on the 19th inst., aged ten and twelve. Their names are Decoster and Leary. Please bury in Roman Catholic Cemetery.

MICHAEL CRISPE. It appears from this that two boys drifted to sea from Harbor Bouche, and both perished. The dory in which the boy's body was found was an old American "correl" used for hauling lobsters under water. An inquest was held in view of the body, and it was as requested, buried in the Roman Catholic Cemetery.

BURNS, Scalds, Chapped Hands, Cuts, Bolls, Frost Bites, and Skin Sores of every description. It is said by those who have tested the "Magic Healer" for Burns, that it is the best and quickest remedy for extracting heat they have ever used.

For Chapped Hands or Cold Sores, it is unparalleled for its speedy and effective results, making the skin soft and pliable.

For Fishermen and persons employed in handling wet or rough articles, it is invaluable for giving the hands a smooth texture and healthy tone.

Its cleansing and healing properties are remarkable where the skin is broken by external means, while its rapid action in removing all offensive matter from Boils or Old Wounds, and forming a new skin is truly wonderful.
