Odds and Ends

There is only one way to wear a beautiful dress properly—to forget that you have it on.

It is commendable in a man to attempt to fresch old age, but highly improper for him to try to overreach it.

Simple emotion will not suffice to elevate the character or improve the life. There must be strength of will, power of self-denial, persevering efforts.

The man who is curious to see how the world could get along without him can find out by sticking a needle into a mill-pond, and then withdrawing it, and looking at the hole.

No habit is acquired with more difficulty than that of acknowledging our errors; and yet this habit is the best feature in an amiable character, and the strongest proof of a sound understanding.

Women are the poetry of the world in the same sense as the stars are the poetry of heaven. Clear, light-giving, harmonious, they are terrestrial planets that rule the destinies of mankind.

A young lady on being asked at a musical examination, "What is an interval?" judiciously replied: "It is that space of time allowed for refreshments between the acts of an opera or the two parts of a concert."

A would-be wit once said, speaking of the fair sex: "Ah, it's woman's mission to make fools of men." "And how vexed we are," said a bright-eyed lady present, "to find that nature has so often forestalled us!"

At an evening-party one of the guests preserved a strict silence, no matter what might be the subject of conversation. Theodore Hook at last advanced to to him and said: "If you are a fool you are a wise man; if you are a wise man you are a fool.

THE originator of Estey's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it. jan2 1m d&w

AN old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture and that during that time he has never suffered from a blistered tongue or parched tonsils or any other of the unpleasant effects which most tobaccos will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite its equal and that in value for the money "no other comes anywhere near it."

FOR OVER FIFTY YEARS MRS. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

will do.

Dear Sir,

Last summer I was troubled with a cough, and my physician says unmistakable symptoms of consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your COD LIVER OIL CREAM with HYPOPHOSPHITES (PHOSPHOLEINE), and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least.

I am, dear sir, yours faithfully,
Halifax. E. R. HARRINGTON.
