

GUIDES HELP PARKDALE HALL

The 15th Charlottetown (Parkdale) Girl Guides Company presented the Parkdale Women's Institute with a sum of money for the Hall, Wednesday evening, representing the fulfillment of one of the Company's programs during this, the centennial year of the birth of Lord Baden-Powell.

Members of the Company raised the money by means of a rummage sale, the community project phase of their endeavours. The above photo, taken at Parkdale Hall, depicts those active in the presentation.

Charlottetown Baptists To Erect New Church Building

Conveners had been paid. Conveners reported as follows: finance, Miss Gertrude Coady, social welfare, Mrs. Patrick McKenna; membership, Mrs. Ernest McTague; education, Mrs. Walter Morressey, who asked that the usual prizes be voted for distribution at St. Dunstan's closing exercises; citizenship, Mrs. J.E. Fleming, who reported that she had attended the annual meeting of the P.E.I. Chapter of the Polio Foundation at the Charlottetown Hotel, and was named a member of the executive of that organization.

Last night a large and well represented meeting of First Baptist Church members voted, almost unanimously, to build a new church. There were only two nays to the motion "That we build a new church and that we start immediately to find ways and means to do so".

The president thanked all who helped make the cake sale held on Saturday, April 20 in aid of Social Welfare, such an outstanding success. Arrangements were completed for the annual Tag Day, to be held from May 21-24.

A congregational meeting will be held on Wednesday evening, May 22nd, to appoint a building and planning committee. Whether to build on the present location or select a new site will be voted upon at a later date.
