New Ration Pack Tested

WAINWRIGHT, Alta., Feb. 8 — (CP) — Something new has been added to this year's winter training program at this military camp along the Alberta - Saskatchewan boundary: A new Canadian five-man ration pack now being tested for the first time in Western Canada.

It is the first Arctic field ration pack to be used by Canadian soldiers which has been designed and manufactured by Canadians.

Designed to fill the appetites of men performing hard work out-of-doors in severe winter conditions, the full day's meal for the five-man tent groups comes in a small cardboard box complete with a daily menu.

It is constructed so that the main components of breakfast and supper can be thawed out and heated in a pressure cooker while each group is still under shelter. Lunch can be eaten cold while the men are on the march.

Royal Family Has Financial Troubles

LONDON, Feb. 8 — (AP) —The royal family has run into heavy financial sledding and is unable to pay its heat and light bill, among other expenses, from its own funds, it was disclosed today.

Prime Minister Attlee told the House of Commons the Government will take over about 40,000 pounds ($112,000) worth of royal expenditures because the King has exhausted his war-time savings.

The King has been paying expenses of the Yeomen of the Guard, gentlemen at arms and some of the heat and light bill from his own funds. He has promised to scrimp and save 20,000 pounds a year in the royal establishment in the future and credit the savings to any royal deficits the Government has to make up, Attlee said.

Prices Advance For Two British Cars

LONDON, Feb. 8 —(AP)—Two British automobile makers — Vauxhall Motors Limited and the Austin Motor Company—boosted prices today because of an increase in basic material costs.

Vauxhall also cut production to four days a week starting Monday because of its "present reduced allocation of sheet steel."

Austin price increases ranged from £28 to £100 on all its vehicles. Vauxhall raised prices on its two models of small passenger cars £20 each.

LOCARNO, Switzerland, Feb. 8 — (AP) — An avalanche swept away a 70-year-old farmer near here yesterday. He was the 76th person killed by avalanches in Switzerland since start of the year.

GRAIN

WINNIPEG, Feb. 8—(CP)—Oats and barley prices were irregular, showing minor changes at the close of dull trading today on the Winnipeg Grain Exchange. Rye and flax both moved up to higher levels.

Shipper and American buying, prompted by upturns at Chicago, gave oats and barley a steady undertone. Eastern interests and processors purchased the small offerings in flax, while rye advanced under American buying.

There were no export loadings reported.

Class two wheat advanced one cent from yesterday. I. W. A. prices were unchanged.

Closing Quotations:

Oats: May 1.03 1-2; July 94 3-4; Oct 88 1-4A.

Barley: May 1.53 1-4; July 1.44 1-2—1-2A; Oct 1.33 1-4A.

Rye: May 1.96 3-8A; July 1.93 5-8; Oct 1.89 1-2B.

Flax: May 5.56 1-2B; July 5.34 1-2; Oct 4.71.
