
DISCUSSING PLANS in the Charlottetown Royals dressing room following a light practice session last night in preparation for tonight's game against the Summerside Aces are Junior MacLeod, Jack Ready Roy "Buck" Whitlock and Frankie Roper.

No doubt Whitlock is recalling the play by which MacLeod scored the winning goal on a pass from Ready against the Aces on Tuesday night. And he's probably briefing Roper on the situation as Roper will be in the Royals nets tonight.

Hockey Opens In Ch'town Tonight; Royals vs Aces

Decked out in their flashy new blue and white uniforms the Charlottetown Royals will be seeking their second successive win and the red-clad Summerside Aces their first victory when the two teams clash at the Sports Arena this evening with the game starting at 8.30.

After edging the Aces 8-7 in the final minute of play in Summerside Tuesday night in the opening game of the newly formed Maritime Amateur Senior Hockey League the Royals held a brief workout last night with only veteran Art Perry missing from the scrimage.

An attack of the flu has sidelined Perry for tonight's game and in his place coach Buck Whitlock will use Jackie Burke. Jack Ready may be moved back to his old defense post with Burke going up on the forward line.

Goaltender Frank Roper will be between the pipes for the Royals and he will be seeing his first action in the new League. He and Thane Doyle are the two regular goaltenders and Doylie made his first start against the Aces in Summerside.

Whitlock was warm in praise of the showing his club made Tuesday night. "It was a wide-open fast game and our players skated well as I had expected them to," stated Whitlock.

On the other hand the Aces are expected to be at full strength for tonight's tilt. After spotting the Royals a 3-0 lead early in the game the Summerside crew fought back to even up the score only to lose out in the final seconds of play when Junior MacLeod broke away to score the winning goal.

The game tonight will be a memorable occasion in that it will be the first time that the Charlottetown Royals have skated onto Charlottetown ice in 16 years. The last time the Royals played here they played as the Junior Royals of 19-41 with Buck Whitlock leading them to their third successive Maritime Junior Championship.

The Sports Arena doors will open at 7:30. Tickets will be on sale at the Arena all day.

Following are the probably lineups:

Summerside — Goal S. Sheppard Defence — MacArthur, Reeves, G. Grady, Steel. Forwards—W. Sheppard, Harris, Gallant, C. Grady, Hughes, Howatt, Chlow, Delaney, Schurman.

Charlottetown— Goal Doyle, Defence—Josey, A. MacLeod, McLure. Forwards—A. Carver, J. MacLeod, Dunn, Pineau, J. Ready, K. Ready, Squarebriggs, L. Sheppard, S. Burke.

SPORT ECHOES

A Hard Team To Beat

The first game our Aces had with Charlottetown's cream of the crop, otherwise known as Royals, didn't exactly fill Summerside supporters with gloom. True, it was a tough one to lose, but the victors did not show any marked superiority over Hennessey's hustlers, and if Amherst is not any stronger, it should be an exciting league.

Aces had the misfortune to lose their first-string coaler, Bobby Dillion, who was injured on his way to Summerside, but Earl Sheppard who guarded the nets for S.D.U. last year, could certainly not be charged with weakening the squad to any appreciable extent. The Royals were well in on him for most of the tallies, there may have been one soft goal, but Sheppard's stops in the second period saved the Aces again and again.

The fact that Paul Schurman will probably be out of the line-up for quite a number of games puts one shadow in an otherwise bright picture. Schurman was a scoring threat all evening, getting the hat trick for his efforts. Paul is no razzle-dazzle boy. He has been, is and will be a slower skater than some of his mates, but he never allows his legs to go over the lines in advance of his head. His fake slap shot beat the defence on one occasion to send him in on Doyle, but the scrappy net guardian stopped his hard shot. Defensively he had one lapse, but managed to heckle the puck toter long enough to enable Sheppard to come out and smother the attack.

Vance Harris is starting right were he left off last spring. Harris, who had little more than a pair of flashing skates a few years ago has picked up a lot of hockey savy since then. We expect him to be among the leaders all the way. His linemate, Wallie S Sheppard, also looked good.

Hughes didn't go on any scoring sprees as he used to do against our Aces last year, but Billy was a real workhouse all evening. Looks as if he'll be a big help. Coke Grady, one of the smoothest stick handlers in the business, was also impressive.

Our defence corps are an able quartet of hockey players with a lot of ability. We have said before, however, and we say it again, that, where most defences are geared 60 percent defensive, and 40 percent offensive, our boys are nearer a 50-50 proposition. They can skate and carry the puck with the best, and are scoring threats when they get into enemy territory. If they had one boy, like Josey for example, who was content to stay home and act as goalie-sitter when the rest of the gang were visiting, they'd be our number one choice for best defense corps on the Island. When their forwards are back-checking in mid-season form, or as they were in last year's play-offs, everything is hunka-dory, but right now before the forwards have their full skating legs, the team looks a little pathetic on that blue-line on certain, or should we say, uncertain occasions.

In spite of this, we thing Hennessey will hold those Aces into a team very hard to beat before the season is over.

Story Of Big Fight

Sir,—Back on July 8th, 1916 two men faced each other in the ring New York. They had met at the crossroads of their careers in pugilism and each knew that at the end of the fight the one who walked out the victor would be on his way up to the heavyweight championship of the world, while the other would eventually disappear from the face of the fistic world, and yet although Wild Bert Kenny (whose birthplace was St. Theresa's P. E. I.) lost that fight after sending the fans wild with hysteria he remained in the record books as one of the toughest of the two fisted punchers of his era. Like all the others of his day, he had come up the hard way to within punching distance of the heavyweight crown.

Big Jess Willard held the title and Kenny knew if he could dispose of his man on this night he would be re-matched with Battling Levinskie and then the title fight. There was only one thing in his way now as he sat in his corner, his eyes icy, cold, a furious anger burning in the pit of his stomach as his manager the wiley Charley Rose gave him his last instructions. That one obstacle was the fistic cyclone that had suddenly came out of the west sweeping all before it, John Lester Johnson, Dick Gilbert, Andy Malloy had all gone down to him, no doubt about it. Wild Bert Kenny ruminated this fellow they called Jack (the giant killer) Dempsey would have to be watched.

Kenny knew he was tough he knew he had dynamite in both fists, that he could withstand and obsorb punishment that ordinarily would floor several men. He knew something else he had to win this fight.

Dempsey started right in with his lashing tactics and drove Kenny wilder then he had ever been, in the second round Jack dropped Bert and stepped back. The neighbors for miles around dropped their knitting to harken to the bedlam that pounded from arena, steadly the referee counted over the prostrate Kenny and then clang came the bell that saved him. Round three saw Kenny taking a merciful beating without taking a count. In the fourth round, Kenny sank again to the floor, and the gong came to his rescue, Jack displayed a wonderful wallop.

Then in the last stanza, Jack broke right out and staged a series of knock-downs, three of them in a row, and with little short left hooks that only troubled a little bit. But Dempsey was behind them and there was the kick of a quarter masters mu'e in each. Kenny was a tough slugger and a big man and the beating he took for ten rounds from the boy who later was to become the heavyweight champion of the world was just terrib'e.

The State of New York did not allow decision fights in these days. It is listed in the record books as a ten round no decision bout. The future champion received only $43. for his nights work.

Kid Gavilan Wins Decision

CHICAGO (AP)—Former welterweight champion Kid Gavilan, 151, cut loose with a pressing body attack Wednesday to hammer out a unanimous 10-round decision over left-hooking Walt Byars, 146, in Chicago Stadium.

The decision brought a mixture of boos and cheers from the Chicago Stadium crowd.

In the sixth round, Byars complained of a low blow to referee Frank Sikora.

After the bell he pushed the former 31-year-old titlist away in a gesture of disgust.

Kilowatts Beat Jets 10 to 8

The Kilowatts sent the air-force Jets down to their second straight defeat at Civic Stadium last night, edging the Marshall Green's boys by the score of 10-8 Claude Gaudet scored six for the winners, helping in two others. Sterling Phillips had a goal and five assists for the Jets. Harrison scored three with one helper and Doyle had two goals and two assists.

In the second game, the Warriors vaulted to the top of the league with two straight wins, by beating the Royals 16-5. Mark Delaney, whose playing was protested by the royals, had 5 goals and 4 assists. Reg Phillips scored 4 and helped with 3, Benny Grady accounted for 3 tallies and assisted in 3, and Gerald White had 2 goals and 3 assists. For the losers, Ronohan was the leading goal getter with 4 goals and 1 assist.

Referees were Coke Grady and Ulric Gallant.

Rangers Tie Red Wings

NEW YORK (AP) — Larry Cahan scored for New York Rangers at 11:36 of the opening period and Red Kelly for Detroit Red Wings 37 seconds later in a 1-1 tie at Madison Square Garden Wednesday night that enabled the Rangers to increase their National Hockey League lead to two points over idle Montreal Canadiens.

Cahan's goal was his first of the season. The tall defenceman sent a 35-foot slap shot at Detroit goalie Terry Sawchuk after Danny Lewicki and Red Sullivan set it up.

Kelly's marker, his second of the campaign, was made with help from Gordie Howe and Norm Ullman. Playing at forward position because of injuries to several of the Detroit regulars, Kelly drilled a hard drive past goalie Marcel Paille.

The game, witnessed by 12,628 was comparatively tame. Only three penalties were dealt by referee Red Storey—all in the first period.

Leafs Defeat Black Hawks

TORONTO (CP) — Second-period goals by Bob Pulford and George Armstrong gave Toronto Maple Leafs a 2 - 1 victory Wednesday over Chicago Black Hawks in a dull National Hockey League game.

The victory was Leafs first in their last six games, five of which they lost. It moved them into a fifth-place tie with Detroit Red Wings, who battled New York Rangers to a 1-1 tie. Detroit and Leafs have 12 points, five behind Boston Bruins and Hawks who are tied for third place.

Hec Lalande gave Hawks a 1-0 lead with five minutes left in the first period but Pulford's goal at 3:41 of the second tied the score and Armstrong fired the winner at 18:25 when he banged Dick Duff's rebound off the end boards behind Chicago goaltender Glenn Hall.

Hall's play was spectacular at times, especially in the second period when Leafs peppered him with 19 shots. He made a total of 33 saves compared to 19 by Leafs' Ed Chadwick.

Martin Demands Cash From KC Athletics After Trade

By ED L. CAMPBELL

KANSAS CITY (AP) — Kansas City and Detroit swapped 13 players Wednesday and ran headlong into a free-swing attack on baseball's trading system from the deal's key figure, infielder Billy Martin.

The trade, baseball's second largest between two clubs, sent Martin and five other first-string Athletics to the Tigers in exchange for three regulars, a rookie pitcher, a young outfielder and two farmhands yet to be named.

Martin, who after eight years with the champion New York Yankees has now been swapped twice in a single year, told reporters he will demand a cash settlement from Kansas City. He indicated he may be a holdout if his demands are rejected.

"They just can't throw us (players) around from one club to another without us having a say-so," he said. "I don't have any argument with Detroit. My argument is with the Kansas City Athletics. If I am a tool of this great machine of baseball, I want to get something out of it."

George Selkirk, as director of player personnel, said the little second baseman doesn't have a change to collect from Kansas City; that the Tigers have a chance to collect from Kansas City; that the Tigers have accepted Martin's contract and "his argument is with the Detroit ball club."

Tiger General Manager John McHale said in Detroit "there won't be any contract trouble—no trouble of any kind. He's going to fit right into our organization. Everything will be all right."

Sent to Detroit with Martin were pitchers Tom Morgan and Maurice (Mickey) McDermott; catcher Tim Thompson; and outfielders Gus Zernial and Lou Skizas.

In return Kansas City got outfielders Bill Tuttle and Jim Small; pitchers Duane (Duke) Maas and John Tsitouris; catcher Frank House; and the two farm hands.

GOT FROM YANKEES

Martin, McDermott, Morgan and Skizas were obtained by the Athletics in trades with the Yankees. Thompson was purchased from Brooklyn and Zernial has been with the As since 1951 when the club, then at Philadelphia, obtained him from the Chicago White Sox.

Maas, Tuttle and House were front-line performers for Detroit last season. Small, signed for a reputed bonus of $35,000 in 1955, is just 20 years old. Last summer after completion of his bonus period, he was sent down to Charleston of the American Association for additional seasoning. Tsitouris played for Charleston most of last season.

Russians Could Surprise Canada

By JACK SULLIVAN
Canadian Press Staff Writer

TORONTO (CP) — Don't sell this Russian hockey team short.

The Reds could cause some embarrassment to Canadian prestige on their seven-game exhibition tour of Ontario and Quebec starting Friday.

The Russians showed this to a flock of interested Canadian hockey officials and players Wednesday afternoon during a 1½-hour workout at Maple Leaf Gardens. They're fast and they've learned the fundamentals of Canada's national winter sport to a fine degree.

The Reds, with only six hours sleep after a 60-hour plane trip from Moscow, whipped up and down the ice like a bunch of school kids and impressed railbirds with their hockey knowhow. There wasn't a bodycheck handed out during the scrimmage and the feeling got around that they weren't showing their best.

"We aren't a bit nervous about them," said playing - coach Sid Smith of the Whitby Dunlops, who open against the Russians here Friday night. "We'll be playing the Russians according to international rules that cut down bodychecking but we aren't worried about it. If we body-check when we're not supposed to according to the rules, we'll take a penalty that's all."

The Russians went through a free - wheeling scrimmage and amazed the railbirds with their superb condition. They meet Ontario and Quebec junior and senior clubs in their tour.

Have Riot At Garden

NEW YORK (AP) — A riot broke out at Madison Square Garden Tuesday night at the conclusion of a wrestling card.

Flying bottles, beer cans, seats and chairs were thrown from the balcony before the disturbance was put under control by a 33-man police detail. Several persons were arrested on charges of disorderly conduct.

The disorders started after referee David Hartfield gave the decision in a tag-team match to Antonio Rocca of Argentina and Eduardo Carpentier of France over Jerry Graham of Hollywood, Calif., and Dick Affils of Chicago.

Decline Of Alouettes Is Reflected In All-Stars

By WILF GRUSON
Canadian Press Staff Writer

TORONTO (CP) — The decline of Montreal Alouettes as the league's powerhouse club and the rise of homebrew Bobby Simpson of Ottawa Rough Riders to greater recognition were reflected Wednesday in the 1957 Canadian Press Big Four all-star football teams.

The end of Alouettes' runaway wiped out their domination of the all-star offensive and defensive teams over the last three seasons. Simpson added to an impressive list of achievements by becoming the first Canadian to make both teams.

The coaches, football writers and sportscasters in the four league cities who pick the squads for CP turned to the first-place Hamilton Tiger-Cats to provide the main strength for both lineups. The Tiger-Cats grabbed off four positions on the offensive team and five on the defensive.

Ottawa, knocked out of the playoffs by Montreal after finishing second in the regular campaign, got three men on both squads. The Alouettes won three offensive and two defensive berths and the last-place Toronto Argonauts placed two players on each team.

ALS DOWN TO FIVE

The selectors cut Alouettes' representation on both teams down to five from the eight they got in 1956.

Simpson was picked as the flying wing on offence and as the safety halfback on defence.

The 27 - year - old Simpson la year was the first native player in five seasons to beat out an import for one of the offensive ends positions.

He is the only homebrew offensive player picked this season but for the fourth successive year four native - born players made the defensive team — Simpson, halfback Bobby Kuntz of Toronto and ends Pete Neumann of Hamilton and John Welton of Toronto.

The Alouettes' one-two scoring punch of quarterback Sam Etcheverry and end. Hal Patterson headed the selections for the offensive team along with Hamilton halfback Gerry McDougall, the league's leading ground gainer.

SDU Beats Trotters

St. Dunstan's University defeated the Trotters and the Y.M. C. A. defeated Prince of Wales College in basketball action last night.

The Saints edged their opponents, the Trotters, 59-54 in an exciting game that was put under protest by Trotter coach, Walter LePage, when a technical foul was called that the Trotters felt was not justified.

Father Roche won top scoring honors for the night by pouring 20 points through the St. Dunstans hoop. Don Tooke scored 15 points to pace the red and white attack and teamate Bob Linegar helped with 14.

In the other game, Ron Atkinson led the YMCA to their first win of the season by defeating Prince of Wales College 60-64. Ken MacKenzie and Jim White led the Welshmen, each with 15 points. Larry Flack scored 10 points in a losing cause for the P.W.C. boys.
