CURRENCIES

MONTREAL (CP)—The closing bid on the U.S. dollar in terms of Canadian funds was $1.07 19-32, the asked $1.07⅝.

NEW YORK

NEW YORK (AP)—The stock market Tuesday took its steepest loss in more than four months as fear deepened of a U.S.-Russian collision over President Kennedy's Cuban arms quarantine.

Volume swelled to 6,110,000 shares from Monday's 5,630,000 and was the heaviest since July 10 when 7,120,000 shares changed hands.

The Dow Jones industrial average fell 10.54 to 558.06—far below the April "support level" that was being invoked only a couple of days ago.

Until late in the day the market was a typical "war scare" market—that is, with defense-related issues strong and consumer - oriented stocks weak. Then the gains which kept the over-all list on a fairly even keel began to wilt.

The aerospace issues wiped away the list's share of their gains and some even took losses. Rails, important in wartime, erased their advances and showed a parade of minor losses. Steels, very strong in early trading, kept some impressive advances, pared away others.

Union Carbide and Du Pont, big gainers in early trading, took losses—1¼ for Du Pont, 1 for Union Carbide.

Meanwhile, the consumer stocks such as utilities, retails, foods, tobaccos, and drugs, sharpened their early losses.

LIVESTOCK

MONTREAL (CP) — Trading was active and demand fair to good on the Montreal livestock market. Bull prices were steady while other classes sold 50 cents to $1 lower. Hogs were $1 lower.

Receipts were 250 cattle, 100 calves, 17 hogs and 6 sheep and lambs. Monday's other-than-regular receipts were: 1,723 cattle, 1,268 calves, 200 hogs and 300 sheep and lambs.

Choice steers sold at 27.50-28.85, good 26 - 27.25, medium 20.75-25.85 and common 12.50-20.50. Good cows were 16.25-18.50, medium 14.75-16, common 13-15 and canners and cutters 7.50-13.

Good bulls sold at 18.50-21.50 and common and medium 14.50-18.25.

Grade A hogs sold at 28 and sows 20.

Good lambs sold at 17-18 and common sheep 3-6.30.

The big international oils, weak from the start, sank lower. Standard Oil (New Jersey) dropped 2.

Meanwhile commodity prices were strong as apprehension grew regarding possible interruption of supplies of basic foods and materials.

Some shipbuilding issues kept big gains.

By the close, the ticker tape was running 23 minutes behind transactions. Its greatest lag since July 10 when it was 30 minutes behind.

The Associated Press average of 60 stocks fell 4.4 to 208.0.

An estimated $6,300,000,000 was shorn from the quoted value of stocks listed on the New York Stock Exchange, based on the fall in the AP average.

Brunswick was the most active stock, off 1⅝ at 13⅜ on 101,100 shares.

IBM fell 13 points to 330.

Prices also slid sharply on the American Stock Exchange as volume increased to 1,800,000 shares from 1,550,000 Monday.

Hudson Bay Company was untraded. International Nickel rose ¼ to 57¼, making it one of the few gainers of the day. Aluminium fell ¼ to 20.

It was the same in mines. Mount Pleasant fell 15 cents to $1.65. Keeley Frontier eight cents to 5¢ cents and Tache ½ to 8½.

Three of the indices hit new lows, industrials falling 1.0 to 89.1, utilities 3.3 to 97.1 and the composite 1.7 to 92.2. Also off were banks, down 2.8 to 108.6 and papers, down 2.0 to 87.4.

Closing sales: Industrials 257,100; mines and oils 433,200.

TORONTO

TORONTO (CP)—The stock market was pummelled into lower ground Tuesday in the wake of the erupting U.S.-Cuba crisis.

Waves of selling in the opening and closing hours drove prices down, giving that session their largest index drop since June 21.

At mid-day, the main list appeared to be firming, but as the market closed all sectors had gone into a steep decline. Industrials dropped more than nine points. Base metals, with a one-point drop, closed at their lowest level since February, 1961.

Key industrial losers included Walker-Gooderham, off 2¼, Interprovincial Pipe Line, off 2½, Abitibi, down 1½ and Bell Telephone, down 1¾.

Banks were hard hit with Nova Scotia losing 2½, Royal 2¼, Toronto - Dominion one point, Montreal ¾ and Canadian Imperial Bank of Commerce 1¼.

On the exchange index, industrials dropped 9.41 to 518.52, base metals 1.34 at 169.05. Closing volume was 4,470,000 shares compared with 3,074,000 Monday.

Among base metals, Noranda and Consolidated Mining and Smelting dropped ¼ each. International Nickel gained ¾.

Report Given On Polio Cases From Vaccine

OTTAWA (CP)—Two of the four persons in Canada known to have contracted polio after taking Sabin oral polio vaccine suffered severe permanent paralysis, Health Minister Monteith has reported.

In a written reply for Harry Harley (L—Halton) tabled in the Commons, the minister said the other two persons suffered moderate paralysis and at last examination were showing much improvement.

He said the time interval between the taking of Sabin vaccine and the occurrence of symptoms in these four cases varied from 17 to 48 days.

Mr. Monteith said that up to Oct. 6 there had been 65 cases of paralytic polio reported in Canada this year compared with 158 in the corresponding period of 1961 and 807 in the similar 1960 period.

STATUS KNOWN

Of the 65 cases this year, the immunization status of 45 was known.

Thirty-one had received no Salk vaccine and three of these had received Sabin vaccine. Six had received one or two doses of Salk vaccine and of these one had received Sabin. Eight had received three or more doses of Salk and of these none had received Sabin.

On Sept. 13 the federal health department asked provincial health authorities to suspend general use of Sabin after four persons who had received the vaccine came down with polio.

The four cases were among 4,000,000 Canadians in seven provinces given the oral vaccine this year. Sabin, a live-virus vaccine taken in liquid form by mouth, was licensed for use in Canada last March. Salk, employing a dead-virus vaccine, is taken by inoculation.

Forest Problem Gets Discussion

VANCOUVER (CP)—Dr. L. Z. Rosseau, deputy federal minister of forestry, said forest pressure for reactional use of forests must be met with intelligence and positive action instead of negative measures and restrictive attitudes.

He told the Canadian Institute of Forestry's convention here that the list of potential areas of conflict ranges from the storing of cones by squirrels for winter feeding to use of the forests around Camp Gagetown, N.B., for defence purposes.

Lands Minister Ray Williston of British Columbia said: "We have come far indeed from the times the woods worker regarded the forest as his private reserve and resented any attempts to encroach on his private domain." The forest was no longer the private reserve of the wood producer.

Deputy Lands Minister R. Deschamps of Quebec said that while conflict cannot be resolved by trying to hamper the desire of people to share in the use of forests, it would not be fair to let the forest industries alone bear the cost of the public's enjoyment.

IN MEMORIAM

CUDDY — In loving memory of a dear wife and mother, Mrs. Clarence Cuddy, who passed away October 24th. 1959.

She is gone, but not forgotten
And as dawns another year
In our lonely hours of thinking
Thoughts of her are always near
Days of sadness still come O'er us
Friends may think the wound is healed
But they little know the sorrow
That lies within the heart concealed.
Sadly missed and loving remembered by her husband and son. Harold, Christy and grandchildren.

CUDDY — In loving memory of our dear mother and grandmother, Mrs. Clarence Cuddy, who passed away Oct. 24. 1959.

In a graveyard lowly sleeping
Close beside a country road
Lies the one we loved so dearly
Gone from us to her abode.

She bade no one a last farewell,
She said good-bye to none.
The heavenly gates were opened
A loving voice said "Come".

We wonder why we had to die,
Without a chance to say goodbye
No one knows the bitter pain,
Life has never been the same.
Dearly loved and sadly missed by Florence, George, Cheryl, Gordon and Preston.

CUDDY — In loving memory of mother, Mrs. Clarence Cuddy, who passed away October 24, 1959.

A wonderful mother gone to rest
For all of us she did her best
Her life was true her heart was kind
A better mother none can find.
Lovingly remembered by Jean and Ed.

RAPSON — In loving memory of Mrs. Harry Rapson who passed away October 24, 1961.

Though her smile is gone forever
And her hand we cannot touch,
Still we have so many memories
Of the one we loved so much.

Her weary hours and days of pain
Her troubled nights are past
And in our aching hearts we keep
She has found sweet rest at last.

Her memory is our keepsake
With which we'll never part.
God has her in His keeping
We have her in our hearts.
Lovingly remembered by husband and family.

CUDDY — In loving memory of a dear mother and grandmother, Mrs. Clarence Cuddy, who passed away Oct. 24, 1959.

Gone is the face we loved so dear,
Silent is the voice we loved to hear,
Too far away for the sight or speech,
But not too far for thought or reach,
Sweet to remember her who once was here,
And, who, though absent, is just as dear.
Dearly loved and sadly missed, Kay, Leon, Clayton and Wade.
