Let these eight of practice illuminate the dark places of Theory.
THOROUGHLY Progressive Practical Institution, in which young men and women are not only taught Book-keeping (both its applications to commerce) both in single and double entry, but are trained how to do, business, by actual business transactions. The students act as buyers, sellers, traders, bankers, book-keepers and accountants, in actual business operations, and the currency issued by the College Bank and the notes issued from the Emporium, are used in bona fide business transactions, just the same as in mercantile and banking houses. Book-keeping in itself may be learned at home, but a knowledge of how to transact business, cannot be thus acquired. That our course system of training is eminently practical write for testimonials from business men, and from students who are now holding lucrative and responsible positions.

Heart Weakness

MUST BE TREATED IN TIME OR ENDS IN CERTAIN DEATH.

Some of the Symptoms are Palpitation After Slight Exertion, Sometimes Severe Pains, Dizziness and Fainting Spells—It Can be Cured.

From the Echo, Plattsville, Ont.

The Echo has read and has published many statements from people who have been cured of various ailments by the timely and judicious use of Dr. Williams' Pink Pills for Pale People, but never before have we had such personally convincing proof of their efficacy as in the case of Mrs. George Taylor, who with her husband and family reside in this village. To an Echo reporter Mrs. Taylor gave the following history of her illness and cure, and asked that it be given the widest publicity, so that others might be benefited:—"I am thirty two years of age," said Mrs. Taylor, "and in 1885 my husband and myself were living on a farm in Perth county, and it was there I was first taken sick. The doctor who was called in said I was suffering from heart trouble, due to nervous debility. All his remedies proved of no avail, and I steadily grew worse. The doctor advised a change, and we moved to Moncton, Ont. Here I put myself under the charge of another physician, but with no better results. At the least exertion my heart would palpitate violently. I was frequently overcome with dizziness and fainting fits. While in these my limbs would become cold and often my husband thought I was dying. I tried several medicines advertised to cure trouble like mine, but with no better results, and I did not expect to recover, in fact I often thought it would be better if the end came, for my life was one of misery. We moved back to the farm, and then one day I read the statement of a lady who had been cured of similar trouble by the use of Dr. Williams' Pink Pills, so I said to my husband that I would try this medicine and it seemed to me that it was my last chance. Before the first box was finished I felt an improvement in my appetite and felt that this was a hopeful sign. By the time I had used three boxes more my troubles seemed to be entirely gone, and I have not felt a single recurrence of the old symptoms. Since moving to Plattsville I have used two boxes and they had the effect of toning up the system and curing a gut indigestion. Today I am a well woman and owe my life to Dr. Williams' Pink Pills, and to my restoration seems nothing but a miracle. I was like one dead and brought back to life, and I cannot speak too highly of this medicine, or urge too strongly those who are afflicted to give it a trial."
 It has been proved time and again that Dr. Williams' Pink Pills cures heart troubles, nervous debility, rheumatism, sciatica, St. Vitus dance and stomach trouble. They make new blood and build up the system restoring the glow of health to pale and sallow faces. Be sure you get the genuine as there is no other medicine "the same as or "just as good" as Docor Williams' Pink Pills. If your dealer does not have them they will be sent post-paid at 50 cents a box or six boxes for \$2.50 by addressing; the Dr. Williams' Medicine Co., Brockville, Ont.

THEN HE PROPOSED.
 Unmoved, I saw her feather with the ear
 And trim the scull when I was but a lad.
 Unmoved, I followed her across the floor
 On boxwood wheels when skating was the
 Fad.
 I helped her bend the sturdy bow of yew,
 Yet did not fear the arrows of her eye.
 I saw her mount the hike—in bloomers, too—
 Yet did not offer for her sake to die.
 Croquet, lawn tennis, billiards, came in season,
 But never touched—serene my fancy dazed.
 She shot, fished, ran, and still I kept my reason.
 At last she took to golf—then I proposed.

The simplest public railroad now operated is thought to be one between Atami and Odawara, in Japan. It is a narrow gauge road and is run by man power. The cars have seats for four persons each, who sit back to back. A train consists of two or three cars and is drawn up hill by half a dozen coolies.

The Apple Dumpling.

Apple dumpling day was a red letter one in my boy's calendar. When I had such a dainty bit in my bag, it seldom staid there many minutes. Although I had dispatched a hearty breakfast before starting, out would come the dumpling. "Just to have a look at it and to see if it is as big as mother generally makes them," I would say to myself. Then I would turn it about and admire its size. From handling the dainty to tasting it was a sure process. "I'll have one little bite, only a nibble," I would say.
 When I had got my tooth into that dumpling, Adam with his apple wasn't in it. It was a case of once bitten soon gone. Then I would hurry on to make up for my dawdling with only the hunk of barley bread in my wallet, the joys of the dumpling behind me, and before me the day's drudgery, with perhaps a thrashing thrown in.—"Life of Joseph Arch."

Chilly.
 "Poor papa!" said Ethel. "He has a dreadful cold."
 "Must have caught it while sitting by himself," said Chollie, who knew how frigid the old gentleman could be when he tried.—London Tit-Bits.

The siege of Troy was mostly a myth. According to Homer's own figures, if there ever was such a man as Homer, Helen must have been at least 60 years of age when she first met Paris, and even in the heroic period of the world women of that age were a trifle passe.

If you are ill you need a doctor in whom you have confidence.
 If you need a remedy you want one that has been tested for years; not an obscure, untried thing that is urged upon you, or on which you save a few cents—that is no consideration as against health.

For wasting in children or adults, Scott's Emulsion of Cod-liver Oil with Hypophosphites has been the recognized remedy for twenty-five years.

IT WINS

Every time, because it becomes the true friend of the family.

The Heintzman & Co., Piano

It is guaranteed to be better than any other piano on the market.

Why So?

Because the new patent agraffe, cast in the frame of the Piano, makes it stay longer in Tune than any other. Because the old fashioned pressure bar on the string, secured by wood, screws into wood only.
 It's done away with in the new Heintzman Piano. Because quality is not sacrificed to price.
