

PROUDLY PRESENTS A DAVENPORT SUITE ENSEMBLE

A Beautifully arranged grouping to bring Grace, Beauty and Comfort to your home

Here is what you get . . .

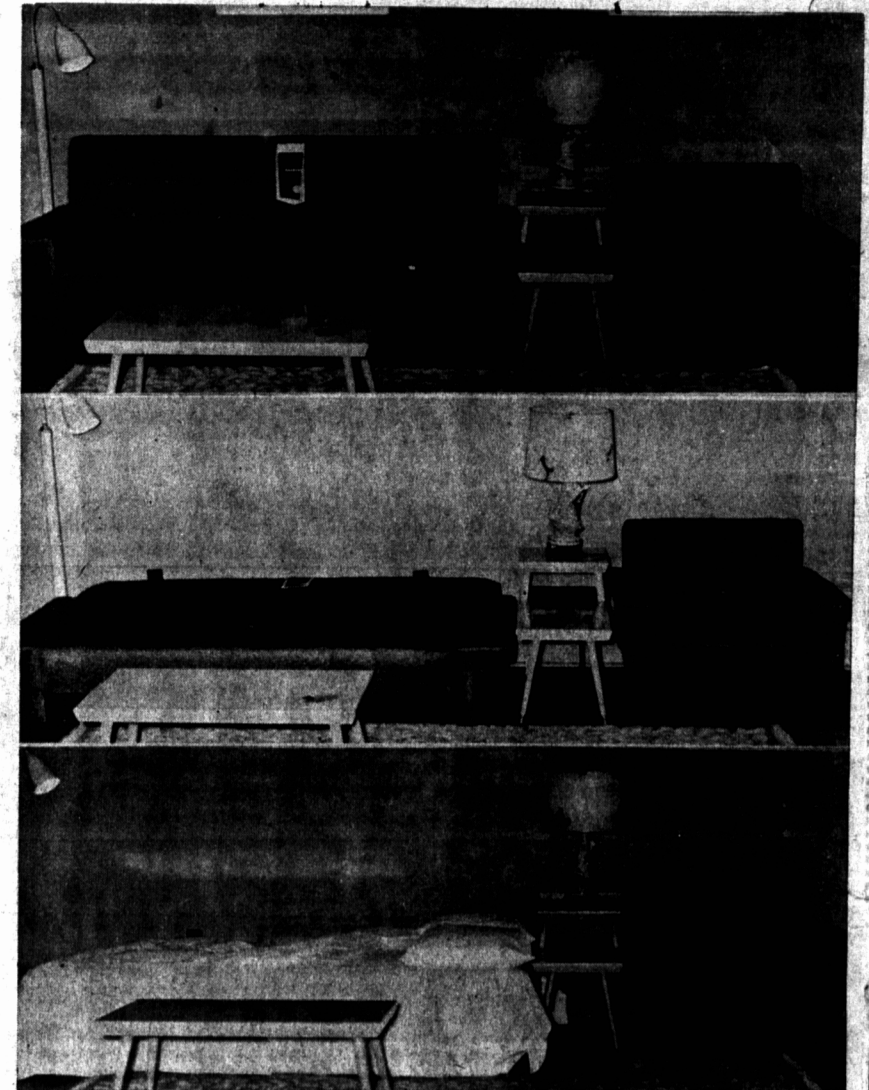

- **SKLARLINER CONVERTIBLE AND MATCHING CHAIR** — Sklarliner Convertible has magic arms that glide into the sofa surface to become a compact continental bed, a completely hidden bedding compartment, folding legs for easy moving or storing and both convertible and chair are beautifully covered in Rayon Boucle in Lipstick Red, Grey or Brown.
- **COFFEE AND STEP TABLE** in Toasted Oak — These tables have brass caps on tapered legs and arborite tops for durability.
- **FLOOR LAMP**, Gooseneck style with Enamelled Reflector, Stand and Base in choice of colors, Red, Green or Black.
- **TABLE LAMP** of decorated Porcelain with Gold Leaf and equipped with matching Fibreglas shade.

SO CONVENIENT — One purchase price takes care of the entire grouping — **NO EXTRAS.**

SO STYLISH — The very latest in Functional Furniture — No wasted space.

SO COMFORTABLE — Sklar has done a real engineering job on the Sklarliner convertible to give you a smart living room by day and a comfortable sleeping bed by night.

AND SO ECONOMICAL — During this special sale you get the entire group for the amazingly low price of only . . .

GIVE YOURSELF THE CONVENIENCES OF RUNNING WATER with one of these WATER SYSTEMS

If you are planning to build a new home or are without running water in your present home, it will pay you to see these pumps. They come in three types and each type is available in various sizes to suit your needs.

DEEP WELL WATER SYSTEM

Will supply the average domestic need to depth of 70 to 100 feet.

These pumps are suitable for installation in housing projects where more than 22 feet vertical lift is required. They are completely automatic with air and pressure controls. Tank capacity is 35 imperial gallons and are available in either direct or belt drive. All gears run in oil bath, motor is 1/3 H.P.—Priced at

LARGER TANKS AND MODELS
AVAILABLE IF DESIRED

SHALLOW WELL WATER SYSTEM

Convenient water outlets available in any parts of the home.

These pumps are compact to handle and can be conveniently and inconspicuously installed in kitchen, below the sink or under a stairway. They are completely automatic with air and pressure controls. They have a vertical lift of 22 feet, a tank capacity of 17 imperial gallons per hour, single cylinder and direct drive. The world's safest pumps made by Beatty. Priced at—
