NEW YORK

NEW YORK (AP) — An assortment of the bluest of blue chips carried the ball Thursday as the stock market extended its string of gains to three straight. Trading was the slowest this week.

Volume was 6,250,000 shares compared with 8,690,000 Wednesday.

The Dow Jones industrial average rose 3.68 to 792.09.

As profits were taken on many glamor stocks which rebounded since the market sank to a 2½-year low Monday, strength was shown by the old-line favorites.

The most widely held of all stocks, American Telephone — traditionally the favorite of the conservative investor — became the most active stock, rising 1¾ to 53¼ on 121,800 shares.

General Motors, the biggest stock in capitalization, was the fourth most active, rising 1½ to 74⅜.

DuPONT UP 3¼

Less heavily traded were other long-time aristocrats of the big board. Du Pont rose 3¼, Sears, Roebuck 1⅞ and Standard Oil (New Jersey) ⅞.

Gains of these and other blue chips were responsible for the advances in all popular averages. Among the 1,420 issues traded, 664 gained and 502 lost. Lows for the year totalled 86. There were no highs.

Among the 15 most active stocks, still dominated by the volatile high-flyers despite the increasing representation of blue chips, losers outnumbered gainers by 10 to five, the same as on Wednesday.

The Associated Press average of 60 stocks rose 1.9 to 283.9 with industrials up 1.6, rails up .2 and utilities up 3.1.

Brokers said that not only institutional investors, such as mutual funds, but also the small investors were back in the market.

LOST ¾

Among active losers, Sperry Rand lost ¾, Chrysler 1½, General Instrument 1, Raytheon 1⅛ and Magnavox 1¾.

Dome Mines and McIntyre Porcupine jumped 1½ among Canadians and Canadian Pacific and Hudson Bay Mining were up 1⅜ and 1¼. Alcan and Distillers Seagrams advanced ¼ and Internal Nickel lost ⅞. Walker Gooderham ⅜ and Granby Mining ¼.

Gainers outnumbered losers on the American Exchange but the exchange's stock index closed unchanged at $13.47. Volume was 1,410,000 shares compared to 2,260,000.

Preston gained ¾, Canadian Marconi and Scurry Rainbow low ⅛ and Fargo Oil dropped 1-16.

MONTREAL

MONTREAL (CP) — Stocks were better for the third straight session Thursday on the Montreal Stock Exchange.

However, the rally lost steam in late afternoon as profit-taking took its toll, leading many brokers to speculate that the advance may be short-lived and a new downswing may be in the offing.

Advances beat declines 81 to 54 on both Montreal exchanges combined. On the bigger list, the totals were 46 to 25.

Brinco was volume leader on the Montreal exchange for the third day, 18,865 shares being traded. The issues ended unchanged at 5¾.

MacMillan-Bloedel had 9,950 shares traded and closed ⅝ up at 24⅞.

CPR ADVANCES

CPR advanced 1½ points at 56¾ and Alcan ½ at 30. Dominion Textile stood ½ better at 29½. Atlantic Sugar and Dominion Glass each ended ⅜ up at 9⅜ and 14⅛ respectively.

Newfoundland Light was up ½ at 10. Trans-Canada Pipe Line was one point down at 26.

Hudson Bay Mining gained a full point to 72 and Falconbridge ¼ to 88¼. International Nickel lost ½ to 84½.

On the Canadian Stock Exchange, Carbec Mines picked up 3½ cents to 42½ cents in turnover of 346,450 shares. Peace River Mining climbed 35 cents to $8.25.

Industrial volume was 132,900 shares and mines and oils 1,020,500 shares. Wednesday's comparable figures were 155,-800 and 807,700.

On index, industrials added 0.49 at 145.27; utilities 1.12 at 132.55; papers 1.14 at 108.73; banks were 0.61 lower at 110.21. The composite index rose 0.50 at 139.54.

Dead Pilot Identified

HALIFAX (CP)—A pilot who was killed when his aircraft crashed Thursday shortly after taking off from Torbay airport outside St. John's Nfld., has been identified as Frank Gorman.

His home address was not known, but air-sea rescue centre here said Monday he was flying the single-engine plane to the Azores for International Aircraft Delivery of Miami, Fla.

5 Sentenced In Drug Case

NEW YORK (AP)—Federal Judge Edmund L. Palmieri has sentenced five men to from 10 to 20 years for conspiring to smuggle $100,000,000 worth of heroin from France into the United States.

"This criminal enterprise was of major proportion" the judge said. "Its possible consequences to the law abiding community, had it succeeded, are frightening to contemplate."

Jaiques Louis Douheret, Claude Lefranc and Jean Nebbia each received the maximum 20 years and were fined $5,000 each.

Fran Dioguardi, alias Frankio Dio, 49, Miami night club operator, received 15 years.

His brother-in-law, Anthony Sutera, was given 10 years and Samuel Desist, a retired army major, 18 years.

The 290-pound shipment was described by federal authorities as the largest single seizure of heroin in the United States.

No Decision On Power Sale

QUEBEC (CP) — Premier Daniel Johnson said here that nothing has been settled in connection with the sale of power from Labrador's Churchill Falls to Quebec.

He denied published reports that the Quebec cabinet is to ratify such an agreement within a few days and said that he was misunderstood Monday when he made a statement on the subject in a Montreal interview.

Published statements last week and Monday said the Quebec cabinet will soon approve the signing of an agreement over power between Quebec province and the developers of Churchill Falls, the British Newfoundland Corp.

Brinco has said it will not begin development of the Churchill site until markets have been found for the power to be produced.

Aircraft Have Empty Seats

TORONTO (CP) — Air Canada's flights have up to 500 empty seats daily despite the rail strike because passengers who make reservations are not showing up at the airports, the company said in a statement.

Seats are available to most Air Canada destinations, the statement said.

The reservations desks are handling about 1,200 calls an hour, 14,000 calls daily.

Air Canada has about 100 daily flights out of Toronto with about 8,000 seats.
