Highway directly East of DeSable school, due to a blinding snowdrift and after shearing off a long stretch of the guard rail rolled down a steep embankment, and came to rest with all 14 dual wheels pointing directly upwards.

The driver, Mr. Clifford Grey, emerged from the cab unhurt, and notified the R.C.M.P. also the owners of the Bangor, Maine express, by telephone of the accident. Dame Flora Flying Over

PRESTWICK, Scotland (CP) — Dame Flora MacLeod, 78, chief of the clan MacLeod, flies from Prestwick in North America tonight with the clan's valour drinking horn. It marks the first time the horn has left Scotland.

Dame Flora is to visit MacLeods in Canada and the United States and will spend some time with her grandson, John, a student at McGill University in Montreal. Last summer John drank two pints of claret from the clan horn to prove his mettle as a future clan chieftain.
