NOTICES

MAKE READY FOR THE 1964 CENTENNIAL CELEBRATIONS

It is not too early to look forward to 1964, the year of the Confederation Celebrations. The Island will want to look its best for the thousands of visitors who will come here at that time. You will like your home or your place of business to be as smart and presentable as the rest of the new buildings which are going up in Charlottetown. The months immediately ahead are usually ones of high unemployment. On the other hand, labour and materials are plentiful. It would be good business on your part to prepare for the 1964 Celebrations well in advance. Do not leave it to the last moments. Do it now.
