CAPT. GEORGE IRVING. jan17-1m

On the Use of Campbell's Wine of Beech-Tree Creosote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Glimbert, the two specialists so highly recommended by public opinion, have originated with all the proposed medicines against Pulmonary Tuberculosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiences, based upon the anti-septic method, having specially in view the destruction of the Bacilli.

After a few days use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the subsiding of the fever, and the rapid recovery of appetite and strength. When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. Those excellent results need not astonish us, if we consider the lucky natural associations of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather.

WHAT?

McLeod & McKenzie, Star Merchant Tailors.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we shall endeavor, as heretofore, to present facts so undeniable as to be beyond the reach of dispute. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as leaders in the great race for supremacy, that we should look well to the foundation upon which those assertions are based. To throw the mantle of charity over such people is our motto; and instead of revealing to the public gaze, through your columns, the errors into which they have fallen, we will endeavor to lead them gently into the light. That you will acquiesce in what we say, is a foregone conclusion, namely, as Fathers of the trade in this Province we treat the several branches of the trade in this city with the same consideration as a loving parent would his innocent offspring; and to this end we invite such traders to aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. In the meantime, call and see our handsome goods, in NAPS, MELTONS, SCOTCH TWEEDS, WORSTEDS, etc., made up in the latest styles and cheap.

THE LADIES!

A New and Distinct Form of Disease which is afflicting Canadian Women. How some of them Regained Fresh Complexion, Perfect Health and Superb Physical Beauty.

A great London Physician says that he notes a new and distinct form of nervous disease produced in Canadian women by worry about servants and overwork in caring for the home. This is only too true. It is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have found the means to sustain their failing strength, to give color to the cheeks, and new life and vigor to the body, in Paine's Celery Compound. This pure and scientific remedy is especially adapted to the needs of women, and is daily making the most remarkable cures. Mrs. W. E. Cooper, 60 St. Hyppolite St., Montreal, was for a long time troubled with nervous headaches, loss of appetite, low spirits, etc. After using the Compound, her headaches disappeared, appetite was good, and her spirits revived.

Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

Many a Canadian lady has the same reason to be grateful. Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & CO., MONTREAL.
