

LLOYD'S
Register of British and Foreign Shipping.
Established 1834.

IT having been represented to the Committee that much inconvenience and loss will be incurred by the Ship-builders in the British North American Colonies, if the Regulation passed on the 15th May last, "That on and after the 1st July, 1857, Ships which proceed to sea without being fastened with the Iron Knives and Riders prescribed by the Rules, will have one year deducted from the period to which they would otherwise be entitled to be classed in the Register Book;" to be carried rigidly into effect; NOTICE is hereby given, that with a view to obviate, as far as practicable, the inconvenience complained of, arising from the difficulty at present experienced in obtaining the Iron Knives and Riders required, it has been this day resolved to postpone the application of the Regulation above quoted until the 1st January, 1858, after which time its provisions will be strictly enforced.

By order of the Committee,
CHARLES R. COCKER, Lloyd's Surveyor.

For Sale,
THAT valuable Building in Queen-street, known as the CITY DRUG STORE, together with the land upon which it is erected. The premises are at present leased from year to year, and will be sold subject to such lease. This valuable property is too well known to need further description.
—ALSO—
Five hundred acres of valuable WILDERNESS LAND, in one block, situate on Township No. 49. This tract is situate on the boundary line of the Township, and runs to the Pisiquid River—is well watered and covered with timber trees, principally hardwood, and worthy the attention of speculators. For particulars, apply to W. H. POPE, Charlottetown, Dec. 15, 1856. (all papers &c.)

Rare chance for Traders, &c.
FOR SALE, the unexpired term of 20 years of that House in Dorchester-street, now in the possession of the subscriber, subject to the yearly rent of £25 per annum, one part of the house now rents for £18, consisting of front room and kitchen, down stairs, and three bedrooms up stairs, and the other now occupied by the subscriber, and six bedrooms up stairs. It is in good repair, and would be suitable for either a business stand or Boarding House. If not previously disposed of, will be sold at auction on the 20th April next. Valuable Property at Cascumpec for Sale.
FOR SALE, and possession given immediately, the subscriber's interest in that valuable Business Stand in Cascumpec Harbour, in the immediate neighbourhood of the public wharf. This property is one of the best situations in Prince Edward Island for a general business. The waters in the neighbourhood team with abundance of every description of fish, which renders it a desirable stand for the prosecution of that valuable branch of trade, whilst the harbour is the rendezvous of the whole American and Colonial fishing fleet (to the number of 800 sail), the outfitting of which could be made a most important item; and the country in the vicinity is fast rising into importance in an agricultural point of view, rendering the property every day of increasing value. The embarrassed circumstances of the subscriber is the cause which renders the sale of this property necessary. Misfortune in trade in 1854, which he has been unable to retrieve, has prevented him prosecuting that business for which the situation is adapted, and which the resources of the country warrant in undertaking. For terms and particulars apply on the premises to Cascumpec, March 9, 1857. ADAM C. FIFE.
Should the above property not be disposed of before the 2d of June, it will be offered at Auction on that day.

HOLLOWAY'S OINTMENT.
CIRCULAR TO THE SICK
The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and heating properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption, which underlie the external evidence of disease and neutralize the fiery elements which feed and exacerbate the malady.
RHEUMATISM, SCROFULA, ERYSIPELAS.
These are among the most terrible and agonizing diseases yet in their worst forms, and when severely incurred, they invariably disappear under a persevering application of this soothing, healing, antiodote to pain and inflammation.
KING'S EVIL, FEVER SORES, STIFF JOINTS.
In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.
DISCHARGING ULCERS.
A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.
A WORD TO MOTHERS.
The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.
SIGNIFICANT FACTS.
This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
ULCERS, SORES, AND TUMORS.
The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent.
WOUNDS, BRUISES, BURNS, AND SCALDS.
In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.
Both the Ointment and Pills should be used in the following cases:—
Bad legs
Chiegro-foot
Fistulas
Sore-throats
Bad Breasts
Chilblains
Gout
Skin diseases
Burns
Chapped hands
Glandular Swellings
Scurvy
Bunions
Corns (Soft)

Sore-heads
Bite of Mos-
citos and Con-
tracted and Rheumatism
Ulcers
Sand Flies
Stiff Joints
Scalds
Wounds

HOLLOWAY'S OINTMENT.
CIRCULAR TO THE SICK
The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and heating properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption, which underlie the external evidence of disease and neutralize the fiery elements which feed and exacerbate the malady.
RHEUMATISM, SCROFULA, ERYSIPELAS.
These are among the most terrible and agonizing diseases yet in their worst forms, and when severely incurred, they invariably disappear under a persevering application of this soothing, healing, antiodote to pain and inflammation.
KING'S EVIL, FEVER SORES, STIFF JOINTS.
In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.
DISCHARGING ULCERS.
A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.
A WORD TO MOTHERS.
The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.
SIGNIFICANT FACTS.
This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.
ULCERS, SORES, AND TUMORS.
The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent.
WOUNDS, BRUISES, BURNS, AND SCALDS.
In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.
Both the Ointment and Pills should be used in the following cases:—
