

Agricultural. HINTS FOR THE MONTH.

Buildings.—A little labor upon them now will tell. A board here and a nail there, and a few shingles newly set, will save many a dollar's worth of loss or expense later in the season...

Cattle.—Keep them well fed, especially milch cows, and those intended for beef. Give them roots and tops from the beet and turnip field, and extra leaves from the cabbages, &c.

Grain.—Thresh as soon as practicable, and store it in secure bins, or market if prices are satisfactory. Carefully cleanse from weed seeds, etc.

Potatoes not wanted for immediate marketing are better left in the ground as late as can be safely done without danger from frost.

Celars.—Thoroughly cleanse and prepare for the reception of roots, &c.

Eggs.—Pack in salt, those laid now, for winter.

SCRATCHES IN HORSES.—C. G. Siewers, Campbell Co., O., gives his experience as follows: "The best remedy I have ever tried is to walk the horse up and down in running water two or three times a day, for a few days; this always cures my horse."

Baby Literature.

"I CAN'T DO IT."—Yes, you can. Try—try hard—try often—and you will accomplish it. Yield to every discouraging circumstance, and you will do nothing worthy of a great mind.

There is only one thing worse than ignorance, and that is conceit. Of all intractable fools, an over-wise man is the worst.

The Subscriber has opened a Tailoring Establishment! in Mr. H. J. RICHARDSON'S Old Stand, which he trusts will be the real-Fashionable one of Summerside. If an accurate fit, a stylish cut, and superior workmanship can ensure custom, he flatters himself he shall not be without patronage from the tasty and discerning. Every trade requires brains, and none more so than the art of cutting and making up a garment to fit every variety of the human form; but some people seem to imagine that it requires no more judgment to cut a coat than to hew a log,—an erroneous idea, the effects of which are seen in the countless and ill-fitting garments we every day behold in the streets.

There is no earthly reason to prevent us Provincialists from being as elegantly and fashionably dressed as the Americans, and the subscriber will use his best endeavors to reach a "consummation so devoutly to be wished." Mrs. S. A. Allen's PREPARATIONS FOR THE HAIR.

Mrs. S. A. Allen's World's Hair Restorer is suited to both young and old. It strengthens the Hair, prevents its falling or turning grey, and imparts to it a beautiful glossy appearance. It never fails to restore GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It is not a DYE, but acts directly upon the roots of the Hair, giving them the natural nourishment required, producing the same vitality and luxuriant quantity as in youth. It will restore it on bald places, requires no previous preparation of the hair, and is easily applied by one's self. One bottle will usually last for a year, as after the hair is once restored, occasional applications once in three months will insure against grey hairs to the most advanced age.

The Restorer Reproduces and the Hair Dressing Cultivates and Beautifies. Principal Sales Office, 198 Greenwich Street, New York City. August 1, 1867.

Mrs. S. A. Allen's World's Hair Dressing, or ZYLOBALSAMUM, is essential to use with the Restorer, but the Hair Dressing alone often restores, and never fails to invigorate, beautify and refresh the Hair, rendering it soft, silky and glossy, and disposing it to remain in any desired position. FOR LADIES AND CHILDREN, whose hair requires frequent dressing, it has no equal. No lady's toilet is complete without it. The rich glossy appearance imparted is truly wonderful. It cleanses the Hair, removes all dandruff, and imparts to it a most delightful fragrance. It will prevent the Hair from falling out, and is the most economical and valuable Hair Dressing known. CHILDREN TEETHING

MRS. WINSLOW, An experienced Nurse and Female Physician presents to the attention of mothers, her SOOTHING SYRUP, FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO EGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and Relief and Health to your Infants. We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this manner "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescriptions of one of the most experienced and skillful nurses in New England, and has been used with never failing success in thousands of cases. It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRINDING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None Genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world. Principal office, No. 48 Dey Street, N. Y. Price, only 35 Cents per Bottle.
