

## V.P. Operations

Hi, I am Karen Bishop and I am running for the Student Union position of V.P. Operations. I am a third year Business student majoring in marketing.

The V.P. Operations is responsible for duties such as CIMN, external and internal advertising, the operational issues of all sub-organizations, overseeing the entertainment director, coordinating the staff and operations in the U.P.E.I.S.U., and overseeing the social committee, Orientation, Fall Fest, and Winter Car-

nival.

My extracurricular activities include President of the 1985-86 Business Society, Co-chairperson of Fall Fest and Winter Carnival 1985, and a member of the 1985-86 Hiring and Selection Board.

This year elections will be held on March 12th and 13th, with speeches by candidates in the library lounge on the 11th. I would encourage all students to vote in the elections and wish all the candidates the best of luck!

## Daniel Rodier. Scholarship student. Dedicated to becoming a marine biologist. Will he make it?

### Yes, he will.

Danny's a brilliant student. There's no end to what he wants to learn. Yet Danny's no hermit. He really enjoys a good time.

One of the things Danny's learned at university is how to keep those good times good. When he drinks, whether it's beer, wine or spirits, he knows his limit and he respects it.

Another year or so, and Danny will be working in a field that's fascinated him all his life. He wouldn't risk spoiling the opportunity for anything.

Yes, Danny is going to make it.

### No, he won't.

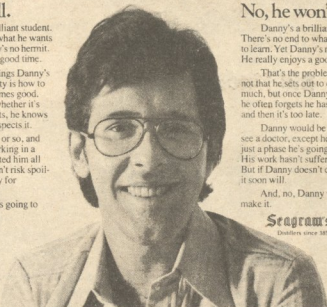

Danny's a brilliant student. There's no end to what he wants to learn. Yet Danny's no hermit. He really enjoys a good time.

That's the problem. It's not that he sets out to drink too much, but once Danny starts, he often forgets he has a limit, and then it's too late.

Danny would be wise to see a doctor, except he says it's just a phase he's going through. He won't have suffered yet. But if Danny doesn't change, it soon will.

And, no, Danny won't make it.
