To Move, Second Throne Speech

Two veteran legislators will have the honour of moving and seconding the Speech from the Throne when the Prince Edward Island House meets on Tuesday, February 26. Premier Matheson said yesterday Mr. Stephen Hessian, Q.C., Assemblyman from the fifth District of Kings will move the Address which will be seconded by Mr. George E. Saville, Councillor for the same district. Mr. Hessian's parliamentary ex-

perience dates back to 1919 when at the age of 19 he gained a seat in the Georgetown District. He was again elected in 1931 and sat in the House until 1935. After a period of twenty years away from the Legislature he was again elected in 1955.

Mr. Saville, a farmer-fisherman from Annandale was unsuccessful in his first two elections of 1927 and 1931. He first gained a seat in the 1935 general election and has been re-elected at each successive contest since. At age 76, Mr. Saville is the second oldest member of the House. Mr. Russell Clark, Liberal member for third Queens, is his senior by two years.

Agricultural Council Dinner Held At Parkdale Last Night

Last evening, the members of the Agricultural Council, with their ladies, gathered at Parkdale Hall where dinner was served under the excellent catering of the Parkdale Women's Institute. Hon. Eugene Cullen, Minister of Agriculture, was guest at the head table.

The feature of the evening was a Pick the Stars Contest with Mr. S.C. Wright as master of ceremonies. The program opened with a bagpipe solo by Mr. Bruce MacLaren. The Science Service quintette of Campbell, Read, Callbeck, Thompson and Ayers sang a group of three songs: "Stars of the Summer Night," "Standing in the Need of Prayers," and "Steal Away." This was followed by an oldtime band, "The Hayseeds," composed of Read, Campbell, LeLacheur, and Mrs. R.B. MacLaren, who rocked and rolled Turkey in the

Straw and lost their Golden Slippers in the process. UNIQUE NUMBER The final number was a "Who am I" panel composed of R. C. Parent, F.M. Nash, W.F. MacLeod and G.C. Warren. This entertainment was patterned after the famous show of the same name, and was conducted by Dr. George C. Fisher. An ingenious applause meter, especially built by a technician at the Livestock Division, was used to select the winner.

Unfortunately, on being subjected to the ovation accorded the Hayseeds, the contraption exploded. This regrettable incident will be a great loss to the entertainment world, owing to the failure of its creator to provide a set of plans. Cards were in play for the remainder of the evening.

National Secretary Visits U.C. Men's Presbytery Council

Exciting stories of men's activities across Canada were related by Ralph C. Young, Secretary of the Board of Men of the United Church of Canada who was the guest speaker at a meeting of the Men's Presbytery Council of the United Church in Prince Edward Island, held at Heartz Hall yesterday afternoon.

Mr. Young said that since the first National Conference held at Elgin House in 1953, men have been gathering in increasing numbers and at new centres from coast to coast. He gave instances where personal experiences had developed into a group movement which in turn had become community wide.

EXPLAINS ORGANIZATION The speaker explained at length the organization of Men's groups from the Council to the local organization and the individual. He reminded the men to be aware of their main purpose in life which he said was to have a more intimate knowledge of Christ

and to bring others to know Him. The meeting was conducted by the President of the P.E.I. Men's Presbytery Council, Allison MacKinnon. A short worship period was led by K.A. Parker assisted by Jack MacNair and Bruce Roberts of Kensington. Rev. Mr. Forsythe of Covehead led in prayer.

Reports of the various Men's Clubs throughout the Island were heard and indications would point to the fact that great progress is being made where Men's Associations are active.

Mr. Young made reference to the Stanhope Beach Inn conference held last Fall, stating that the success of this venture had gained national note worthiness. He predicted that a larger number would apply for accommodation at the next conference at which Dr. Harry Denman of Nashville, Tennessee is to be the guest speaker.

Following a discussion period the out of town laymen were guests of the Men of Trinity at a buffet luncheon. The meeting closed with prayer by Rev. W.A. Paterson, Georgetown.

Hospital Plans Described By Dr. MacKenzie, Bd. Chairman

Dr. Wendell MacKenzie, chairman of the Board, Prince Edward Island Hospital gave the Men's Association of the Hospital a very interesting and informative description of the difficulties in deciding on the physical additions to the Hospital.

Dr. MacKenzie pointed out that most of the difficulties centred around the design of the original building and the matter of financing which was further augmented by the tight money market at the present time.

He said the hospital did over half a million dollars business annually. The food bill was between 70-75 thousand dollars. There were 184 persons involved.

OUT-OF-TOWN MEMBERS The speaker discussed the plans of the Board of Trustees had for representation of Queens County personnel. He felt that membership in the Men's Association should include those from outside the City.

Dr. MacKenzie paid tribute to Dr. F.W. Jelks, provincial bacteriologist who, he said, was responsible for clearing up a recent infection at the Hospital. Dr. MacKenzie emphasized the fact that the infection did not initiate in the P.E.I. hospital but was prevalent throughout the general population and a problem in most hospitals throughout Canada and the United States.

The speaker was thanked by Mr. Fremont Archer, a member of the Men's Association.

MINIMUM OBJECTIVE A general discussion was held on membership and it was decided to set a minimum objective of 400 for a beginning. The week of July 8 was decided upon as the Association's week. Many suggestions for fund raising were brought forth at the meeting.
