If taken in the earlier stages of the disease, it has a more powerful power over this terribly fatal disease, than first offering this now world-famed remedy to the public. WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fulness or bloating after eating, or of "grogginess," or emptiness of stomach in the morning; tongue coated, bitter or bad taste in mouth; indigestion, flatulency, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion; irritability of temper, hot flashes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed slumber, sleep, constant, indecipherable feeling of dread, or of impending calamity? If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number of symptoms of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will relieve it. If taken according to directions, or as resorbable to the system, it will cure, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities from which the blood is derived. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Remittent, Intermittent, and Bilious Diseases, and other malarial affections.
