"Fine farmlands your Island has, Yes, I actually envy island farmers" a farmer-visitor from another Province here at week-end, remarked to ours. "No rocks or stones to bother them. Clear nice fields to work in." This is, in the main, true. A goodly land is our heritage — a lovely land with now the June smile over all.

"I bring you white lilies" Alex said presenting today the delicate, scented sprays. "I like the lilies," he smiled.  
Until tomorrow — Diary — Good-night.

"The sun was commencing to pour his little-work on our bedroom wall when we awoke. James had risen quietly before this, left his pillow beside ours, and gone out on his new day. We could hear that sound which denotes water running in the pipes to the piggery across the yard. Breakfast was being served to sows and to piglets, brown and white.

"Rise for the day is passing, white you in dreamland, that was the gist of the song birds' chant.  
A wind moved the curtains at a window, a breeze fresh and clean.  
"A wash day!" Papa Stirling called from his front door then whistled a few bars of "The Island Washerwoman" for us, a decided twinkle in the eye.  
"Odd shows we may expect today" the morning forecast said when we presently drew the tea-kettle nearer the coals.  
James came to the door.  
"That forecast doesn't sound too promising for the sowing" he offered, turning again to his chores.  
Showers and sun alternating, and a cool wind of June. The succeeding hours brought in a mixture, not unlike, it came to mind, that which makes up our years: joys and sorrows. And over all that mystical wind of hope, white throughout, played one up out of any sloughs of despond of the days and encouraged him her to try to be a better person.

The seeding continued, fertilizer was spread. Now that the more or less, and rented lands have been sown the scene must move today to fields at the other farm beyond Rob's.  
"You should see that orchard in blossom," he boasted.  
Granddaughter reported after, with James and the young ones, she had visited there. James went thither after supper it was, to satisfy himself that the sowing is being done to his liking, neither too much nor yet not

## MR. AND MRS LEONARD MURPHY Setting For May Wedding Is Holy Redeemer Church

The Church of the Most Holy Redeemer, Charlottetown, was the setting for the marriage of Mary Elizabeth Mulligan, daughter of Mr. and Mrs. John M. Mulligan to Leonard John Murphy son of Mr. and Mrs. John J. Murphy, Charlottetown. Rev. Ernest J. Maloney was officiating clergyman.

Miss Sharon Mullins sang appropriate hymns accompanied by the Organist, Mrs. Willa M. Campbell.

The bride entered the church on the arm of her father. She wore a full length gown of embroidered pique de soie, fastened with lily point sleeves and a sweetheart neckline. A crown of soft tulle held her shoulder length bouffant veil in place and she carried a cascade of yellow roses and white mums.

Miss Rose Marie Mulligan, RN, was maid of honor for her sister. She was gowned in a street length dress of sky blue and matching headress. She carried a small bouquet of white mums.

The best man was Joseph Murphy, brother of the groom. The ushers were John M. Mulligan, Jr., and Urban Murphy, brothers of the bride and groom. For a reception at the Queen Hotel, the bride's table was centered with a three tier wedding cake topped with the marriage symbol.

Ignazio Murphy performed the duties of toastmaster and called on Father Maloney to propose a toast to the bride. This was fittingly responded to by the groom.

Many congratulatory remarks were extended to the newlyweds by relatives and friends. Several hours of music and dancing were enjoyed until the bride and groom left on their trip to Maine.

## Four CGIT Girls Are Graduates

KENSINGTON — CGIT graduation ceremonies were held in the Kensington United Church recently for Marie MacKay, Sara Clark, Norma Ramsay and Valerie Bonness.

Miss Dorothy MacKenzie, senior leader, presented graduation pins to the girls, and related the plans of the church, and the contribution she had made in the life of the CGIT.

Valerie Bonness was valedictorian.

An enlightening ceremony conducted by Mrs. Alexander D. MacKay and Mrs. Harold LaRo, representing the adult organizations of the church, signified the passing on of the light from the older generation to the younger.

Mrs. MacKay and Mrs. Laird each addressed the girls briefly, pointing out the opportunities for service in the church, and stressing missions and vocations in the church.

At the same service four Ex-Lectors, Valerie Crozier, Nancy Kelly, Brenda Wain and Elizabeth MacDonald, moved to senior CGIT.

Rev. L.M. Murray delivered the message for the evening.
