## SIR CHAS. TUPPER AND HON. MR. FOSTER

### ARRIVE IN CHARLOTTETOWN LAST NIGHT.

#### They are Given a Most Enthusiastic Reception.

#### Both Make Speeches in Reply to Tupper Club's Address.

Sir Charles Tupper, the Leader of the Liberal-Conservative Party, and his able Lieutenant, Hon. Geo. E. Foster, arrived in Charlottetown by the Princess last night and were given a rousing reception. There were several thousand people on the wharf, and a crowd that was even larger at the same time lined the streets in the vicinity of the Hotel Davies, from the balcony of which Sir Charles was to speak in acknowledgment of an address. The Band of the Fourth Regiment was in attendance, and played appropriate selections on the wharf and at the hotel.

As soon as Sir Charles put his foot upon the gangway of the Princess a rousing cheer went up from the multitude followed by a "tiger." A similar ovation greeted Hon. Mr. Foster. The two distinguished statesmen were then escorted to a carriage in waiting and driven to the Hotel Davies, the band preceding the carriage.

The balconies of the hotel were brilliantly lighted by electricity, about one hundred new lamps having been put in yesterday, and on the front of the lower balcony was the word "welcome." Floating over that portion of the balcony from which the addresses were to be made was the glorious old Union Jack.

After entering the hotel Sir Charles and Mr. Foster were escorted to the balcony, and as they made their appearance the cheering which greeted them upon their landing was repeated, the immense crowd joining in with the greatest enthusiasm.

Then Mr. P. Blake, President of the Liberal-Conservative Association, announced the order of proceedings, and thanked all for their attendance and the magnificent reception accorded the visiting statesmen.

Mr. J. B. Dawson then stepped forward and read the following address from the Tupper Club of which he is president:—

To the Hon. Sir Charles Tupper, Bart., G. C. M. G., C. B., M. P.

SIR,—We, the members of the Tupper Club, representing the junior Liberal-Conservatives of Charlottetown, extend to you a cordial welcome to our province.

We deem it a distinguished honor to have as the Patron of our club the Leader of the great Liberal-Conservative Party of Canada, a most eminent statesman, illustrious as one of the Fathers of Confederation, who, during long years of public service, has done so much to advance the interests and material prosperity of Canada.

We fully recognize the large share you have had in framing the policy, upholding the principles and perfecting the organization of the Liberal-Conservative party, and we are confident that under your leadership our party shall triumph at the forthcoming Dominion election.

As loyal citizens of Canada, we are proud of the part taken by our compatriot soldiers in defence of Her Majesty's

Empire, and in upholding the British flag in South Africa, and with intense satisfaction we recognize in you, sir, the prime mover in the patriotic undertaking of sending a Canadian contingent.

We congratulate you on your excellent health, and we trust you may long be spared to lead the great Liberal-Conservative party of Canada.

Signed on behalf of the Tupper Club, J. B. Dawson, President. Charlottetown, P. E. I., September 3rd, 1900.

#### SIR CHARLES TUPPER'S REPLY.

Sir Charles spoke at some length in reply to the address. His voice was strong and clear and every word he said was distinctly heard even by those on the outskirts of the great crowd. At the outset he thanked the Tupper club for their address and for the great honor they had done him in naming their association after him. The honor was one which he esteemed most highly. The Finance Minister, Hon. Mr. Fielding some time ago made the statement that Tupper and Toryism would soon be stamped out of Canada. But it did not look as if that was to be the case. In the last municipal elections at Moncton eight members of the Tupper Club of that important and progressive town were elected. He hoped the day was not far distant when the Tupper club will represent the united voice of the electorate of Prince Edward Island.

Sir Charles said he had been forty five years in public life and he challenged any man to put his finger upon one Liberal measure calculated to benefit the people that had not received his hearty support. It was a gratification to him today to be able to stand in the position of not finding one of his opponents challenging his political acts.

Hon. Mr. Fielding has made reference to Tupperism and Toryism. But that gentleman had better look to his own record. Every one of the Liberal leaders in Nova Scotia, from 1855 upwards, with the exception of Hon. William Annand, died his (Tupper's) personal and political friends. All came over to his side. It is our proud privilege today to uphold the standard of the Liberal-Conservative party.

Hon. Mr. Fielding came out under the wing of Jones and Vail, two disgruntled Tories, and he was not entitled to the name of Liberal. Fielding opposed the greatest measure of the age—the measure of Confederation. Thirty-six years ago they met in Charlottetown to consider the matter of the confederation of the Maritime provinces. All know the result of this conference. Thirty-six years ago today was begun the strong foundation of Confederation. After the convention the delegates went through Canada, and at Toronto Hon. Geo. Brown introduced him as a man who had patriotically united with the Liberal party in promoting Confederation.

On the boat to-day he had met a great many people. There he had the pleasure of again meeting Senator Ferguson, a man of excellent ability and one of the ablest members of the upper chamber. Senator Ferguson has done yeoman service for his country. Every important measure before parliament, every measure having for its object the betterment of Canada, had his hearty support. But he had no place for corruption, and measures calculated to promote this vice met with his disapproval. He had also met Mr. Stewart, the Liberal Conservative standard-bearer in West Queen's. Mr. Stewart had made an excellent impression upon him, and no doubt he would carry the Liberal-Conservative standard to victory at the forthcoming election.

He regretted exceedingly that Hugh John Macdonald, Premier of Manitoba, was not present to-night. A mistake on the part of the telegraph operator had misled the people. But in "Hugh John's" place they had Hon. Mr. Foster, a man of excellent ability, and one of the ablest Finance Ministers Canada ever had. Therefore, the electors would not have to depend upon him alone.

## ISLANDERS WIN AT HALIFAX

### They Capture the Maritime Championship

#### DEFEATING THE CRACK ATHLETES OF NOVA SCOTIA.

#### Interesting Summary of the Different Events Carded.

[The following despatch was received from Halifax on Saturday evening too late for insertion in that day's issue of THE EXAMINER]:

HALIFAX, September 1.—The Maritime championships games were held this afternoon on the Wanderers grounds in the presence of 3,000 spectators. They were an immense success. Over 100 entries were recorded.

The Abegweit-Crescent athletic team, of Charlottetown, captained by D. A. McKinnon, won the greatest number of points, rolling up a grand total of 54 points to the Wanderers of Halifax 45.

The Wanderers are now the wonderers. The Island boys suffered severely from the effect of the trip across the Straits and were at a great disadvantage. Donahoe, McMillan and McKinnon suffered most and were not up to past form.

The finishes in the 440, 880 and mile runs brought the spectators to their feet. In the 440 yards Patea fell exhausted at the tape, and in the mile run Murphy had to be carried off the track.

The events were as follows:—Stephen, of the Wanderers, won the 100 yards; Patea, of the Wanderers, second; and Ritchie, Abegweits, third. Time ten seconds.

Stephen won the 220; Ritchie second; Harris, Wanderers, third. Time twenty-two and three-fifths seconds.

Duffy of the Abegweits won the quarter mile; Patea, second; McMillan, Abegweits, third. Time 54 seconds.

Murphy, Wanderers, won the half mile; Duffy, Abegweits, second; Adams third. Time 2.06 3-5

McDonald, New Glasgow, won the shot put; Moore, New Glasgow, second; Darke, Abegweits, third. 39 feet.

The mile run came near the last and as was expected furnished a great struggle between Capt McKinnon, of the A C A C, and Mike Murphy, W A A C. Duffy and Adams also ran. Adams paced his clubmate for three-quarters of a mile, Murphy in third position, Duffy having dropped out at the half mile. The third quarter was run very fast, and both Murphy and McKinnon appeared dead heat when they started for the fourth. Soon after the third quarter McKinnon sprinted for a lead and gained eight yards on Murphy. He tried to hold it but Murphy, coached by his trainer and cheered on by his friends, gained on him. When they turned into the homestretch they were on even terms. McKinnon made a great effort to secure a lead here, but his legs could not hold it out and he almost fell. Murphy staggered over the tape and had to be carried from the track. Time very fast—4.38 3-5.

McDonald won the hammer also; Moore second; Jones third. Distance 110 feet.

McPherson, Abegweits, won the high jump; Ruggles, Wanderers, second; Donahoe, Abegweits, third. Five feet three inches.

Corney, Y. M. C. A., won the broad jump; McPherson, second; McMillan, Abegweits, third. 20 feet.

Pole vault was won by Balseer, Moncton; Ruggles second Donahoe, Abegweits, third. 10 feet.

Hurdle was won by Ruggles; Donahoe second, McPherson third. 18 seconds.

Quarter mile bicycle was won by Anderson, Wanderers; Brown, Abegweits, second; Cameron, Abegweits, third. Time 33 seconds—a new record.

Cameron, Abegweits, won the half mile bicycle; Brown second; Schulz third. Time 1.11.

The one mile bicycle race was won by Cameron, of the Abegweits; Brown, second. Time 2.42.

After the contest the Maritime Athletic Association held its annual meeting. Mr. L. B. McMillan, President of the Abegweit-Crescents, was elected Vice President of the Association. Mr. D. A. McKinnon was elected to the Executive Committee.
