News Notes.

The longest lived people in the world are the Norwegians, among whom the average duration of life is now 48.33 years for the men, and 51.30 for the women.

Some professors who have been digging into the India mounds of Pennsylvania have unearthed the skeleton of a brave who must have stood 12 feet high.

The *Christian Register* relates this story of an English bishop: To a man who had been bothering him for promotion till he lost his temper, he said: "Dear sir, if it were to rain rectories and shower vicarages, I should present you with an umbrella."

Mrs. Moneybag of New York gave a luncheon to a party of friends in Delmonico's a few days ago at which the ices were served in Dresden powder boxes, with gold forks, which after the course were presented to the guests.

The Americans who are exploring in Mesopotami have uncovered at Niffus the old Nipur, the temple of Bel, and have found tablets with inscriptions of as early a date as 3750 B.C., with other articles of archæological value.

A leading Chinamen in New York, being chaffed on his custom of spreading a splendid feast for Josa, replied with a broad celestial grin: "Chinamen feedee his god; lazy Christian men waitee for his God to feedee him."

The Laccadive Islands, in the Indian Ocean, are suffering from a dreadful plague of rats which have destroyed the cocoanut plantations and reduced the inhabitants to destitution. The plaster of Paris cure is being tried. It consists in sprinkling plenty of powdered plaster of Paris upon boiled rice. After eating it the rats become thirsty, it is said, and when they have drunken, the water hardens the plaster of Paris and kills them.

Alcohol the Cause of Disease.

At a recent meeting in Edinburgh, Professor Simpson delivered an address in which he held that alcohol was the cause of some forms of disease; that the use (not abuse merely) aggravated troubles which it had not itself originated; that the habitual use of alcohol rendered its victims more liable to ordinary diseases, and in this connection he carefully explained that he referred to moderate use and not merely abuse of the article, and that the use of alcohol diminished a patient's power of recovering from disease. On these grounds, he held that it was best to lay such a habit aside, and that the man who abstained from alcohol at ordinary times was just the man who would find that he got the real good of it at those moments of danger when it might be urgently required.

IF THE ABOVE LINES, when looked at from a distance of about twelve feet, appear irregular or of unequal distinctness, your eyes need glasses for astigmatism. Such lenses we have made to order from optical measurement of each eye with finely adjusted instruments.

Persons who cannot read easily by artificial light ought to correct their sight by a properly fitting Spectacle. It is just as much of a mistake to go too long without glasses as it is to use them too strong. To avoid either error, call and have your eyes tested. AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork.

A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family."

$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2203 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now thirteen years old and enjoys good health."
