We Want Be Heard!

We are still looking for
volunteers at CIMN. There are
openings through the week
from 9:00AM and 4:00PM. There
are also positions available on
Sunday afternoons from 2:00PM -
6:00PM. For more information
call CIMN Headquarters at
566-0417. Be heard!

Correction

Douglas Adams' Hitch Hiker's
Guide to the Galaxy will be aired
every Thursday morning at 9:30
rather than Fridays. Sorry for
any confusion.

How to tune into CIMN

If you live in Marian or
Bernardine Hall, tuning in is
easy. Just plug your radio into
any wall socket and turn the dial
to 700 on the AM band. If you live
in Blanchard Hall or off campus,
our signal is carried on the
Island Cablevision network. Call
us at 566-0417 and we'll help to get
you wired for sound. This is
your radio station. We offer a
fresh alternative to the
programming currently offered
by other Island stations. So tune
in and give us a chance, you just
might like what you hear.

QUOTATION OF THE WEEK

I have measured out my life with
coffee spoons.
