

CURLING REPORT

Let's go curling in Cornwall. Approximately fifty people took that advice on Friday November 19 and made the trek out to the Cornwall Curling Club to take part in a curling bonspiel sponsored by the Junior Class.

The bonspiel started at 11:00 a.m. and continued until 6:00 p.m. The bar was also open during these hours, much to the delight of most of the curlers.

After the day of curling (and going to the bar) the winners were finally decided. We're not sure how they did it but the winners were Dana (who's it going to be tonight) Sanderson, Anne Coady, Doug (this is not the Bio lab) Carmody, and Mark O'Rourke. They received trophies and mugs for their efforts.

The Sanderson rink edged out the runner-up Barry McLeod rink to take top spot. The runners-up

were Barry McLeod, Graham Rodd, Steve Drummond, and Kim (can I curl on your team?) Gass. The runners-up received record albums as their prizes.

In the consolation round the winning team was Carl Nicholson, Scott Dawson,

Valena Wright, and Stephen Bishop. They received drinks and Sunday brunches from the Confederation Inn. The runners-up in the consolation round were, Donnie Walsh, Lori Lawless, Ronald (it's my Birthday) Murphy, and Debbie Tracy. Looks like it was fixed to me! They received tickets to the Main Event featuring Razor-boy as prizes.

The door prize, a stuffed "Garfield," was won by Brian MacLean. It is rumoured that Brian and Garfield were both seen later that night at a party on Victoria Street.

All in all the event was a tremendous success and

everyone had a great time. The Junior Class wishes to extend their thanks to everyone who took part or helped out in any way.

CHESS CHAMPIONSHIP

The Annual Inter-varsity Tournament will be held this year at Memorial, Newfoundland, on February 26-28.

It would be nice to see UPET challenging for something other than jock-type supremacy. Those who feel they might like to get their brain cells percolating should contact Room 208 in Main as soon as possible for further details. Four students are required to make a team.

Don't forget that practice is available locally on Tuesday evenings at the Basilica Rec Centre where the Charlottetown Chess Club meets!

PLAYER OF THE WEEK

Norman Beck and Terry Mac Kenna share this weeks player of the week honors.

In Saturday's game the Panthers were down 2 goals at 5-3. Terry MacKenna scored to make it 5-4 with 15 seconds left and Norman Beck tied the game with only 3 seconds left in the 3rd period.

Norman is a third year Psychology major and Terry is a fourth year Business student.
