### NO MORE SCIATICA.

**Valentine Fisher is Cured of His Troubles to have no return—He is doing a flourishing Fruit Tree Business.**

COLLINGWOOD, Sept. 10.—About a year ago, a telegraphic despatch from here told how Valentine Fisher, who had suffered for years from sciatica, and who was so crippled with the disease as to be unable to wory and was generally thought at death's door, was cured by Dodd's Kidney Pills. That the story was no fiction was known by all citizens of this place. That the cure is a permanent one is now just as generally known, for since his recovery, Mr. Fisher has been hard at work selling fruit trees for Chase Bros., of Rochester, N. Y., and has travelled the whole of this section for this firm with most gratifying success.

As in Manitoba, so in Ontario, in a number of places the grain crops are showing a larger yield than was at first estimated.

Why spend $1 for a bottle of medicine for a complaint when one box of Beecham's pills, costing only 25 cents, will cure nearly all known diseases? This is because constipation is the cause of nearly all ailments and Beecham's pills cure constipation. A valuable book of knowledge mailed free, on request, by B. F. Allen & Co., 365 Canal St. New York.

The Chinese and Japanese generals are said to have been negotiating for an armistice. This probably means that they will agree to stop sending out reports of victories they do not win in battles that do not occur.

"Costly thy dress as thy purse can be," is a favorite adage, but very otten the cost will not realize all the desire. Ladies are often dissappointed in the make up of the costliest fabrics they can procure. Such however have never purchased Priestley's dress fabrics which have justly earned the reputation of being the best black dress goods in existence in respect of durability, flexibility, and a fitting quality,—that is to say an easy yieldieg to nice contours—which always produces the lovliest effects.

The admiral on the Esquimault station has recognized that the commander of H. M. S Pheasant made a blunder when he took from the U. S. man-of-war the sealing schooner Wanderer in the Behring Sea a short time ago. The minister of marine received a telegram from the collector of customs at Victoria, announcing that the admiral had released the schooner.

**More Victims Than Any Other.**

There are more victims of nervous prostration in this country than any other physical or mental disability. It is the Nemesis of the man who overworks himself. But more and more of the victims are learning that Hawker's nerve and stomach tonic, sold by all druggists, is a certain cure for nervous prostration in its many forms.

Gophers have done much harm in the west, the loss from their ravages in the Regina district being estimated at $100,000. An exchange says that they shaved the fields and that the farmers are merely ranchers of gophers. Something must be done at once to suppress the pest or they will suppress the farmers.

MONTREAL, Jan. 16th.

Last summer my little girl was weak, delicate and nervous, and did not rest well at night. I gave her less than two bottles of your EMULSION, according to directions, and soon after she began to take it, she improved very fast in strength, slept well at night and lost much of that nervousness with which she had been troubled, and gained in flesh as well as strength, and has never been so well as since she took a course of your EMULSION.

"Castoria is the best remedy for children of which I am acquainted.
