GIVEN UP TO DIE.

Was Mr. E. N. Stowel', but Dodd's Kidney Pills Cured Him.

Brockville, Oct. 8.—When an eminent physician notifies a sick man that his case is hopeless and that he must die, he is, it must be taken for granted, in a pretty bad way.

That was the position of Mr. Ed. N. Stowell, of this city, not long ago. He had suffered all the agonies of Bright's Disease for several years. The ablest physicians had pronounced his case hopeless, and he had begun to "set his house in order." when a friend urged him to try Dodd's Kidney Pills. One box put new life in him, seven boxes cured him. Now his friends hardly know him for the same man.

Score one more for Dodd's Kidney Pills.
