Swept by Tornadoes.

THREE KANSAS "TWISTERS" TURN MANY HOUSES INSIDE OUT AND DO MUCH DAMAGE.

The formation of three tornadoes was witnessed at Wichita, Kan., on Saturday afternoon between half-past five and six o'clock, two about six miles south of the city and another about the same distance northwest. A depatch to the Eagle from Augusta, Butler county, says that the nothwestern twister struck that place about six o'clock, demolishing fifteen houses and wrecking the Santa Fe stock pens. W. S. Ellsworth had his leg broken by a flying timber, and Frank Marsh was slightly injured. Nearly all the people in the town saw the storm approaching and sought safety in cyclone caves, which, it is thought, alone prevented great loss of life. The town of Towanda, which is a few miles north of Augusta, was also visited by the storm and half a dozen houses wrecked. Towanda was literally wiped from the face of the earth last March and severa' people killed and injured. The citizens who had the courage to remain rebuilt their houses, and these were the buildings blown down on Saturday. It is not known whether any one was hurt. Enquiries at points south of Wichita fail to reveal the track taken by the other two storms.

MANY people are not aware that it is the wrapper of the tobacco which gives the color to the plug, and are therefore often deceived by a handsome outside appearance. The wrapper is a single film of leaf wrapped around the plug and is never good smoking tobacco. It is costly only because of its fine color. In the "Myrtle Navy" brand the chief attention is paid to the "filler," that is, the inside of the plug. It is this which determines the smoking quality of any tobacco. A tobacco can be made to look as well as the "Myrtle Navy" without much trouble or expense, but it may at the same time be a very inferior article.

WELLINGTON, N. Z., May 16.—A terrific hurricane passed over Central New Zealand. The damage done is enormous. Rain fell in sheets, causing small streams to become rushing torrents. Long stretches of railroad embankment were washed away. In many places crops were awaiting the hands of the harvesters. Hundreds of acres of wheat, corn, oats and barley were ruined. Many coasting vessels were driven ashore. Reports from all points of the country visited by the hurricane show that buildings were blown down or unroofed in every direction. The money damage caused by the storm cannot be estimated.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

NEW YORK, May 16.—Marie Andrea, convicted on Dr. Parkhurst's evidence of keeping a disorderly house, was to-day sentenced to one year in the penitentiary. The fine of $500 which the law allows was not imposed.

MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. In big bottles 50c. and $1 at Charlottetown drug stores.

LAREDO, Texas, May 16.—The so-called Garza revolutionary movement appears to be completely wiped out. The general belief is that Garza is either in England or Canada. Wholesale arrests of "revolutionists" are being made on the Texas side.

FOR dyspepsia and liver complaint you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure.—Reddin Bros. novldwly

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
