MENS' INTRAMURALS

by Tony Carroll

Another year is here and another year of intramurals has started at UPEI and I will be the intramural sports editor for this year. I was recently appointed intramural sports editor by Vince Mulligan when Philip Brown, last year's editor, failed to show for the position. Just goes to show how being president get to your head.

Intramural softball this week saw Mean Machine go undefeated in their first two starts. The M&M, with such stars as Tommy "Pearhead" Elliot and Mike "Smiley" MacNeil, looked impressive in their first two outings.

In one of their games they beat the Freshman with no trouble at all. The game was close at the start but the Freshman faded in the tough going. The Freshies inexperience showed in this game and they lived up to their reputation as chokes.

The Freshies' loss was due to many young players on the team such as Billy "Great Dane" Doucette, Mark "GJ's" Jones and Shane "Apache" Doyle.

Help is on the way for the

Freshies, Maintenance Man MacIsaac is back from out West and could help the squad. I certainly hope so, because they need it.

Although they lost one game, the Freshman salvaged a split in the week. They beat the highly talented Sophomore squad in an action-filled game. The loss to Freshman was due to the lack of hits, poor base running, and the fact that yours truly was on the 24 hour disabled list. The Sophomores since then have acquired Chris "Minglewood" Hennessy who was recently placed on waivers by M&M.

The Sophomores also have scouts Gerry "Try Cobb" Moor and Dick "Bernadine Hall" Carroll in other provinces looking for ball players. But with players like Kirk "Spaceman" MacRae and Paul "Bob Seger" MacDonald who needs imports?

The Sophies' second loss to Marian was by default. All the Sophomore players were home bursting their sides laughing at playing the likes of Marian Hall.

After the first week of intramurals, it already looks like the Sophomores are the team to beat.
