Friday	— 11:30 — 12:30; 12:30 — 1:30 p.m.

Heads...

IN A FINAL ATTEMPT
TO STOP HIS NOSE FROM
RUNNING, DICK STAPLED
HIS NOSTRILS SHUT.

We've decided to start pre-
sented news for the people
(future Vetsy's and the like)
at the Atlantic Veterinary
College. Some very impres-
sive articles have recently
been mailed to us, so we
present to you:

Moo Moo, Cluck Cluck

"Burp of life" could save
cattle: Canadian cattle could
soon be belching on one
another in pursuit of better
health.

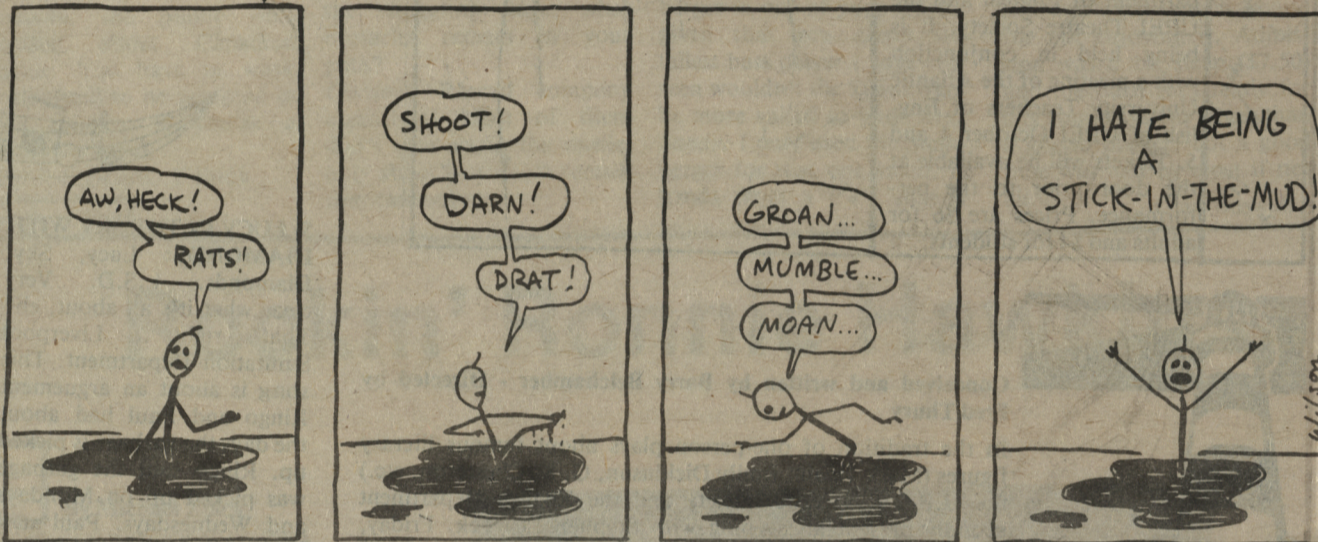

Research carried out at
Agriculture Canada's Leth-
bridge, Alta., Research
Station shows the practice
may be an essential step in the
fight against nitrite poisoning
in cattle. The helpful bacteria,
encouraged by an ammonia-
producing feed additive,
breaks down the deadly ni-
trites and are then conveyed
from one cow to another
through belching.

(These are serious!)

Appointments to Canadian
Chicken Marketing Agency:
Gerard Goyer and Theodore
Cohen have been reappointed
as members of the Canadian
Marketing Agency.

Mr. Goyer has 43 years of
working experience in poultry
production, processing and
marketing and has been
active in organizations re-
lated to poultry products,
including the Canadian Poul-
try and Egg Processors'
Council. Mr. Cohen is the
previous owner-manager of
Panco Poultry Limited, B.C.
