WESTINGHOUSE
ENGINEERS THE GREAT Breakthrough in True COIN-OPERATED SELF-SERVICE DRYCLEANING!

Now, the genius of Westinghouse scientists has made available the first really automatic coin-operated drycleaners designed specifically for investors who want to operate their own self-service stores in their spare time. New disposable cartridges do away with daily filter maintenance, costly profit-stealing service. No demucking, no agitation, no filter powders to add. Fast-cycle positive control shuts machine off automatically when clothes are dry, regardless of fabric type. Drycleaner is completely independent with its own filter system and solvent storage tank. No need to invest in multiple machines when one or two will do the most profitable job.
FIND OUT HOW YOU TOO CAN BUILD CAPITAL EQUITY WHILE NETTING $5,000—$10,000 ANNUALLY
with the most advanced, trouble-free, commercial laundry and drycleaning equipment. ALD, Inc., national Westinghouse distributor, has helped finance over 15,000 Laundromat(R) Laundry and/or Drycleaning stores for businessmen, professional people, individuals and families who will spend the necessary management time and are dedicated to making a success of their own small business. With our liberal financing plan, you need invest as little as $6,000 to $10,000 in cash. Call or write today. We'll give you the facts, both good and bad, and guide you in determining whether this will be a profitable investment for you.
