Dairy Plant Contract Awarded Schurman Co.

Amalgamated Dairies Limited have awarded a contract to M. F. Schurman Co. Ltd., for the erection of a large extension on their building on Water Street, it has been announced by Mr. J. S. Wright. The present building (the former Pioneer building) is 70 feet long by 60 feet wide and the extension will be 100 by 80 feet with a boiler room on the end.

Death Wednesday Of Mrs. Joseph Buote

The death occurred on Wednesday morning, May 6th at the home of her brother, Mr. Ben Peters, St. Roch, of Mrs. Joseph Buote, formerly Philemona Peters, in her 85th year. The deceased, who had been in failing health for the past five years, had been tenderly cared for by her relatives. Her husband predeceased her several years ago. The funeral services were held Friday morning, May 8th at 9 o'clock with Requiem High Mass at St. Simon and St. Jude Church, Tignish, by Rev. J. A. MacDonald. The services at the grave were conducted by Rev. Denis Gallant. Pall bearers were: Messrs. Peter J. Blanchard, Peter M. Blanchard, Alphonse Blanchard, Jerome Desroches, Arthur Chaisson and Orville Buote.

Gregor; ribbons and certificates, Mrs. Vernon Burke.

Gives Tip To Armed Services

OTTAWA, (CP)—Rev. E. G. Hantsell, B.C.—MacLeod gave the armed forces a tip Friday on how to cut down on expenses and on political embarrassments. He advised them, in a Commons discussion, to give each serviceman a small allowance to buy his own personal items such as having brushes, tooth brushes, razors and the like. That would cut out a lot of administrative expense and it would also cut out huge bulk orders for such things which attracted the attention of members of Parliament.

Alberton Man Is Graduate In Pharmacy

HALIFAX, (CP)—The Maritime College of Pharmacy Friday announced award of the New Brunswick Pharmaceutical Society prize to James Perley Steeves of Fredericton. Geraldine Welch of Moncton won the Donald MacLeod prize and a scholarship from the Canadian Foundation for the Advancement of Pharmacy. Among graduates awarded a diploma of pharmacy were: Prince Edward Island: Frederick Whelan of Alberton.

LEAVES FOR SUMMER TRAINING — Mr. Alexander Campbell, son of Chief Justice and Mrs. Thane A. Campbell, Summerside, second year student at Dalhousie University left Thursday for Kingston, Ontario, to take officer summer training with the R.C.A.F.—S

MAGISTRATE'S COURT —In County Magistrate's Court, Summerside, yesterday, before Magistrate R. S. Hinton, a youth from Summerside was fined \$5.00 and costs for operating a motor vehicle without a license. A Summerside man was fined \$10.00 and costs for loaning his car to the above driver. A party from Tignish was fined \$100.00 and costs for driving while his ability was impaired.—S

BEAUTIFUL CATCH — The first real contender for the ten dollar prize money offered by Morris, Bernard and Co. Ltd., Tignish, for the largest trout caught in the First District of Prince during the season was Cumie Chaisson, Tignish, who brought in a 2 1/2 lb. beauty, length 17 3/4 inches, girth 10 3/4. Mr. Chaisson's catch included a number of lovely sea trout, all caught at Arsenault's mill dam, Tignish, using a streamer fly. Although larger trout will likely be brought in this gives all other anglers a target to beat for the remainder of the season.

LEAVES FOR TORONTO — Miss Earlene M. Lavers, daughter of Mr. and Mrs. Earl Lavers, who has been employed as stenographer with R. E. Mutch and Co., left on Wednesday morning for Toronto where she has accepted a position as stenographer with Pape and Co., wholesale clothing firm. Before leaving Earlene was widely entertained by her numerous young friends, who presented her with appropriate going away gifts. The office staff of R. E. Mutch and Co. entertained her at a dinner party at Old Spain on Tuesday night and presented her with a farewell gift. The many friends of Earlene wish her every success in her new position.

Good Lobster Catches In West Prince Area

Continued fine weather enabled fishermen in West Prince to overhaul their traps every day since the season opened on May 1st with the result that catches are being taxed to capacity to handle the excellent catches landed to date. At the Alberton South union factory yesterday over 14,000 pounds of "green" lobsters could not be handled and were sold to a packer at Borden and today's catch is also expected to be disposed of and packed elsewhere as sufficient lobsters are on hand floating in crates to keep the factory going several days. If present conditions continue this could well be a record season despite the new 2 1/2 inch minimum carapace measurement for canners which is causing trouble for fishermen in some localities. Fishery officers and wardens are keeping a close check on all lobsters being brought in to factories in West Prince as the new size is being strictly enforced in the interests of conservation and even better results next season.

Change Made In Bedeque Highway

Owing to the narrowness of the proposed highway through Bedeque and the dangerous intersection at that point, a change of plan has been decided upon, according to officials of the Department of Public Works. The plan abandoned called for a right of way between buildings which was very narrow and to purchase these to improve the situation would be a costly undertaking. The village will therefore be by-passed in the interest of an adequate route at a reasonable cost. It was also pointed out by Department officials that the highway under consideration is not part of the Trans-Canada project. Tenders have been called for subcontracting the road between Hogg's Corner and Ross' Bridge. Already surveyors are working from a point near the Bedeque School to a point just beyond the village on the way to Summerside. According to the new plan, the road will leave the present highway at a point above the Dunk river bridge and will come out near the Bedeque School, thence by the Middleton Road towards Borden.

Leaders Issue

Continued from page 1
to reduce world tension, but the free countries cannot afford to diminish their efforts toward the achievement of united strength and the ability to meet aggression. Acts, not words, would be proof of Communist intentions. 2. Recent developments in Korea showed hopeful signs for peace, but in Laos a new act of aggression has been committed and this might have "serious consequences" for Thailand and the whole of southeast Asia. These southeast Asia developments must cast doubt on Communist intentions. 3. There was a need for maintaining the momentum of vigorous support for NATO. Both countries agreed to continue to do their "full share" to further NATO objectives. 4. North American defence was important to the free world. The two leaders agreed that joint defences erected in Canada—presumably a reference to Canada's radar-screen under post-war Canada-U.S. arrangements—strengthened defences for both countries. In such joint actions the President assured St. Laurent that the U. S. will continue "scrupulously to respect Canadian sovereignty."

Seaway and Trade

The two leaders also touched on such controversial issues as the St. Lawrence seaway and U.S. trade restrictions. On the seaway, the President assured St. Laurent that the U.S. is fully aware of Canada's urgent need for St. Lawrence power. He said he favored development of the American share of the power under the authority of New York State, and he hoped for an early favorable decision by the federal power commission on the state's application to join with Ontario in the power phase of the St.

Special Praise

Continued from page 1
lightness of touch displayed in this 18th century dance, awarding them a mark of 84. Miss Margaret Murray of Kensington won a solo class for folk songs, with a charming presentation of "The Foot Tapper," which Mr. Geen said was very beautifully and very artistically sung, with the appropriate spirit of the song. A number of choral classes, a rhythm band class and one for boy's solo, which was won by Ronald Hickox of Parkdale, were also part of the afternoon's program. Virginia MacDougall of Charlottetown and Audrey Whittside of Summerside both received 85 points yesterday morning at P.W.C. Auditorium. Both girls were complimented by Mr. Geen upon their beautiful and promising voices, and their excellent renditions. Helen Horne and Carol MacLean, both of Summerside, closely followed with 84 marks each, receiving praise for the individuality of their voices and the artistry of their presentation. A large class of young pianists was heard in the morning at St. Peter's Sunday School, and Mrs. Jones commented upon the very fine job done by them as a whole describing the piece as a difficult one for beginners, involving a number of changes in tempo. She advised teachers to place particular emphasis upon helping students to develop a good rhythmic sense. Judith Archer of Charlottetown was the winner of this class with a mark of 81, closely followed in second place by Carol MacCallum of Marshfield and Frances MacDonald of Charlottetown.

Stars Of Festival

Continued from page 1
by "My Mother Bids Me Bind My Hair", and Miss Marjorie Hurst, who repeated her performance of a charming piano composition entitled "The Harmonic Player", and also appeared with Mr. Gordon White in a piano duet as they played "Arrival of the Queen of Sheba" from Solomon. Miss Helen Roach sang a mezzo soprano solo, "The Enchantment," and she returned to sing with Mr. Ralph Raynor in a duet entitled, most appropriately, "Spring". In the Scottish dancing and music classes, there were several selections, all most enjoyable. Mr. Frank Burke, who won high praise for his appearance in festival competition, played the bagpipes, and George MacDonald of Tracadie Cross was heard singing "The Road to the Isles". Miss Norma Duvar danced the Highland Fling, and Group 1 of the Charlottetown Highlanders gave a repeat performance of the Scottish country dance for which they received warm commendation from Major Calum MacLeod. Rhythm bands from Rochford Square School and Parkdale School demonstrated enjoyably this form of musical exercise, and winners of one of the newer classes in the festival, that of choral reading, were represented by groups from the A/M Johnson School at Summerside and Rochford Square School. Also performers of solos were Mr. Frank MacIntyre of Charlottetown, singing "Shipmates of Mine", Miss Mary Morrison of Charlottetown who sang "To Music", and Mr. Stanley Lancaster and Mrs. Ralph Burdett who were winners in the operatic solo class. Among the instrumental numbers were a trombone solo by Mr. Roddie Hickox, and a trumpet solo by Mr. Norman Stewart, as well as a fine rendition of Bach's Two Part Invention, No. 6 in E, by Mr. Herbert Crockett of Summerside. Two outstanding women's choruses were heard, the Seaside Singers of Cherry Valley, in "Silver and Gold", and the Central Royalty Women's Chorus, who sang very sweetly "O Lovely Night". School choruses from Parkdale School and School Unit Number 1 were also included in the program, as were the Central Royalty Men's Chorus, who presented a lively selection, "Sing Me A Chanty With A Heave Ho," and the Hillsboro Chorale, with "Brother James Air". Among the highlights of the evening were the performances by the "Four Tons of Harmony", a very fine Charlottetown Quartet, and a women's trio composed of the Misses Marilyn and Barbara Rupert and Miss Nancy MacNevin, whose rendition of "All Through The Night" delighted the audience. Elizabeth Brookes and Myrna Cousins of Kensington presented as a vocal duet "The Spendthrift Spring". Miss Laurende Wood sang "First Spring Morning," receiving warm applause. Another feature of the festival which has just recently been introduced is the folk and square dancing classes, and some of the enjoyment of both audience and competitors when these classes were held was recaptured last night, as a group of the Brighton Juniors performed a gay and colourful square dance. Mrs. W. J. P. MacMillan and Mrs. Julian Herring presented the scholarships at the Community Centre. The program was a very long one, but the "Stars of the Festival" concerts have become the most popular feature of festival week as far as the general public is concerned, and it is a tribute to the Association that two halls were filled with people eager to hear the highlights of the festival itself. Two more such concerts will be presented today, when the children perform in the afternoon, and a program similar to last night's will be heard this evening.

Morning Session

P. W. C. Auditorium
Class 71, Girls' Solo, 13 years and under: 1. Virginia MacDougall, Charlottetown, and Audrey Woodside, Summerside, 85; 2. Helen Horne, and Carl MacLean, Summerside, 84; 3. Steel; platform secretary, Mrs. Walter

New G. M. Plant For Oshawa

OSHAWA, (CP)—General Motors of Canada announced Friday that it will build a 42-acre multi-million dollar assembly plant for passenger cars. Company president W. A. Wecker said the plant, to be built on property bought in the south section of the city, will be in operation by next year. Production of commercial vehicles will continue in existing assembly plants. Cost of the new plant and equipment is estimated at \$40,000,000. Mr. Wecker also announced a 5-1/2 acre extension to the central parts distributing warehouse adjoining the site of the new plant. Construction of the assembly plant is expected to increase the company's productive capacity to more than 250,000 trucks, cars and buses a year. Production last year was 200,310 vehicles.
