S. OF T.—Meeting of Victoria Division to-night.

L. O. A. — There will be a special meeting of St. George's Lodge to-night to receive propositions.

POLICE COURT.— Two drunks were candidates for punishment this forenoon. They were Pius McEachern and Alexander Breheaut. Each was fined $2 or 10 days.

NO. 3 COMPANY.—No. 3 Company, 82nd Batt., are requested to meet at the Drill Shed to-night at 7.30, to arrange for a shooting match. By order, Captain D. Stewart.

EXCURSION PARTY.—The steamer Orinoco, with a large party of excursionists on board, arrived here on Saturday afternoon about five o'clock, and remained in port until two yesterday afternoon, when she left for Dalhousie.

ERATTA.—In the list of those who passed the matriculation examination to Prince of Wales College, Donald McCarthy is from Souris West, not Alberton, as published. Also the name of Geo. W. Sutherland, of Souris, should be among the successful candidates. He made 409 marks.

SOURIS TEA.—The coming mammoth tea at Souris is being talked about on all sides. Everybody that can attend seems determined to be there on that eventful occasion. Souris teas in the past have been always successfuly carried out. One of the committee of management assures us that this one will be the very best of all.

HANDSOME YACHT.—A handsome steam yacht, the Vesta, came in with the Orinoco on Saturday and remained in port till this morning, when she left for Chicago On the way she will visit Gaspe and other points of interest along the St. Lawrence. There is an excusion party on board. While here the Vesta was coaled by C. Lyons & Co.

FOREST FIRES.—According to the Impartial from Tignish last week fire in the Tyndall woods, between Amherst and Tidnish, destroyed over $20,000 worth of property. D. M. Jackson had 400 acres burnt over; Arthur Davison 100, and various other parties are heavy losers. The fire cleaned the ground of everything. The fine growth of hardwood, worth much money, is completely destroy ed.

SHIPMENTS FROM SUMMERSIDE. — On Wednesday of last week, says the Pioneer, Mr. M. Deacon sent away 50 sheep and lambs on Thursday Mr. C. Kane sent off 22 and on Friday Mr. McNutt shipped 90. Mr. Thos. Hayes of St. John took away seven horses on Saturday morning. Mr. Leger, of Fox Creek, near Moncton, took away a fine horse on Saturday which he bought from Mr. Edward Price paying, we are told, $200 for her.

SOURIS FISHING NOTES.—In port: Schrs. John Smith, Lizzie A., Capt. Reivas, Caldera, Capt. Grimme, 700 qtls. codfish; Noonday, Capt. Beaton. Capt. Beaton is a native of East Point, P. E. I., and was one of the most successful mackerel fishermen before seining in the bay commenced. But having no faith in the seining business, he gave up coming to the bay, and this is his first trip for seventeen (17) years. His many friends will be pleased to see him again.

CARBOLIC ACID ACCIDENT.— This morning as Mr. Jas. C. Ferguson, senior clerk in Messrs. Johnson & Johnson's Queen Street store, was working with some carbolic acid, it splashed into his face, part of it going into his eyes. Mr. Johnson at once washed out the acid as well as possible, and applied soothing lotions, and Mr. Ferguson was driven home. Fortunately the injury is comparatively slight, and it is expected Mr. Ferguson will be able to resume work in the course of a day or two.

CRICKET.—Saturday afternoon's cricket match was between sides captained by Messrs. Moore and Carvell. But one innings was played, the latter's side winning by 31 runs. Carvell's side made 64 runs, 15 of which were contributed by Seale and 28 by Carvell, who carried his bat through. Moore's side was retired for 33 runs. Ings was the only one of the side to make double figures, his score being 15. One of his hits was a "sixer." He sent the ball from the northern wicket right over the river bank on to the sand.

FROM MONTREAL.—The steamer Coban, Captain Robert Fraser, arrived from Montreal, en route to Sydney and St. John's, about four o'clock this morning, with a general cargo and nineteen passengers, of whom John Strange, Mrs. Strange, Mr. Mead, Mrs. Mead and Master Mead were for Charlottetown. The steamer left port again about half-past twelve with a cargo which included 600 bags oats, 21 head cattle, a quantity of butter, etc. Mr. and Mrs. Louson, Mr. John D. Connolly and Miss Connolly, and Mr. J. F. L. Carron went as passengers.

ARRESTED FOR LARCENY.—The Summerside Pioneer reports that on Saturday night the 13th inst., some one entered the house of Mr. Jesse A. Wright, North Bedeque, and after sleeping in one of the beds all night left next morning with dresses, clothing and jewelry which did not belong to them. Last Friday Gertrude Lowther, who lives at Locke's Shore, was arrested in the town here on suspicion, and the trial was begun before Mr. Leonard Morris on Saturday forenoon. After taking the evidence of Mrs. Wright the trial was postponed until Friday next, the 26th inst.

ODDFELLOWSHIP. — Wildey Lodge has elected the following representatives to the session of the Grand Lodge to be held at St. Stephen, N. B., on Wednesday, August 14th next. Rob Angus, J. R. McKee, John McNevin and Geo. Waller.

St. Lawrence Lodge has elected the following representatives: D. R. McLennan, H. S. Coffin, A. J. Houle, Isaac L. Lane, J. F. Whear and J. D. McMillan.

Bro. Benj. Bremner will represent the Sovereign Grand Lodge at the session of the Grand Encampment to be held at the same place on Tuesday August 13, the day before the session of Grand Lodge.

OPERA HOUSE TO-NIGHT.—There will doubtless be a large audience at the Opera House tonight to witness the premier performance of the Neville-Darley English Company, judging from the sale of seats, which is very large. This is at it should be, for this Company is said to be the best that has ever toured the provinces, and they deserve all the encouragement that can be given them by our theatre-goers. They will present for the first time here, Mr. and Mrs. Kendall's version of Tom Taylor's beautiful drama Still Waters Run Deep, and an evening of thorough enjoyment may be anticipated by all who attend.

RUNAWAY ACCIDENT. — About eleven this forenoon a horse driven by Mr. Patrick Duffy, of Lot 48, took fright and ran away on Water Street, near the railway buildings. The runaway team came in collision with a team coming from the opposite direction, and Mr. Duffy was thrown out and knocked insensible. He was picked up and carried into one of the railway buildings and Dr. S. R. Jenkins was called in. An examination showed that Mr. Duffy's shoulder blade was broken. The horse ran down the railway wharf and jumped over into the dock. He was rescued by some of the men after considerable trouble.

MEETING OF GRAND LODGE.

The Grand Lodge of the Independent order of Good Templers met in annual session in the public hall at Uigg, on Wednesday and Thursday, the 17th and 18th inst. The first session opened at 11 a. m. Rev. Wm. H. Spargo, G. C. T., presiding. Eighteen new members were introduced and received the degree.

Early in the afternoon session Rev Geo Whitley, Baddeck, C. B., Grand Chaplain of Nova Scotia; B. D. The popular thing for gentlemen this seems to be the "*Tyke*" serge. Almost every tailor finds it in great demand, but before buying see that the Registered Trade Mark "*Tyke*" is stamped every 2¼ yards. None other is genuine.

When Prince Ferdinand of Bulgaria, who is staying at Carlsbad, was informed of the death of M. A special to the Mail and Empire from Montreal states that Bishop Gravel, whose letter on the Manitoba school question is now so famous, denied to an interviewer that there was ever any intention of asking Rome to influence the judges of the Privy Council in their decision on the remedial order question. What he had suggested was simply that the Colonial Minister in London be reminded of the promises made to Manitoba Catholics by the Colonial Mihister in 1869.

The trade returns for the fiscal year have been issued at Ottawa. The total exports are valued at $110,716,737, a decrease of $1, 672,251 compared with the previous year. The greater portion of this decrease took place last month, amounting to two millions and three quarters, principally in goods not produced in Canada. The imports for the year are valued at $105,557,092, a decrease of $7,-374,709. The duty collected amounts to $17,880,622, a decrease of $1,497,483. Last month, however, the duty was augmented by $330,000.

The Trinity Church property in New York, valued now at $300,000, has for the last 145 years been claimed by descendants of Anneka Jans, a native of Holland, by whom it was granted to the church. Many of the claimants reside in Canada, and there are several in Montreal. There is an Anneka Jans Association in one of the Western States, formed for the purpose of recovering the property from the church, and spasmodic attempts have been made to contest the legal rights of the big corporation. In all instances the suits have been dismissed with costs, and whether the heirs of the lamented Anneke have any just claim to the valuable property or not, it is certain from the judgments of the courts that the church is so strongly entrenched in its positions that further attempts to dispossess it would be futile.
