## MISSING LINK FOUND?

NAIROBI, Kenya (Reuters) — A British scientist said Thursday he is convinced a pre-historic skull found in Tanganyika recently represents the long-sought missing link showing the graduation of ape-man into human beings. Anthropologist Louis Leakey 56, has nicknamed his find the "Nutcracker Man" because of its huge teeth. He said the skull is that of a 16- to 18-year-old boy and he estimates its age at 600,000 years, in the Pleistocene era.

**A BIBLE PICTURE OF CONVERSION**

Numerous contemporary religious spokesmen present many—and not seldom contradictory—interpretations of the "plan of salvation." In the Word of God; however, there is ONE plan leading to eternal life. So, it becomes a matter of the sincere seeker accepting one of many human "plans" or accepting and following the one plan in Scripture.

A Bible example of conversion is recorded in Acts 8: 35-39 which reads as follows: "Then Philip opened his mouth, and began at a certain Scripture, and preached unto him Jesus. And as they went on their way, they came unto a certain water: and the eunuch said, See here is water: what doth hinder me to be baptized? And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that
