FORT OF SPAIN, Trinidad, Jan. 10 — (CP) — Five persons, including an 18-month-old child, were hacked to death Tuesday when a crazed man ran wild in the nearby village of Sleepy Tacarigua.

utes there was no other sound. They had about made up their minds they had not heard what they thought they heard. While they listened, they stopped chewing their cud. Now they resumed. Then they heard that sound again. It was very faint and far away. It was a lone voice.

The unidentified man later was found ill and taken by Colonial Police to hospital here for treatment.

The dead: Ramnauth Ragbir, his wife, 45, and mother-in-law, 75, and Etwaria Parayag and her child.

Mrs. Lightfoot said nothing, but a worried look crept into her big soft eyes.

Dolly Ragonauth, 35, was seriously injured when the man ran through the village swinging a cutlass.

It will be noted that hogs at Moncton and Charlottetown for Grade A's are down \$3.50 since last week's broadcast. This downward trend, however, is in line with our previous announcement on hog market levels.

Feeds

In feed prices the market has been strong since last Thursday. No. 1 feed, oats in cartons, bulk, is now quoted at \$3.07; No. 1 feed Barley at \$3.22 1-2; and No. 3 Wheat at \$3.20. Bran is a bit easier at \$3.45, with Shorts at \$3.50. Other feed prices are steady with last week's quotations. The above prices are bulk whole grain. Grinding, bags, etc., would cost between forty and fifty cents per hundredweight above these quoted prices.

Proteins are exceedingly scarce and there are no quotations. A world shortage of proteins exists and there is very little chance of improvement for some time. There is a considerable volume of soy-

New Transportation Schedule For Nfld.

HALIFAX, Jan. 10 — (CP) — A tri-weekly rail and steamship service will begin Jan. 13 between North Sydney, N.S., and St. John's, Nfld., Canadian National Railways officials here announced yesterday. Normal winter service is a twice weekly operation.

Potatoes

Well, now for potatoes: If the farmer looks with a frown at his Yorkshires and his Plymouth Rocks he most certainly changes that into a pleased grin when he looks at his Irish Cobbles. Prices throughout the Province are, if anything, a little less strong than a week ago, but still good, and the general level is from \$2.00 to \$2.20 per bushel, with the tendency toward the \$2.00 level, which applies with almost equal force on tablestock and seed. We were not able to get in touch with some centers owing to telephone difficulties, but the following is the price detail on centers contacted. It will be noted that there is very little movement on seed.

Tignish: Tablestock — \$2.15 per bus. at the warehouse, with a very slow movement. Seed: There is no movement of seed at all and no quotations.
Leary: \$12.00 at the farm for tablestock with a fairly slow movement. No movement of seed at all.
Wellington: Tablestock: \$2.00 per bus. delivered, with very little movement. Seed—\$2.00 per bus. delivered. Very little movement due to bad weather.

Summerside: \$2.00 per bus. at the farm for tablestock. Movement very slow. Seed—\$2.10 to \$2.20 per bus, mostly for Sebagoes. Slight movement.
Kensington: Very little tablestock moving on account of bad weather. Seed—\$2.00 per bus., with practically no movement.
Charlottetown: Tablestock — \$2.00 to \$2.05 per bus. Seed — \$2.00 to \$2.10 per bus.
Montague: Tablestock — \$2.00 per bus. at farm. Seed—\$2.00 per bus. Nothing moving in either seed or tablestock.

Vernon River: Tablestock — \$2.10 per bus. at the farm. Slow movement. Seed—\$2.10 per bus. for Cobbles and Sebagoes. Movement slow.
Cardigan: Tablestock — \$2.10 per bus. on car. Seed—\$2.10 per bus. for Mountains and Sebagoes. Very slow movement due to weather conditions.
Morell: Tablestock — \$2.05 per bus. Seed — \$2.00 per bus. at the farm. Very slow in both seed and tablestock.

Murray Harbour: Nothing moving in either seed or tablestock since early in December.
Egg prices were down yesterday to producers to 31c—a drop of 3 cents since last week.
Egg receipts are increasing. The market has developed a weak undertone resulting in further price reductions.
Producers now receiving for ungraded eggs: Large 31-2; Medium 25-6; Small 23; "B" 23; "C" 19.
Graded pack: Large 37; Medium 31; Small 29; "B" 29; "C" 23.
Wholesaling to retailers (loose): Large 40; Medium 34-35; Small 32; "B" 32; "C" 28. (In cartons 3c more).
Consumers are paying (loose): Large 45-50; Medium 39-44; Small 38-40; "B" 40; "C" none. In cartons: Large 48-55; Medium 39-45; Small 38-44; "B" 46.
Poultry receipts much lighter. Prices remain unchanged.

Nova Scotia

To Producers Halifax: Large 35-7; Medium 32-4; Small 29-31; "B" 28-29; "C" 25-28.
To Retailers in cartons: Large 50-51; Medium 48; Small 44-45; "B" 43; "C" 35.
To consumers in cartons: Large 51-55; Medium not quoted; Small not quoted; "B" not quoted; "C" not quoted.

Spot price for graded product delivered Halifax: Large 40-42; Medium 37-39; Small 34-36; "B" 33-34; "C" 25-28.
It will be noted that egg prices in Nova Scotia on January 8th were from 3 to 5 cents higher for grade A large than at Charlottetown. Considering however, the cost of delivery and the possible use of old cases in Nova Scotia, our prices are pretty well in line.
Last week's spread of 10-12 cents was not justified on eggs loose costing the retailer 60 cents, Mr. Shaw stated. The improvement this week in this respect is
