—TO—

Purchasers of Cotton Warp.

WE find it necessary to call the attention of those who USE COTTON YARN OR WARP to the fact that the yarn made by us is the ONLY REAL

Water-Twist Yarn

Made in the Dominion—no other mill having the machinery on which to make it.

Our Yarn is, consequently, very much superior for weaving purposes to any other in the market—a fact which is well known to those who have used it for the past TWENTY YEARS.

All our Yarns have our name upon the label, and none other are genuine.

THE INDEPENDENT.

The Largest, The Ablest, The Best Religious and Literary Weekly.

The Most Influential Religious Organ in the States.—*The Spectator, London, Eng.*

THE INDEPENDENT is one of the best papers in the world. Its good points are many and striking. They have only to be stated to be appreciated; and for proof of our claims appeal may be taken to any of the fifty-two issues of the year. Any number of THE INDEPENDENT will show that its contents are marked by—

ABILITY, VARIETY AND INTEREST.—The great thinkers, the great story-writers, the great poets, men of the highest reputation in all departments of human knowledge, make up its list of contributors. Religion, philosophy, science, literature, art, travels, discoveries, stories, and all conceivable topics are embraced in the contents, and everybody, old or young, learned and unlearned, without regard to sex, employment or condition, will find something of special interest in every issue.

COMPREHENSIVENESS.—It is a religious, a literary, an educational, a story, an art, a scientific, an agricultural, a financial and a political paper combined.

BREADTH, CANDOR, EARNESTNESS.—THE INDEPENDENT is tied to no denomination; it is the organ of no clique or party in state or Church. It is free, therefore, to discuss all questions, and to speak its mind candidly. It is not swerved by fear or favor. It is a vigorous defender of the Evangelical faith, it preaches practical righteousness, and earnestly supports all moral reforms. All its columns—the advertising as well as the reading—are free from everything of doubtful or objectionable character. No matter what a person's religion, politics, or profession may be, if he desires to keep up with the times and know what the brightest minds are thinking of, the ablest pens are writing about, and what the world at large is doing—he should read THE INDEPENDENT.
