

MISSION PRIESTS Rev. Claude Primeau, CSsR, (LEFT) and Rev. Emmanuel Demerah, CSsR of Windsor, Ontario, are seen speaking with trustees of St. Pius X

Parish minutes after their arrival in the province. The missionaries arrived by plane last night to conduct a two-week preaching phase which will climax the six-month parish

renewal program at St. Pius X Parish, Parkdale. Seen discussing the two-week program are: (FROM THE LEFT) Father Primeau, George Cheverie, Father Demerah and Peter Doyle.

Preaching Phase Opening Brings Renewal To Climax

St. Pius X Parish, serving Roman Catholics in the communities of Parkdale, Sherwood, East Royal and a small part of the City, will bring to a climax the long range program of Spiritual Renewal with a two-week Preaching Phase that begins tomorrow.

The parishioners and their priests, Rt. Rev. P. F. MacDonald, V.G., pastor, and Rev. Andrew Macdonald, assistant pastor, have been involved in the preparatory phase since October when Rev. Edward Boyce began

the new type of parish renewal. The preaching phase will be opened tomorrow by Rev. Claude Primeau, CSsR and Rev. Emmanuel Demerah, CSsR, two priests who work closely with Father Boyce in directing the area mission underway in Windsor, Ontario. Father Boyce will join his co-workers next week, and this will mark the fourth time that he has come to the parish to keep in touch with the progress of the Spiritual Renewal.

This type of Renewal has deeply involved the parishioners in a unique dialogue between themselves and the renewal preachers. The priest now come to St. Pius X Parish with an insight into the conditions of life, attitudes and problems existing in this area. This will enable them to preach with a knowledge of the parishioners unheard of in former times.

The Missionaries themselves have received a great deal of specialized training in the fields of Mission Technique, the Liturgy and Religious Education. Fathers Boyce and Primeau have specialized in the new type of mission, while Father Demerah is a recognized expert in the field of Religious Education.

Father Boyce was born in Saint John, N.B., and attended school there before going to St. Mary's College, Brockville, Ont. for his seminary training. He was ordained to the priesthood in 1957, and spent the next three years preaching a parish missions throughout Canada. In 1961, Father Boyce spent a year studying in Europe where he obtained his Masters-Degree in Religious Sociology. Last summer he attended an International Conference in Religious Sociology in Barcelona, Spain. He also spent two years doing parish mission work in the Most Holy Redeemer Parish here. Father Boyce is in great demand as a speaker in both Canada and the United States in the field of Mission Technique.

OTTAWA NATIVE Father Emmanuel Demerah is a native of Ottawa. Following his ordination to the priesthood, he served as a Redemptorist Missionary in St. Patrick's Parish, London, Ont. for two years; also as Director of Vocations for the Redemptorist Fathers in Eastern Canada for two years. Upon his graduation from the International Institute of Catechetics in Belgium in June, 1964, Father Demerah was appointed Associate Director of Religious Education for the Diocese of London. In January of 1966, he was appointed Director of Education for the Diocese of London. He is also a member of the Board of Directors of the new International School of Religious Education (The Divine Word Centre) which is scheduled to open in London, Ont. in September of 1966. He is in charge of Public Relations for the new school and will also be one of its lecturers.

Among his many other duties, Father Demerah finds time to lecture at Mary Grove College in Detroit and to serve as Chairman of the Commission on Catholic Education for the Diocese of London.

TO AMHERST Byron Sharp, manager of the Bank of Commerce, Montague accompanied by Mrs. Sharp and their daughter Betty leave this morning for Amherst where Mr. Sherrill will take part in the annual Canadian Imperial Bank of Commerce Curling Bospital held for the bank managers. Also accompanying the Sharps will be H.M. Smith a former manager of the branch at Montague. They expect to return to the province on Sunday.

FINED \$125 A fine of \$125 and costs or 30 days was imposed upon William Jacob Faithful, Charlottetown RR 5, who was convicted of impaired driving. He appeared before Magistrate A. James Haslam, O.C. in city police court yesterday. Vernon MacKay, Murray River, convicted of joyriding was fined \$50 and costs or 30 days.

CARD PARTY The following are the results of the card party held at the Covehead-Stanhope Community Centre recently: ladies' first, Mrs. Lea Misener; second, Mrs. Gerald Robinson; consolation, Mrs. Carman Ellis; men's first, Joseph Robinson; second, Ira Marshall; consolation, Frank Lewis; door prize Mrs. Gerald Robinson; freeze out, Mrs. Harold MacDonald and W.W. Clow; tournament winners, Fred Hughes and Mrs. Cyril Morressey.

PROMINENT PART The Parkdale Lions Club and Women's Institute will play a prominent part in the Salvation Army Capital Fund Appeal in May. These two groups will be responsible for the organization and canvass of the Parkdale-Sherwood areas.

City chairman for the appeal is W.R. Jenkins with T.D. DeBlois in charge of the business and special names division. Mrs. Julian Herring is residential chairman assisted by Mrs. D.K. MacLeod.

The objective of the provincial wide appeal is \$35,000.

LOCAL BRIEFS

RECEIVES WORD Mrs. Campbell MacLeod, Melville, has received word of the death of her brother Ralph MacKenzies of Edmonton, Alberta. Burial will take place in Alberta.

VISITS FATHER Mrs. Ralph Mellich arrived from Germany on Monday to visit her father, Mr. A.S. Stewart of Millview, during his illness in the Prince Edward Island Hospital.

CASH THEFT City police reported that a thief or thieves took a quantity of money (about \$300 cash) but no merchandise in a break at a store on Victoria Ave., owned by Robert Lowther. The incident was believed to have happened sometime Thursday evening.

TO AMHERST Byron Sharp, manager of the Bank of Commerce, Montague accompanied by Mrs. Sharp and their daughter Betty leave this morning for Amherst where Mr. Sherrill will take part in the annual Canadian Imperial Bank of Commerce Curling Bospital held for the bank managers. Also accompanying the Sharps will be H.M. Smith a former manager of the branch at Montague. They expect to return to the province on Sunday.

Cost Of Milk To Consumer Seems Likely To Increase

By NEIL MATHESON
Milk consumers will likely have to pay an additional two cents per quart for their milk, it appeared after listening to a lengthy discussion Friday among the people who produce the milk for processing plants, and representatives of those plants which distribute it in various island centres. The occasion was the meeting of the fluid milk section of the P.E.I. Dairy-men's Association.

The general consensus was that the requested price increase, when it comes, will mean two cents extra per quart at the doors of consumers. That would mean 24 cents for pasteurized milk and 25 for homogenized in centers where the price is 22 cents and 23 cents respectively now.

No price increase was suggested in the resolution approved, however, as there was reluctance to act until a question now before the Legislature of the province is resolved.

The producers in the Summerside area are concerned lest an increase in the price of bottled milk now should result in a cut in sales of their product, with a corresponding increase in the purchases of "Tri-Milk", the brand name given to a reduced-milk, which undersells the bottled milk, according to statements made by a number of fluid producers at yesterday's meeting.

One Summerside distributor said that the disputed product allows the retailer the equivalent of three cents a quart, while his plant can only offer two cents. "I can't compete with that," he explained. Another man said that this reduced milk product has captured the entire milk trade at the Summerside airport.

NO CONTROL The legislation which was suggested to the legislature would bring the "Tri-Milk" product under control of the province's Milk Control Board, the same as the regular fluid milk is now. No control is exercised over it now.

The final resolution asked the executive to seek a price increase if the requested legislation on the "Tri-Milk" product is passed. If the legislation is not passed, the association is requested to call another meeting in the near future for further discussion on prices.

The request for an increase in bottled milk now stems from the most part from the recent announcement that milk going into the manufacture of butter, for example, will be subsidized so that the producer will be assured of \$4.00 per hundredweight at the plant. The development was explained further by Canada's agriculture minister J.J. Greene, at a dinner meeting of the dairymen's association last night.

The feeling is that farmers will not produce milk for the fluid trade unless the price is increased, and this in turn would mean a higher price to the consumer. There were indications, too, that the people who process and distribute the milk will ask the milk control board for more money as their share of the milk dollar.

Arthur MacRae, Sherwood was named president of the association.

WAGES WERE LOW Irish immigrants were paid 85 cents a day to dig New York State's Erie Canal, which opened in 1825.

PEARL ELLIOT Dies Suddenly
Mrs. Pearl Elliott, the wife of the Rev. G.A.D. Elliott, died suddenly at her home in Pownal yesterday. She was in her 71st year.

The Elliotts had planned to leave today to attend the opening service to be conducted by their son at the new United Church in Gunningville, N.B., on Sunday.

Surviving besides her husband are one son, Rev. Waldo Elliott of Gunningville, N.B.; four grandchildren; four sisters, Mrs. Lodge Lane Pownal; Mrs. Lesley Bryenton, Winsloe; Mrs. Elmer Colles, Milton; Mrs. Henry Currie, Aimsbury, Mass.; two brothers, Everett Saunders and Ira Saunders, both of Charlottetown.

The funeral arrangements have not yet been arranged.

paid an average net value of 71.09 cents per pound butterfat. The total milk production last year was slightly higher than in 1964, despite a falling off in production in the dry late-summer and early autumn pasture months owing to lack of moisture.

The grade of butter was better than the previous year and P.E.I. was the third highest in Canada so far as quality is concerned.

There was also a substantial increase in the percentage of first grade cheese which Mr. Adams attributed largely to higher quality milk. New grading standards played a part in this development, the dairy superintendent observed.

Federal Minister Greene Faces A Busy Schedule

Canada's agricultural minister J.J. Greene faces a busy round of activity here today.

With Mr. Greene are his deputy, S.C. Barry; Dr. J. A. Anderson, director-general research branch, and William Bird of the crop insurance administration.

He is scheduled to have breakfast with a selected group of farm leaders at nine o'clock in the Charlottetown Hotel.

They include Arthur MacRae, Sherwood, president of the Dairymen's Association; Daniel MacPherson, Oyster Bed Bridge, immediate past president; J.A. Rodd, president P.E.I. Federation of Agriculture; Agriculture Minister MacRae; S.C. Wright, deputy

minister; Allison Profit, Free-town, manager farm establishment board; R.L. Burge, Five Houses, chairman potato marketing board; George Howatt, French River, president potato producers' association; J.L. Dewar, New Perth, secretary Federation of Agriculture; Leo P. McIsaac, Mermaid Island president of the Beef Producers Association.

The federal minister will lunch with the provincial cabinet at noon; he will visit the Experimental Farm at 3:00 p.m. and he is scheduled to meet with Liberal Leader Alex Campbell at 4:00 o'clock. He departs for Ottawa later in the afternoon.
