In quiet nursery chambers,
Snowy pillows yet unpressed,
See the forms of little children,
Kneeling white robed for their rest;
All in quiet nursery chambers,
While the dusky shadows creep,
Hear the voices of the children—
"Now I lay me down to sleep."

In the meadow and the mountain,
Calmly shine the winter stars,
But across the glistening low lands
Slants the moonlight's silver bars.
In the silence and the darkness,
Darkness growing still more deep,
Listen to the little children,
Praying God their souls to keep.

"If we die"—so pray the children,
And the mother's head droops low;
(Two from out her fold is sleeping
Deep beneath the wintry snow)—
"Take our souls;"—and past the casement
Flits a gleam of crystal light,
Like the trailing of their garments
Walking ever more in white.

Little souls that stand expectant
Listening at the gates of life,
Hearing, far away, the murmur
Of the tumult and the strife:
We, who fight beneath those banners,
Meeting ranks of foemen there,
Find a deeper, broader meaning,
In your simple vesper prayer.

When your hands shall grasp this standard,
Which, to-day, you watch from far,
When your deeds shall shape the conflict
In the universal war,
Pray to him, the God of battles,
Whose strong eye can never sleep,
In the warring of temptation,
Firm and true your souls to keep.

When the combat ends, and slowly
Clears the smoke from out the skies,
When, far down the purple distance,
All the noise of battle dies,
When the last night's solemn shadows
Settle down on you and me,
May the love that never faileth,
Take our souls eternally.

CONTRIVANCES OF ANTS.—A gentleman in the Island of St Croix instituted several experiments with reference to ascertaining the truth of what he had often been told, of the ingenuity and apparent reasonings of the ant of that beautiful Island. Having slain a centipede, which had been sent him by a friend, he laid it on window-stool within his apartment, where, though not a single individual of that mischievous race of vermin had been seen, to his great gratification, in the course of a few hours, one solitary ant suddenly made its appearance through a crevice in the casing, attracted, probably, by the odor of the dead body. Shortly after, having surveyed the premises, it disappeared, but speedily returned with a host of companions, to whom the discovery of a prize had unquestionably been communicated; a more careful survey of the magnitude of the object was evidently instituted; the whole company then disappeared simultaneously through the crack; but an army was put in requisition, for the third appearance was a multitude. Having mounted the carcass, examined minutely its exact position, and satisfied themselves that it was actually bereft of life, and that no danger would be incurred from their premeditated operations, a new and unlooked for series of labors was commenced, bearing such a striking analogy to human reason, as manifested in what is commonly called contrivance, that if there is no intelligence in it—why, the metaphysicians have in reservation an unexplored field of observation. Not being able to move the mass entire, they divided themselves into platoons, and cut the body into portions of about half an inch in length, which was effectually and skilfully done, between a late hour in the afternoon and the following night, and each piece transported to their citadel, through some contiguous aperture, of sufficient diameter to allow the loads to pass. When the observer arose at daylight, every part had been carried away but the head, which was really moved towards the hole, rrounded by an immense concourse of admiring spectators, probably on the qui vive, appy in the delightful anticipation of future asts and revellings. On further scrutiny, e found that the decapitated head was mounted on the backs of about a dozen bearers, who, like a Roman phalanx with a testudo upon their shoulders, were marching off in an orderly manner towards the same orifice through which the rest had disappeared.

A HEFTY CONUNDRUM.—The following hefty conundrum is probably by the same author who inquired "why Julius Cæsar was like a pump handle?" and who said he "hadn't made the answer yet."

Why is a man in a mammoth balloon at Central Park, with a wicker basket full of Johnson's last pardons supported on his right arm, and a keg of lager beer on the other, having nothing to eat for several days, nor the withal to purchase the same, and in full view of Grace Church steeple in the foreground, and the Croton aqueduct in the rear, in the presence of a big crowd of spectators, including the English capitalists and Sir Morton Peto, the Tunisian visitors, Horace Greeley and Ben. [EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, "the Queen Insurance Company," which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained, and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

Convincing Testimony.

REV C. A BUCKBEE, *Assistant Treasurer American Bible Union, N. Y. City,* writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay **all pain** and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed, in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced** and **skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** in all cases **of Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints **—do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **sure—yes, absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the facsimile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

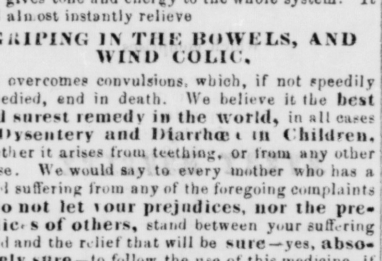
THE MOST RELIABLE FRIEND!



Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive from the most soothing relief. Two or three of Hollowsys's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)
Bad Breasts	Cancers
Burns	Contracted and Stiff Joints

Bite of Moschetoes and Sand Flies	Elephantiasis

THE NEW FRENCH REMEDY.

By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.

THERAPION:—or CURE OF CURES. This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste, odour,* and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion. Each package contains full instructions for every case.

THERAPION, No. 1, in three days only removes gonnorrhœ, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the bowelower, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.

THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c. to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears: and the skin assumes the pleasing softness of infancy.

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.

AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's-lane, London; Raimes & Co, Liverpool; Apothecaries Comp., Glasgow; Ferris & Co, Bristol; Cornish & Co., Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

The Cause and Cure of Premature Decline.

Sold by all the Agents for Dr. De Roos' Medicines, or sent post free, secure from observations direct from the Author, for 2s 6d.

THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W DE ROOS, M. D, &c, *of the Ecole de Medicine, Paris.*

REVIEWS AND NOTICES.

"The **MEDICAL ADVISER,** by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience."—*North of England Tegraph, June 29th, 1861.*

"To those who contemplate marriage its perusal is especially recommended.—*Bap. Mag.*——"The knowledge it imparts must come *some* time, and happy they who do not possess it too late."—*Politician.*——"Cure is certain in every curable case, and few indeed are they which are not so."—*Med. Review*——"It is calculated to effect a complete revolution in the treatment of these complaints."—*Med. Gaz.*——"Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost."—*Scalpel.*

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR. DE ROOS' GUTTÆ VITÆ or LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c.*, have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s 6d., 11s, and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the aboveremedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold wholesale by Barclay & Son, 95 Farringdont street, London; Agents in North America—Langley & Johnson, Hollis-street, Halifax, Nova Scotia; W. R. Watson, Charlottetown, Prince Edward Island; E Ward, Esq., News Office, Sydney, Cape Breton; H. J. Parker, (late Palmer & Co) Kingston, Canada West; Strickland & Co, Mobile; M. F. Decouge and Edward Guillot, New Orleans; Fongera, New, York; Musson & Co., Quebec; C. A. & J. Langley, Yates Street, San Francisco; Leportier, Mexico; Mr. McMurdo, Druggist, and J. McCoubrey, Esq., St. John's, Newfoundland; Thomas Walker & Sons, St. John, New Brunswick; Lyman & Co, Toronto; Lyman & Co, Savage & Co, Montreal; of whom also may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft or otherwise, to 25 Bedford Place, Bloomsbury Square, London, W. C, and they will be sent securely packed per return.

CAUTION.—Sufferers should guard against the recommendation of useless imitations by dishonest vendors, who thereby obtain a larger profit. The genuine have the words "WALTER DE ROOS, LONDON," *printed in white letters on the Government Stamp,* BY ORDER OF HER MAJESTY'S HON. COMMISSIONERS, *to imitate which is felony.*

The Most Wonderful Pills in the World.

ARE DR. DE ROOS' PILULÆ VITÆ or LIFE PILLS. All sufferers from general nervousness, debility, low spirits, sleeplessness, harrassing dreams, unnecessary fears, mental irritability, failure of the mental and bodily powers, weakness of the nerves, noises in the head, giddiness, indigestion, rheumatism, pains in the back, and other symptoms of chronic disease, will hail with joy the discovery of Dr. De Roos' Life Pills, that speedily and almost magically remove pain and disease of whatsoever nature, restore cheerfulness of spirit and vigor to the mind, and strengthens all the organs on which health and life depend. They do not contain a particle of mercury, but are purely vegetable. They act mildly on the bowels, without pain or griping, impart strength to the stomach, promote a healthy action of the liver, thus preventing, or when when present curing the jaundice and dropsy, clearing the skin, removing sallowness and pimples, purifying the blood, and marvellously invigorating the whole system. For elderly people or when an occasional aperient is required, nothing can be better adapted. Owing to the great and increasing demand for these pills, and in order to protect the public from fraudulent imitations, Her Majesty's Commissioners have graciously permitted the proprietor to have his name "WALTER DE ROOS, LONDON," impressed upon the government stamp affixed to each box. Sold by all medicine vendors in the world; price 2s. 9d., 4s. 6d., 11s., and 33s. per box.

"As a Family Pill, they are invaluable."—*Dundee Times.* "Persons of full habit should never be without them."—*Surrey Telegraph.* "For Females they are almost a necessity."—*Ladies' Journal.* "To Mothers—For children of all ages they are the simplest and best medicine that can be given."—*Vide Dr. Smith's Report.*

BROWN'S BRONCHIAL TROCHES

A Slight Cold, Cough, Hoarseness or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or Slight Cold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Brown's Bronchial Troches were first introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hacking Cough in Consumption, and numerous affections of the Throat, giving immediate relief.
