It is compounded in a truly scientific manner, and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been ordered. And for the cure of

PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by ever exertion. We can say with all confidence, use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND.

It is an excellent remedy for BOWEL COMPLAINTS,

We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam.

The Blessing of Health.

HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES? Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretive organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES. Frequent arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system however deranged, and bring back health and spirits when all other medicine failed. DROPSICAL SWELLINGS AND TURN OF LIFE.

This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedies for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS. These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the Bowels, purify the fluids, and invigorate the system and the constitution at the same time. They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSENTERY AND BOWEL COMPLAINTS. These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these direful scourges.

A WORD TO FEMALES. The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shortens life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

DOCTOR MORSE INDIAN ROOT PILLS

The Inventor and Manufacturer of Morse's INDIAN ROOT PILLS

CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & Co., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectoant, that opens and unlogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives energy and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS are added to the medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease.

Asthma or Phthisis, and Bronchitis. WEST PHILADELPHIA, Pa., Feb. 4, 1856. Sir: Your Cherry Pectoral is performing marvelous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under a chronic affection of the lungs for the last forty years. HENRY L. PARKS, M. D.

A. A. RAMESEY, M. D., ALBANY, MONTGOMERY CO., N. Y., writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to these the Cherry Pectoral affords relief and comfort.

AYER'S HOME, NEW YORK CITY, March 5, 1856. Doctor AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the distressing symptoms of Consumption, from which no relief could be obtained. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your Cherry Pectoral. His kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and still herself well. Yours with gratitude and respect.

ORLANDO SHELLEY, OF SHELLEYVILLE. Consumption, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its use will surely break up the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary cathartics. They are used successfully upon the system of all men. They are agreeable and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or diseased organs into their natural healthy action, and restore tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the most and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of imposture. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.
