

DOWN THE BACK STRETCH

There was another duel of the giants at Fredericton Raceway last Saturday night and the result was that Sep Hanover 2.03, owned by the Princeton Stables, Princeton, Me. and driven by Al Langille, Jr., had to step in 2.08 4/5 in the 4th race to head by Volo 2.02 2/5, owned by W. F. McGibbon, St. Stephen with driver Carr up. This is the second fastest mile paced in the Maritimes this season, the fastest being the 2.07 3/5 paced by Judge Miller 2.07 at Truro, July 21st. My Volo turned the tables on Sep in the 8th dash, winning by half a length in 2.11, Abbeland (Jardine) 3-3. Sep Hanover has been racing in exceptionally good form for Al Langille, chalking up several wins. He is a popular horse with spectators but many believe that in the new arrival, My Volo, canny owner McGibbon can take the measure of any free-for-aller in the Maritimes. What most race fans are hoping to see is these two with Judge Miller 2.07 and other stars at Old Home Week, Charlottetown.

Driver Sheldon Campbell won the 2nd dash on the program with Campbell's Buddy in 2.15 1/5 from Commander Bill(McGibbon) and Commander Bill won the 6th dash with the same field with Flying Fingo (Johnston) 2, time, 2.16 1/5. In the 3rd dash Hedgewood M. (Killam) won in 2.15 3 5) from the trotter Hyndall Semple (Woodside) and in the 7th dash with the same field Just Lucky, owned by the Princeton Stables, and driven by Al Langille, Jr., won in 2.16 2/5 with Hedge wood M. 2, Tyndall Semple 3. Willard Stewart, Southport, will be pleased to see that his favorite little pacer Just Lucky is still heading summaries. Other winners that night were, 1st dash, Bill's Bell (McAlduff) with Donnie H. 2, time, 2.17. and in the 5th dash Margo Dale (Savage) was the winner with Donnie H. (Burt) 2 time, 2.18 4/5.

Showers that caused the postponement of the race card at Charlottetown Saturday night did not affect Saint John at all and their complete program of 8 dashes was carried through with an attendance of 2,409, one of the best of the season. The 1st and 4th dashes were won by Princess Tina, owned by Mrs. A. Langille and driven by Al, Sr. Colonel Sherbrooke(D. Armstrong) 2-3, New Look (Devlin) 3-2; time, 2.17; 2.18. The 2nd dash was won by Dannie Scott, a 4-year-old by Daniel Hanover 2.01, that took a record of 2.18 3/5 last year and was 5 times first, 3 times second and 12 times third. He is owned by C. B. Smith, French Village, and was driven by H. Devlin, time, 2.21 3/5. Sparkle Dawn, owned and driven by Lee Jones, was 2 and Twinkle Dawn (Scribner) owned by Walter Akerley, 3. In the 6th dash with the same field Twinkle Dawn was the winner with Jack Direct 2.13 1/5, owned and driven by Walter McIntosh, Saint John, 2 Times 2.23 3/5. Jack Direct is an 11-year-old roan gelding and is one of the horses brought in recently to Saint John

A purse of $600 brought together eight of the fastest pacers at Saint John Raceway in the 3rd and 7th dashes. Ramona Chips 2.13 3/5,

Wheelers And City Win League Softball Games

The Bike Shop Wheelers defeated the Liguorian Youth Club 9-7 while the City Slickers downed the Legion 8-5 in City League softball games yesterday evening.

The Wheelers, as a result of their win, moved into a second place tie with Canada Packers while the City advanced to fourth place.

Merlin MacKenzie hit a three run homer in the eighth inning to give the City their margin of victory over the Legion. The two teams were forced into extra innings as John Thistle of the Legion and Sonny Stull of the City engaged in a tight pitchers duel.

There were two out in the eighth when MacKenzie teed off for his home run blast. It was his eighth home run of the season. Irving MacKinnon played a great defensive game for the Legion.

Playing Coach Wally Shephard racked up another win as he hurled the Wheelers to their win over the L.Y.C. He gave up eight hits while Blenis Nicholson of the L.Y. C. was touched for nine base knocks.

Tiger Bradley homered for the Wheelers in the sixth inning as the Wheelers scored three times to win the game. Duke MacCallum banged out four doubles and Jim Hughes of the Wheelers had two hits.

Blenis Nicholson, Cliff Peters and Frank Dunn of the L.Y.C. each had two hits.

Veteran Reinsman Danny Steele Still In Race Game

Old friends and track associates in this province of Dannie Steele, formerly of Summerside may sometimes wonder if the veteran reinsman, who now lives at Alliston, Mass., is still in the racing game. For their information an excerpt from the Alliston daily paper will be of interest.

Dannie Steele, now 73 years of age, is a son of the late John Steele of Summerside, one of the foremost horse trainers of his day. His son Dannie began his racing career at the age of 17 and his first venture into the game was at Shediac. In a race there at which his father was scheduled to drive, the elder Steele was unable to get to Shediac and Dannie took over the reins and drove his horse to victory. From that memorable day, racing has been in Dannie's blood and for 56 years he has piloted many of the best racers in the Canadian and New England States across the wire.

About a year ago, on doctor's orders, he was forced to retire for a while but he is now back in the game again.

"I needed the rest," he said recently, "no question about that, but I feel great now and drove my first race of the season the other night."

Dannie Steele is the oldest competitive driver at the Alliston Raceway, but his years belie his sprightliness.

He has now nine head stabled at the Bay State Raceway and he anticipates a busy driving schedule for the remainder of the season. Throughout his long career Steele has never been set down or punished in any way. "That's one of the things I am proud of" he states. "There has never been a black mark against me or any of the horses I have driven."

Dannie Steele likes to remember also that he has set two of the track records at the Raceway where he now drives. He set the six furlong trotting record of 1.35 2/5 with Senator Song on August 25th, 1949 and the 3.56 3/5 record for a mile and three quarters with Muriel Hanover on the previous October.

Dannie Steele says he has seen changes in harness racing during the past half century most of which he says have benefitted the sport. He believes that night racing makes the sport ideal for the workingman who is in an office or shop all day and wants to relax in the evening.

"It's a lot harder work now but the returns are better", he states. "There were some mighty lean years in the thirties, but now there are good purses and better conditions all around."

Dannie Steele has not been back to his native Province since 1939 when his brother Mack Steele died. Some day soon he will probably return to Prince Edward Island, the scene of many of his early triumphs in the harness racing sport.

Softball Meeting Last Night

A special meeting of the City Softball League was held in the City Hall last night at which July 31 was set as the deadline for trading players.

The Legion were allowed two replacements while it was decided that replacements would be granted for players who were out of play for the remainder of the season as the result of injury or sickness.

Jockey Released From Hospital

LONDON, (Reuters)—Jockey Sir Gordon Richards, who was badly injured when Queen Elizabeth's horse, Abergeldie, fell on him before a race three weeks ago, left hospital Friday. He said he would decide on his future as a jockey "within the next two weeks".

There had been reports that Richards would retire even before his accident.

As noted in the local press the opening dates or migratory birds have been announced for the current hunting season. Ducks, geese, brant, woodcock and Wilson's snipe opens on October 9th. The season on ducks and geese closes on December 4th and on brant, woodcock and Wilson's snipe on November 10th. The opening date for migratory birds last year was on October 10th but as the tenth this year falls on a Sunday, and whereas no Sunday shooting is allowed in this province (P.E.I.) the season was advanced one day and closes on the 4th instead of the 5th as formerly. No changes in bag limits except the possession of 10 on geese now includes brant . . . meaning a possession limit of 10 for a combined bag of geese and brant. It is understood, although no official announcement to that effect has been made to date, the opening date on Huns and pheasants will coincide with the opening date on migratory birds.

Many inquiries are made regarding the hunting prospects for next October. Its too early to predict

Little Activity At Games Site

VANCOUVER (CP)—Only a few athletes worked out Friday at University of British Columbia stadium. Those that did will not be in the opening track and field events Saturday. There was little activity also at Empire pool, where the swimmers have quit their strenuous workouts.

Shirley Eckel of Toronto took a few practice gallops in preparation for the 80-metre hurdles while coach Leigh Miller of Halifax watched. Before the Games opened Miller said his main worry was that he didn't get out of step in the parade at Empire Stadium.

George Hillier, marathon runner from St. John's, Nfld., went for "just a short run" of eight miles. George has been taking things easy for a couple of days because of a blister he picked up. He said his foot is much better.

Giants Increase Lead Over Dodgers To 3 Games

NEW YORK, (AP)—The National League-leading New York Giants managed only six hits Friday night but four of them were home runs as they whipped Cincinnati Redlegs 6-1 before a crowd of 13,153.

Wes Westrum started the four-base parade with a blast against the left field roof in the third inning. In the fifth, Westrum walked and pitcher Ruben Gomez hit his first homer of the season, high into the left field seats.

Don Mueller opened the sixth with his second home run of the year. With two out in the sixth Davey Williams drew a walk and Hank Thompson drilled a Baczewski offering far over the right field roof.

The only other New York hits were a single by Whitey Lockman and an infield teaser by Willie Mays in the eighth.

Gomez, in winning his ninth game, lost his shutout in the seventh inning when Jimmy Greengrass opened with a blow against the centre field bleachers and scored on an infield out.

PHILADELPHIA, (A P.)— Relief pitcher Herm Wehmeier walked home two runs and his replacement, Jim Konstanty, was clouted for a bases-loaded triple by Bill Sarni—all in the seventh inning—as St. Louis Cardinals walloped Philadelphia Phillies 12-3 Friday night.

The Cards got six runs in their big seventh to enable ace Harvey Haddix to chalk up his 15th win against seven defeats.

In the Cardinals' seventh, Red Schoendienst singled and Stan Musial doubled, sending Red to third. Wehmeier replaced started Bob Miller and issued an intentional walk to Ray Jablonski, loading the bases. Wehmeier then unintentionally walked Joe Cunningham and Rip Repulski, forcing in two runs. Konstanty took over on the mound and Sarni tripled home three more runs, then scored on Alex Grammas' sacrifice fly.

Catcher Stan Lopata accounted for all the Phillies' runs with a pair of homers—one after Richie Ashburn had singled in the opening inning and the other with no one on base in the sixth.

Repulski picked up his fourth RBI of the game with a ninth-inning bases-empty homer. Grammas doubled and scored on Haddix' triple in the final frame.

BALTIMORE (AP) — Baltimore Orioles took little notice of Casey Stengel's birthday Friday night, blasting Allie Reynolds and two other Yankee pitchers for nine hits and a 10-0 shutout by Don Larsen before 27,385 fans. Bob Kennedy hit a bases loaded homer in the fourth, the first for the Orioles this season.

His homer and two singles gave Kennedy six runs batted in and helped boost the Oriole single game total to the highest of the season.

Larsen scattered seven hits for his third victory against 13 losses. It was the second loss for Reynolds who has won 10.

The loss dropped New York 2½ games behind Cleveland Indians who defeated Washington 8-3.
