Popular Firm Marks Sixtieth Year Of Phenomenal Progress

"Our success in business has been largely due to the confidence and trust of the people of the city and Province down through the years," said Mr. W. A. Stewart, President of Moore and McLeod, Ltd., when asked to comment on the firm's outstanding and constant advancement during the past sixty years.

"Our Diamond Jubilee which is being celebrated this week," continued Mr. Stewart, "naturally finds us in a reminiscent mood. The attitude of 'Service Above Self' in later years popularized by Community Clubs was always uppermost in the minds of our organization heads and conveyed to the employees by precept and example."

"Another gratifying circumstance, which has also contributed to our continued expansion, is the extremely low percentage of turnover in our staff, particularly in the departmental heads, some of whom have been with us from our earliest days in business," Mr. Stewart said. "Careful and intelligent buying cases the problem of selling and it has been our good fortune to build up an organization which has this constantly in mind. The trends of styles, changes in colours and materials, economy in the marketing of manufactured goods which require the care and attention which we have fortunately been able to deal with intelligently through our staff."

Established in 1893 In 1893 by Mr. George M. Moore and Mr. S. A. McLeod at 119 Queen Street, in the centre building of a three block store group, the firm was joined in the following year by Mr. W. A. Stewart and Mr. J. P. Gordon who were taken into partnership, which partnership has continued unbroken except for the death of Mr. McLeod some years ago. The first expansion took place in 1898 when the first floor over Beer and Goff's store was taken over and converted into a Millinery Department.

HOLMAN STORE NEWS

WE'RE going to concentrate on those "Very Important People" - the CHILDREN this morning, and if you have V.I.P.s in your home you'll be interested in all of these Store News Items - School is practically over for the season and the costumes for your girls will be SHORTS and "T" Shirts! The Youth Centre has a marvellous array of Shorts and I have decided to "pick on" the good looking but tough and rough denim; they're in navy, blue strongly double stitched and with roomy pockets edged with smart, bright plain - the turn-back cuffs on the legs are plaid too. These Shorts in sizes 8 to 14, priced 1.98 a pair have a neat waistband and zipper back-closing. To mix-mate the Shorts - odies of "T" Shirts are needed - I saw some of light, fluffy Terry Cloth in white and red or white and blue stripes. Closely ribbed waistband, neckband and sleeve bands assure neat fit. These "T" Shirts in sizes 8 to 14 are 1.79 each in the Youth Centre.

LET'S encourage our lagging summer by being all ready for days on the beach when the time does arrive! The Children really love big, bouncy BEACH BALLS and the 5 and 10 Department has a supply of these in different sizes priced 25, 65 and 95 cents each. They're inflatable and will stand lots of rough going! Bright multi-colours add to the fun. Then there are really super BEACH PAILS of heavy, solid rubber; they're made by Viceroy and are simply wonderful. A child falling on one won't get hurt, they're unbreakable and big enough to provide sand enough for a really fine "castle". These Pails are priced 89 cents and there's well worth it. You'll find them in the Toy Section of the 5 and 10 Department.

DON'T let the problem of SANDALS for the Children get you down. The Shoe Department has a large collection of elk Sandals in smart multi-colours - pastels and dark shades. These have an ankle strap and cool vamp sections. The soles are of neolite for long wear. Sizes range from a little 6 to a big 3 and the price is 2.95 a pair in the Shoe Department.

BRIGHT, gaily colored SUN HATS in the Western manner are to be found in the Boys' Shop. These are of peanut straw with cool ventilated crowns and ravel-proof binding on the brims. There's a silk cord chin strap and all the Western essentials that your young "Hopalong Cassidy" will demand. Buy him one today, the price is 79 cents in the Boys' Shop.

DON'T forget to pick up your copy of the Parents' Magazine sponsored "YOUR NEW BABY". It's available every month for FREE in the Youth Centre!

Central Queen's W.I. Convention Yesterday

The 36th annual convention of the Central Queen's Women's Institute was held in Spring Park hall yesterday afternoon at 2:30 p.m. The district president, Mrs. Laura Morrison presided. One hundred members listened to the guest speaker, Dr. MacVicar, who spoke on the subject "Mental Health". Mrs. Ralph Manning gave a demonstration on dress making, and Mrs. Julian Herring, president of the provincial executive of the Active Canadian Women of the World gave an interesting talk. At 6:00 o'clock a delightful turkey supper was served banquet style, after which a film on child welfare and mental health was shown by Miss Mona Clay. An interesting feature of the convention was the presentation of a life membership pin and a corsage of carnations to Mrs. Harold Burt, who has been an Institute member for 31 years. The convention next year will be held at Winsloe Road hall. Officers for the coming year are: President, Mrs. Erith Hughes, Winsloe; and secretary, Mrs. Peppery Taylor, Winsloe.
