Plante's Average Goes Up

Hockey, like other activities of life, has its ups, and downs. We were reading Saturday of Jacques Plante who was "Fighting Mad" and who was tied with Terry Sawchuk for best "Goals Against" Average, an even 2.00 goals per game. Then Saturday night the Toronto Maple Leafs fired six goals past him, raising his average to 2.67. At the same time Gump Worsley was holding the Hawks to one goal, which must have bettered his average considerably So the ink is scarcely dry on a hero's eulogy when he falls off his pedestal and gets his feet smeared with clay.

The rumor that the RCAF Station in Summerside may be closed, which has caused a lot of understandable consternation in these parts, will put the ISHL on the spot whether it turns out to have any foundation in fact or not. They say we won't know the answer for about six weeks, and maybe not till early in 1964, and if that is so, it is unlikely the Eagles will feel like committing themselves to League participation. Of course, if we could get the assurance that, even if the worst happens, the station will still be active all winter, then we suppose the Eagles could enter the SHL without causing any disruption in the schedule.

Hockey Movement Welcomed

We were afraid that the Junior hockey movement, long an "off-again, on-again, gone again" proposition here in Prince Edward Island, was back to the "gone again" stage this coming season, but reports have it that Charlottetown will be promoting a Junior Hockey League this season. Congratulations for even thinking of it, Charlottetown. We welcome this even if it is not happening in our home town. But why isn't it happening in Summerside? Why has it never been attempted? Well, our hockey leaders may have some pretty good answrs to those questions. First of all, the Senior team or teams need Juniors to complete their rosters. That might be got around, however, by giving the Juniors special permission to play in both divisions. Secondly, fans would not come to see the games in sufficient numbers to make the project financially feasible. And that is probably the biggest stumbling block to the idea. If we could get some super-promoter who would get people to attend games other than the Senior contest, we'd have solved this perennial problem.

Soccer is a game of growing importance in Island high schools. Charlie Ballem tells us it is a lot of fun to play, and also a good conditioner for other forms of athletics. This is sufficent endorsement for its continuance. That it is a potential spectator sport can't be argued against either, because very large crowds of spectators watch it in the British Isles and in other countries. So, if you'll accept a strictly minority report, we'd rather watch soccer than hop scotch, dominoes, or "she loves me, she loves me not". But just barely. They say you can't teach an old dog new tricks. Maybe you can't teach him new appreciations either.

Welshmen Grab Verdict; Saints And Lancaster Tie

Prince of Wales College Welshmen gained a triumph and St. Dunstan's High School squad a tie in football battles staged at SDU field Sturday afternoon.

It was an all-important verdict for the city scholars as they edged Summerside High 13-7 on a last minute major by fullback Arnold MacLeod.

Saints had an all-star squad from Lancaster, N.B. 18-6 entering the last half but two touchdowns for the visitors earned for them their 18-18 draw.

Welshmen appeared all but out of the provincial senior 'A' interscholastic playdowns as they trailed 7-6 in the closing minute. Tuppy Rogers had given them a 6-0 lead in the first quarter but Paul MacWilliams's touchdown squared matters at 6-6 in the early minutes of the final quarter. Then Richard Perry made good on the Summerside convert and the westerners were in front 7-6.

However, it was Arnold MacLeod who came through with the dramatic major that changed defeat into victory as Welshmen supporters went wild with joy. Arnold kicked the extra point for good measure and his team is still alive in the hunt for the provincial senior 'A' crown.

It was before this contest that Saints and Lancaster fought to their deadlock. The affair was an exhibition contest with Saints repaying the visit to Lancaster next Saturday.

The Red and Whiters surely looked like victors as they went to their dressing room at half time sporting an 18-6 bulge. However, the New Brunswickers had loads of fight left and they rebounded with two majors, both unconverted to gain the split.

Fullback Les Affleck scored the first touchdown early in the first quarter, scampering over from a scrimmage seven yards out. Lancaster's Dougan squared the matter at 6-6 but Saints were ahead again before the opening period was completed. This time quarterback Bob LeClair and left end Eddie Lawlor combined for a 48-yard pass and run play, Lawlor finning over the visitors' line.

St. Dunstan's raced ahead 18-6 early in the second half, this time fleet-footed Andy Arsenault going over from only four yards out. Before this play, fullback Affleck had raced forty yards to set up the play for Saints' third major.

But Saints couldn't garner a single point the rest of the distance while the visitors managed those two unconverted TD's. Dougan was again the pointgetter in the third quarter and quarterback Bolger squared the show at 18-18 with a quarterback sneak play from three yards out near the end of the battle.

Saints and Prince of Wales tangle this Wednesday afternoon at SDU field and Welshmen's hopes of playoffs depend on the number of points they can muster against the boys from Malpeque Road.

SOFTBALL TROPHY IS PRESENTED

The West Prince Softball League Trophy was presented to the O'Leary softball team at a largely attended banquet Saturday evening in the Royal Canadian Legion Hall in Alberton. Gerald Rooney, donor of the trophy (left) made the presentation to Glen Rodgerson, captain of the O'Leary team. Other teams in the league were from Tignish, Alberton, and the West Prince Junior All-Stars.

Howe Scores As Canadiens Take Win Over Red Wings

DETROIT (CP) — Montreal Canadiens defeated Detroit Red Wings 6-4 Sunday night but Gordie Howe of the Wings tallied to tie the National Hockey League career-goals record.

Howe scored his 544th regular season goal to tie retired Maurice Richard's record.

Howe, held in check all night, touched off a five-minute ear-deafening, litter-throwing demonstration by the crowd of 14,-749, largest here this season, when he scored at 11:04 of the final period.

It came on a power play with Howe banging in Bruce MacGregor's pass from the boards from short range. Red Wing veteran Bill Gadsby, like Howe in his 18th NHL season, assisted on the play, his 400th setup.

CUT LEAD

Howe's goal, his fourth this season, cut the Montreal lead to 5-4 but after the roar subsides, the Canadiens broke right back in with Gilles Tremblay slamming a 30-footer inside the post for his third goal.

It took Howe 1,127 games to tie Richard's record. The Rocket, who played from 1942 to 1960, did it in 978 games over 18 seasons. The schedule was 50 games when Richard began and since has been changed to 70 games a season.

Howe holds the records for most total points, 1,217, most assists, 673, most games and is on the threshold of sole ownership of the goal-scoring record.

But his record-tying effort didn't faze the Canadiens who outplayed Detroit most of the night and outshot the Red Wings 45-29 in their first meeting of the year.

The Canadiens' big line of Jean Beliveau, Bernie Geoffrion and John Ferguson accounted for three goals with Beliveau scoring his second and third and Geoffrion his sixth.

Beliveau broke a 1-1 tie with goals 70 seconds apart in the second period and the Canadiens held the lead the rest of the way.

Red Berenson and Dave Balon got the other Hab goals while Parker MacDonald, Larry Jeffrey and Gadsby scored for Detroit.

HABS SHINE

The Canadiens completely outplayed Detroit in the first period but had to settle for a 1-1 tie when MacDonald scored at 16:03 on a flukey shot.

Berenson put the habs ahead 1-0 at 8:16 with Terry Harper in the penalty box. A pass to the right point squirted by Doug Barkley and Eddie Joyal and Berenson went for it. Berenson took it from Joyal and went the rest of the way alone, deking Terry Sawchuk twice before sliding the puck behind him for his first goal of the season.

MacDonald got his first when his centring shot from the left corner hit defenceman Jacques Laperrlere on the shoulder and dropped down just over the line despite a desperate dive by Goalie Gump Worsley.

The Habs stepped up the tempo in the second with Beliveau getting his two. Sawchuk stopped two other thrusts by the Beliveau line between the goals.

CUT LEAD

Jeffrey cut the Montreal lead to 3-2 when he banged in Bruce MacGregor's pass from the right boards at 5:17 for his second goal and then the clubs exchanged goals with both shorthanded.

Jeffrey and Harper were off for fighting when Balon got his second of the year at 15:13 and Gadsby tipped in Ingram's shot at 17:34 with Howe and Gilles Tremblay serving time.

Geoffrion hiked it to 5-3 at 7:55 of the third period finishing a pretty passing play with Beliveau and then came Howe's big one with Ferguson off for tripping Ted Hampson.

But the celebrating was shortlived when Tremblay drove in for his goal.

BOSTON (CP) — Boston Bruins won their first National Hockey League game of the season Sunday night by blanking Toronto Maple Leafs 2-0.

Boston rose from the depths of the cellar on the shutout by goalie Ed Johnston.

The victory was the first of the season for the Bruins and ended a six-game losing streak. The whitewash was the second in as many major league campaigns for Johnston, who took over the Bruins nets early in the 1962-1963 season.

Forbes Kennedy and Murray Oliver provided the offensive punch for Boston as the Bruins outplayed the Leafs.

SCORES ALONE

Kennedy registered an unassisted goal after he picked up a loose puck just inside his own blue line in the first period. He outskated two Leafs and let go a 30-foot lift shot from the right board.

The puck hit goalie Johnny Bower, then bounced off his chest and dribbled into the cage with Bower still clutching for it.

Oliver lifted a 10-footer into the far corner off Tom Williams' pass with Toronto shorthanded in the middle period.

It was Boston's first power play goal since an opening-game tie with Montreal.

Johnston wound up with 33 saves, including 17 in the final period.

Johnston made spectacular thefts on John MacMillan, Frank Mahovlich and Ron Stewart in the third period to protect his masterpiece.

First period—1. Boston, Kennedy 1 7:15. **Penalties**—Stanley and McCord 5:55, Douglas 11:41, Stanley 13:09, Stewart 19:30.

Second period—2. Boston, Oliver 3 (Williams) 13:46. **Penalties**—Green 8:38, Douglas 13:40, Green 16:09, Shack 16:09, Kennedy 16:33.

NEW YORK (CP-AP) — Led by Alvin (Ab) McDonald's two goals, Chicago Black Hawks defeated New York Rangers 4-1 in a National Hockey League game Sunday night.

Bobby Hull and McDonald scored with 37 seconds as the Hawks extended their unbeaten streak to six games with four wins and two ties.

Hull, the NHL's leading scorer, beat New York goalie Jacques Plante at 19:03, tying the score at 1-1. McDonald's winning goal, with an assist by Stan Mikita, came at 19:40 to the dismay of a crowd of 15,616.

McDonald and Jack McKenzie added two insurance goals in the last period.

OPEN SCORING

The Rangers had scored first at 7:30 on a bullet-like shot from 35 feet out by Don Marshall. Chicago goalie Glenn Hall turned in some sensational saves in the first five minutes when the Hawks had two men in the penalty box.

Before Chicago's two final goals, the Rangers appeared to have tied the score at 10:43 of the second period. A slap shot by Doug Harvey brought on a jam in front of the Chicago net. Hall and two of his teammates were stuffed into the net and on top of them were three Ranger players. When the pile was untangled, referee Bill Friday ruled the puck was an inch short of entering the cage.

Elmer Vasko, Chicago defenceman, was hurt in the second period and had three stitches in a cut on his face.

SUMMARY

First period—1. New York, Marshall 1 (Henry, Gilbert) 7:30; 2. Chicago, Hull 5 (Pilote) 19:03; 3. Chicago, McDonald 2 (Mikita) 19:40. **Penalties**—Hillman 3:03, Pilote 3:39, Murphy 10:09, Hadfield 12:40, Murphy 15:43.

Richard's Record Is Tied By Howe

DETROIT (CP) — Gordie Howe of Detroit Red Wings, one of the National Hockey League's all-time greats, scored his 544th career goal Sunday night to tie the NHL record of Maurice (Rocket) Richard, former superstar with Montreal Canadiens.

Howe scored in the third period of a game with Montreal Canadiens. The record - tying goal came after three frustrating games, two with Toronto Maple Leafs and one with Chicago Black Hawks.

It also came a few days after a knock by Richard, who said he never thought Howe was "too good a money player" but who conceded that Howe is a "better all-round player than I was."

Howe, in his 18th season with the Wings, started this year with 540 goals. He scored three goals in his first two starts but was sidelined last week for Detroit's third game, with New York Rangers, after he suffered a five-inch cut on his ankle during a practice.

Howe came back and played two games last weekend against Toronto and, for a moment, had his record - tying goal. With about two minutes to play here last Sunday night, Howe scored into an empty Toronto net but the goal was disallowed in an ensuing argument.

An infraction against one of Howe's teammates, caught by the referee pushing the puck ahead with his glove, invalidated the goal.

Howe was stopped cold by Chicago Thursday night.

But, as followers of the NHL have known for years, Howe couldn't be stopped for long.

At 11.04 of the period, big Gordie, with assists from Bruce MacGregor and Bill Gadsby, tallied No. 544 and the cheers at Olympia Stadium echoed for minutes.

Saints Take 14-6 Victory Over Winless Acadia Team

WOLFVILLE, N.S. (CP) — St. Dunstan's University of Charlottetown, P.E.I., edged the winless Acadia University Axemen by a 14-6 score here Saturday afternoon in an Atlantic Football Conference game.

St. Dunstan's built up a commanding 14-0 lead in the first three quarters of the contest before the Axemen went over the line for an un-converted major in the final quarter.

The Charlottetown squad played a steady offensive game while the Acadia attack sparkled at times, but was generally lacklustre.

L. Ellis plunged two yards for the first St. Dunstan's touchdown in the opening quarter and booted his own convert.

Ellis made his second convert attempt good in the second frame after teammate F. Ripley's touchdown on a 20-year pass play.

The third quarter displayed no scoring, but in the fourth, Acadia tried a belated comeback with Harrison catching a 14-yard pass for six points. The convert was no good.

SACKVILLE, N.S. (CP) — The St. Mary's Huskies of Halifax rolled to their fourth consecutive shutout victory here Saturday, blanking the Mount Allison Mounties 17-0 in Atlantic Football Conference action.

The Mounties were stymied throughout the game by the St. Mary's defensive squad, while the Huskies scored two converted touchdowns and a field goal.

The conference's leading scorer, Huskie Freshman Fullback Paul Puma set up the initial major late in the first half on a 55-yard run. Puma received a swing pass from Quarterback Dave Murphy and galloped more than half the length of the field before tossing to Stu O'Brien, who went over for the score.

In the third quarter, Leo Raftery of St. Mary's ran around right end from the ten-yard line to pick up the Huskies' second touchdown. John Schneider booted both converts and added a field goal to account for five of St. Mary's total.

The Huskies now hold a 4-2 record, while the Mount Allison club had three victories against two losses.

HALIFAX (C) — The University of New Brunswick Red Bombers scored a Saturday Atlantic Football Conference upset here by dumping the Shearwater Flyers 13-0.

The Fredericton University squad had a constant offensive edge in the play throughout the game and the defensive crew held the Flyers off the score sheet although the Navy men amassed 143 -yards rushing alonf the ground and 30 in the air.

The Collegians had 267 yards rushing, attaining 192 in ground attacks.

Pete Harvey of UNB struck for a pair of touchdowns, scampering 27-yards off left tackle in the second quarter and running for 30-yards for his second major in the final quarter. The extra point on the latter score provided more than enough margin of victory for the Red Bombers.

Quarterback Mike Ross of UNB kept the hosts off balance by employing a minimum of plays to good advantage.

ANTIGONISH, N.S. (CP) — St. Francis Xavier University sank the Dalhousie Tigers 77-0 here Saturday in an Atlantic Football Conference display of Xaverian scoring might.

St. FX's Eddie Amaral, one of the top scorers in the conference, broke loose with a scoring display in the middle of the game to amass a total of 31 consecutive points on four touchdowns, four converts, and a field goal.

The Xaverians were baffled early in the contest by the powerless Tigers' practice of preferring to give up a safety when trapped deep in their own zone ratehr than punt on third down. But Joe Franciose opened the St. FX touchdown march late in the first quarter, when he plunged over from the one-yard line.

The X-Men were able to move the ball at will throughout the game using three or four basic plays and employing coach Don Loney's shuffle system of two complete offensive and defensive units.

Tom Delaney shared scoring honors with Amaral, as between them they accumulated forty-four points. Delaney plunged over from the four in the second quarter and added another touchdown in the third quarter.

New York Team Defeats Browns

By THE ASSOCIATED PRESS

New York Giants muffled Jimmy Brown, manhandled Frank Ryan and mauled the previously unbeaten Cleveland Browns 33-6 in a National Football League shocker Sunday that overshadowed Green Bay's strong performance behind a pair of second-stringers.

The Giants downed Cleveland with a sharp offence led by Y. A. Tittle's unerring aerials and a determined defence that completely shackled the Browns' offence.

Brown, the league's No. 1 rusher who was averaging 150 yards a game, gained only 40 in nine carries while Ryan completed only one pass in nine attempts for minus six yards. Not until the final six minutes were the Browns able to move the ball out of their own territory.

The defending champion Green Bay Packers, meanwhile, made the most of key performances by substitute quarterback John Roach and Elijah Pitts, filling in for Tom Moore, and remained in a tie for the Western Conference lead with a 34-20 walloping of Baltimore Colts.

TIED WITH BEARS

The Packers are tied at 6-1 with Chicago Bears, who rebounded from last week's first defeat for a 16-7 decision over Philadelphia Eagles. The Browns, 6-1, are out front in the East by one game over New York and St. Louis, both 5-2.

The Cardinals whipped Washington 21-7 on Charlie Johnson's three touchdown passes. Ed Brown passed for four touchdowns in Pittsburgh's 27-21 triumph over Dallas, Detroit defeated Minnesota 28-10 and Los Angeles knocked off San Francisco 28-21.

In the American Football League, Houston took over first place in the Eastern Division with a 5-3 record after a 28-7 thumping of Kansas City.

The Beauharnois Scandal

The most humiliating political experience of the late Prime Minister Mackenzie King was "the Beauharnois Scandal." This was the only time in his life that he was personally implicated in a scheme that came to be regarded as a mammoth swindle. The scandal and King's reaction to it are described this week in the third of four excerpts in Weekend Magazine's presentation of the new volume of the Mackenzie King biography by H. Blair Neatby.
