Old beau—How you have grown since I saw you a year ago, Miss Winifred!

Bright-eyed damsel—I'm not the smallest fraction of an inch taller, Mr. Gayman. I got my growth three years ago.

Old beau—But you've grown ever so much in my estimation.

Bangs—I'd give a good deal to know how it feels to be drugged and robbed.

Binthere—Why don't you go and get a prescription filled, then?

Tom—You look awful blue. I suppose it's because of Miss Maybelle's having rejected you.

ENDORSES DR. ROSE.

A Quebec Physican who Corroborates Dr. Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A. G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no further corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

In a Menagerie—This is the great boa constrictor, which usually swallows a whole pig for its breakfast. Not quite so close, sir, if you please.

No one need pity you if you die of consumption, without having tried Miller's Emulsion of Cod Liver Oil, "the kind that cures" coughs, colds, bronchitis and all pulmonary diseases Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

There are one hundred women sugar planters in Louisiana. Sweets to the sweet, but to think of women raising cane!—Boston Transcript.

I am not sure I ever told you what a safe and excellent, as well as palatable cure for Coughs, Colds, Consumption add all Wasting Diseases is made in Halifax, Nova Scotia. If not, let me now say that there is no other Remedy quite as good for these ailments as PUTTNER'S EMULSION. I need not enlarge—a word to the wise is sufficient—remember it is PUTTNER'S EMULSION—for sale in your town by all the first-class Druggists, in large eight ounce bottles for 50c.

The girl trying to be mannish can never be a gentleman, and might so easily remain a lady that it seems a pity to see her going wrong.

Nervous debility, general debility, then consumption; step by step, that's the way they go. Take a course of Hawker's nerve and stomach tonic, the greatest nerve and brain invigorator, blood builder, appetizer and digestive aid ever discovered, ere you, too, reach the final step.

Spencer—It's all nonsense saying that if you wink at the girl who runs the soda fountain she'll put a stick in your drink.

Ferguson—Did you try it?

Spencer—I did; I got the stick, but not in my drink.

Testing His Honesty.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He nows this is the best form in which to take Cod Liver Oil.

"I tell you what it is," said the silly little fish to his longheaded mother, "I have been following your advice and letting those nice, plump, juicy worms alone long enough. I am now going off on my own hook."

And he did.

For Over Fifty Years.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays the pain, cures the colic, and is the best remedy for Diarrhœa. Is pleasnt to the taste. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.—m. w. f. wkly—1 y

Officer—But how did you discover that the customer was a woman?

Salesman—When she said she wasn't ready to purchase, she added that she only came in to inquire for a friend.

Neuralgia and toothache are speedily relieved by a free application of Dr. Manning's german remedy, the universal pain cure.

This is the season of the year when everybody and his money are soon parted.—Chicago Tribune.

Whopper—I hate a liar.

Slydig—That's magnetism.

Whoppers—Magnetism? What do you mean?

Slydig—Well, it's one form of magnetism. Like repels like, you know.—New York World.

How to Get a Sunlight Picture.

Send 25 "Sunlight soap wrappers (wrappers bearing the words "why does a woman look old sooner than a man") to Lever Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost 1 c. postage to send in the wrappers, if you leave the ends open. Write your address carefully.

Cholly—Yes, I can't help feeling sorry for the poor girl.

"Haven't you got this book in a chicken salad binding?" asked the cheerful idiot.

"What do you mean?" asked the bookseller.

"Half calf."

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion toit, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.

For sale by all Druggists at 50 cents bottle.

Tramp (at farm kitchen door)—Do you happen to have a little peppermint in the house, ma'am?

Farmer's wife—I'm afraid not, my poor man.

Tramp—A little whiskey would do, ma'am. The lady on the farm below you, who handed out the Christmas dinner, has committed the vulgar error of putting too much vinegar in the salad dressing.

DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Harper's Magazine

IN 1895.

"The Simpletons," a new novel by Thomas Hardy, will be begun in the December Number, 1894, and continued to November, 1895. Whoever may be one's favorite among English novelists, it will be conceded by all critics that Thomas Hardy stands foremost as a master artist in fiction, and "The Simpletons" may be expected to arouse enthusiasm not inferior in degree to that which has marked Trilby—the most successful story of the year. Another leading feature will be the Personal Recollections of Joan of Arc, by the late Louis de Conte, her Page and Secretary under which guise the most popular of living American magazine writers will present the story of the Maid of Orleans. In the January Number will appear a profusely illustrated paper on Charleston and the Carolinas, the first of a series of Southern Papers.

Northern Africa is attracting more attention than at any other time since it was the seat of empires. The next volume of Harper's Magazine will contain four illustrated articles on this region and three of them will depict the present life there. Julian Ralph will prepare for the Magazine a series of eight stories, depicting typical phases of Chinese life and manners. Besides the long stories, there will begin in the January Number the first chapters of a three part Novelette, by Richard Harding Davies—the longest work yet attempted by this writer. Complete short stories by popular writers will continue to be a feature of the Magazine.

Send for illustrated prospectus.

The Volumes of the Magazine begin with the Numbers for June and December of each year. When no time is mentioned, subscription will begin with the Number current at the time of receipt of order. Cloth cases, for binding, 50 cents each, by mail, postpaid. Title page and index sent on application.

Remittances should be made by Post Office Money Order or Draft, to avoid chance of loss.
